uses the true-to-life story of Lucas to help with the answers. As children follow Lucas through his sick day, they will discover how God cares for them and how they can care for others when they are sick. When Lucas wakes up with a sore throat, his parents show that God is always caring for him—even when he doesn't feel well. They remind Lucas that Jesus is with him even during difficult days, and he can always go to Jesus and ask for help. When he visits the doctor, Lucas also learns how important it is to care for those around him and to make sure that everyone does their best to not let others get sick. This timely book helps parents and

caregivers talk with children about illness and how to keep themselves and others safe when sick. Ideally suited for children between the ages of five to eight, the book teaches that although anyone can get sick, that God is caring for them and will be with them through whatever they face. They will also learn how they can show God's love to their friends and family by helping to keep them safe. God Cares for Me is part of the God Made Me Series which equips parents to have important, impactful conversations with their children, helping them to grow in understanding of God, themselves, and others. Each book in the series contains a

special section just for parents and caregivers that provides biblical guidance and offers additional information and resources for talking about the topic addressed in the story.

The Space of Literature Dec 05 2020 Maurice Blanchot, the eminent literary and cultural critic, has had a vast influence on contemporary French writers--among them Jean Paul Sartre and Jacques Derrida. From the 1930s through the present day, his writings have been shaping the international literary consciousness. The Space of Literature, first published in France in 1955, is central to the development of Blanchot's thought. In it he reflects on literature and the unique demand it makes upon our attention. Thus he explores the process of reading as well as the nature of artistic creativity, all the while considering the relation of the

literary work to time, to history, and to death. This book consists not so much in the application of a critical method or the demonstration of a theory of literature as in a patiently deliberate meditation upon the literary experience, informed most notably by studies of Mallarmé, Kafka, Rilke, and Hölderlin. Blanchot's discussions of those writers are among the finest in any language.

All the Colors of Christmas Mar 08 2021 The bestselling author of *When God Made You* and *When I Pray for You* captures the wonder of Christmas and the joy of Jesus' birth in a lyrical exploration of what makes the season so colorful, magical, and personal. In his trademark style, Matthew Paul Turner celebrates the Christmas season, particularly the colors that infuse the holiday and all the memorable sensations and experiences—including a festive market, sledding, and nativity scene—connected to

those bright hues. Matthew draws his readers into a whirling ribbon of the familiar reds and greens of Christmas, as well as other festive hues, including white, gold, blue, and brown. Christmas is RED. It's a bright shiny sled. It's candy canes, and toy store lanes. It sprinkles on sweet bread. Christmas is BROWN It's pinecones scattered round... It's a cradle soft with hay And a donkey's gentle bray. It's God within a baby's skin on that very first Christmas Day. All the colors come together when readers are reminded that Christmas is YOU—you're a part of the story, the joy and the glory! Matthew shows us again and again that the

2021 *Shooting at the Stars* is the moving story of a young British soldier on the front lines during World War I who experiences an unforgettable Christmas Eve. In a letter home to his mother, he describes how, despite fierce fighting earlier from both sides, Allied and German soldiers ceased firing and came together on the battlefield to celebrate the holiday. They sang carols, exchanged gifts, and even lit Christmas trees. But as the holiday came to a close, they

returned to their separate trenches to await orders for the war to begin again. John Hendrix wonderfully brings this story to life, interweaving fact and fiction along with his detailed illustrations and hand-lettered text. His story celebrates the humanity and kindness that can persist even during the darkest periods of our history. Back matter includes a glossary, additional information about World War I and the Christmas Truce and its aftermath, and an archival photograph taken during the Truce. except for this unpopular subject of an angry God, who, time and again in the Bible, acts in judgement and punishment. Even Christians who accept the Bible as the authoritative Word of God can feel deeply uncomfortable about it all. This book was born out of the author's own struggles with this issue, and he writes with empathy as well as intellectual rigour, answering questions such as: Why can't God just 'pass over' wrong-doing? How does 'the God who punishes' fit with 'the God who is love'? And why is the death of Jesus on a cross the ultimate expression of God's love? Amazingly, we discover that only by

understanding God's determination to punish sin can we truly appreciate His astounding love - unimaginably and uniquely, love that is truly just, yet freely available to every one of us. Written with sceptical non-Christians in mind as well as Christians struggling with the concept of a God who punishes sin. *Surprise the World* Feb 25 2020 Sharing your faith doesn't have to be complicated.
