### **Life and Times of Frederick Douglass**

**Jun 29 2022** Frederick Douglass recounts early years of abuse, his dramatic escape to the North and eventual freedom, abolitionist campaigns, and his crusade for full civil rights for former slaves. It is also the only of Douglass's autobiographies to discuss his life during and after the Civil War, including his encounters with American presidents such

as Lincoln, Grant, and Garfield.

**From Slavery to Freedom:  
Narrative Of The Life,  
Incidents in the Life of a  
Slave Girl, Up From Slavery,  
The Souls of Black Folk.**  
**Illustrated** Sep 08 2020

African American history is the part of American history that looks at the past of African Americans or Black Americans. Of the 10.7 million Africans who were brought to the Americas until the 1860s, 450 thousand were shipped to what is now the United States. Most African Americans are descended from Africans who were brought directly from Africa to America and became slaves. The future slaves were originally captured in African wars or raids and transported in the Atlantic slave trade. Our collection includes the following works: Narrative Of The Life by Frederick Douglass. The impassioned abolitionist and eloquent orator provides graphic descriptions of his childhood and horrifying experiences as a slave as well as a harrowing record of his dramatic escape to the North

and eventual freedom. Incidents In The Life Of A Slave Girl by Harriet Jacobs. Powerful by portrayal of the brutality of slave life through the inspiring tale of one woman's dauntless spirit and faith. Up From Slavery by Booker T. Washington. Washington rose to become the most influential spokesman for African Americans of his day. He describes events in a remarkable life that began in slavery and culminated in worldwide recognition. The Souls of Black Folk by W. E. B. Du Bois. W. E. B. Du Bois was an American sociologist, socialist, historian, civil rights activist, Pan-Africanist, author, writer and editor. Contents: 1. Frederick Douglass: Narrative Of The Life 2. Harriet Ann Jacobs: Incidents in the Life of a Slave Girl 3. Booker Taliaferro Washington: Up From Slavery 4. W. E. B. Du Bois: The Souls of Black Folk

**The End of the Myth** Oct 10 2020 WINNER OF THE PULITZER PRIZE A new and eye-opening interpretation of the meaning of the frontier,

from early westward expansion to Trump's border wall. Ever since this nation's inception, the idea of an open and ever-expanding frontier has been central to American identity. Symbolizing a future of endless promise, it was the foundation of the United States' belief in itself as an exceptional nation - democratic, individualistic, forward-looking. Today, though, America has a new symbol: the border wall. In *The End of the Myth*, acclaimed historian Greg Grandin explores the meaning of the frontier throughout the full sweep of U.S. history - from the American Revolution to the War of 1898, the New Deal to the election of 2016. For centuries, he shows, America's constant expansion - fighting wars and opening markets - served as a "gate of escape," helping to deflect domestic political and economic conflicts outward. But this deflection meant that the country's problems, from racism to inequality, were never confronted directly. And now, the combined catastrophe of

the 2008 financial meltdown and our unwinnable wars in the Middle East have slammed this gate shut, bringing political passions that had long been directed elsewhere back home. It is this new reality, Grandin says, that explains the rise of reactionary populism and racist nationalism, the extreme anger and polarization that catapulted Trump to the presidency. The border wall may or may not be built, but it will survive as a rallying point, an allegorical tombstone marking the end of American exceptionalism.

*Frederick Douglass in Context*

Sep 01 2022 Frederick Douglass in Context provides an in-depth introduction to the multifaceted life and times of Frederick Douglass, the nineteenth-century's leading black activist and one of the most celebrated American writers. An international team of scholars sheds new light on the environments and communities that shaped Douglass's career. The book challenges the myth of Douglass as a heroic

individualist who towered over family, friends, and colleagues, and reveals instead a man who relied on others and drew strength from a variety of personal and professional relations and networks. This volume offers both a comprehensive representation of Douglass and a series of concentrated studies of specific aspects of his work. It will be a key resource for students, scholars, teachers, and general readers interested in Douglass and his tireless fight for freedom, justice, and equality for all.

Why Should

a Colored Man Enlist? Our Work Is Not Done The Work of the Future What the Black Man Wants Give Us the Freedom Intended for Us A Call to Work The Word White The Hypocrisy of American Slavery Introduction to "The Reason Why" Reply of the Colored Delegation to the President Letter to Harriet Beecher Stowe Letter to Miss Wells Frederick Douglass (1818-1895) was an African-American social reformer, abolitionist, orator and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York. Frederick Douglass Aug 20 2021 **\*\*Winner of the Pulitzer Prize in History\*\*** "Extraordinary...a great American biography" (The New Yorker) of the most important African-American of the nineteenth century: Frederick Douglass, the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young

man Frederick Douglass (1818-1895) escaped from slavery in Baltimore, Maryland. He was fortunate to have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this "cinematic and deeply engaging" (The New York Times Book Review) biography,

David Blight has drawn on new information held in a private collection that few other historians have consulted, as well as recently discovered issues of Douglass's newspapers. "Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass's" (The Wall Street Journal), Blight's biography tells the fascinating story of Douglass's two marriages and his complex extended family. "David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century" (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman, Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.

Narrative of the Life of Frederick Douglass Oct 29 2019 This Prestwick House Literary Touchstone Edition includes a glossary and reader's notes to help the modern reader contend with Douglass' nineteenth-century style and vocabulary. Born into a family of slaves, Frederick Douglass educated himself through sheer determination. His unconquered will to triumph over his circumstances makes his one of America's best and most unlikely success stories. Douglass' own account of his journey from slave to one of America's great statesmen, writers, and orators is as fascinating as it is inspiring.

**No Compromise with Slavery** Dec 12 2020 No Compromise with Slavery By William Lloyd Garrison

Thirty Years a Slave May 05 2020 "Thirty Years a Slave" by Louis Hughes. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet

undiscovered gems—of world literature, we issue the books that need to be read.

### Who Was Frederick Douglass?

Feb 23 2022 Born into slavery in Maryland in 1818, Frederick Douglass was determined to gain freedom--and once he realized that knowledge was power, he secretly learned to read and write to give himself an advantage. After escaping to the North in 1838, as a free man he gave powerful speeches about his experience as a slave. He was so impressive that he became a friend of President Abraham Lincoln, as well as one of the most famous abolitionists of the nineteenth century.

### Narrative of the Life of Frederick Douglass, an

American Slave Nov 03 2022 Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to be the most famous of a number of narratives written by former

slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. Narrative of the Life of Frederick Douglass encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man.

### **Narrative of the Life of Frederick Douglass - An American Slave** Jun 17 2021

First published in 1845, "Narrative of the Life of Frederick Douglass - An American Slave" is an 1845 autobiographical treatise on abolition by Frederick Douglass (1818-1895), an American escaped slave who became a prominent activist, author, and public speaker. A leading figure in the abolitionist movement, he fought for the end of slavery until the 1862 Emancipation Proclamation and continued to vehemently fight for human rights until his death. One of

the most well-known slave narratives written in the period, it describes in detail his experiences of life as a slave and was one of the most influential works of literature in the abolitionist movement in the United States. A moving insight into the life of a slave not to be missed by those with an interest in American history. Read & Co. History is proudly republishing this classic treatise now in a new addition complete with an introductory Chapter by William H. Croghan.

**In the Words of Frederick Douglass** Feb 11 2021 "No people are more talked about and no people seem more imperfectly understood. Those who see us every day seem not to know us."—Frederick Douglass on African Americans "There is no negro problem. The problem is whether the American people have loyalty enough, honor enough, patriotism enough, to live up to their own constitution."—on civil rights "Woman should have justice as well as praise, and if she is to dispense with

either, she can better afford to part with the latter than the former."—on women "The thing worse than rebellion is the thing that causes rebellion."—on rebellion "A man is never lost while he still earnestly thinks himself worth saving; and as with a man, so with a nation."—on perseverance "I am ever pleased to see a man rise from among the people. Every such man is prophetic of the good time coming."—on Lincoln Frederick Douglass, a runaway Maryland slave, was witness to and participant in some of the most important events in the history of the American Republic between the years of 1818 and 1895. Beginning his long public career in 1841 as an agent of the Massachusetts Anti-Slavery Society, Douglass subsequently edited four newspapers and championed many reform movements. An advocate of morality, economic accumulation, self-help, and equality, Douglass supported racial pride, constant agitation against racial discrimination, vocational education for blacks,

and nonviolent passive resistance. He was the only man who played a prominent role at the 1848 meeting in Seneca Falls that formally launched the women's rights movement. He was a temperance advocate and opposed capital punishment, lynching, debt peonage, and the convict lease system. A staunch defender of the Liberty and Republican parties, Douglass held several political appointments, frequently corresponded with leading politicians, and advised Presidents Lincoln, Grant, Hayes, Garfield, and Harrison. He met with John Brown before his abortive raid on Harpers Ferry, helped to recruit African American troops during the Civil War, attended most national black conventions held between 1840 and 1895, and served as U.S. ambassador to Haiti. Frederick Douglass has left one of the most extensive bodies of significant and quotable public statements of any figure in American history. In the Words of Frederick Douglass is a rich trove of

quotations from Douglass. The editors have compiled nearly seven hundred quotations by Douglass that demonstrate the breadth and strength of his intellect as well as the eloquence with which he expressed his political and ethical principles.

**Thirty Years a Slave - From Bondage to Freedom** May 17 2021 Originally published in 1897, "Thirty Years a Slave" is a first person account of life as a slave written by Louis Hughes (1832-1913), an American-born slave belonging to a plantation owner in Charlottesville, Virginia. Having learned to read and write in secret, Hughes wrote this memoir and later became a successful businessman. "Thirty Years a Slave" offers a glimpse into the harrowing life of American slaves in the nineteenth century and is highly recommended for those wishing to learn about this dark chapter of American history. Contents include: "Life on a Cotton Plantation", "Social and Other Aspects of Slavery", "Slavery and the War of the

Rebellion”, “Rebellion Weakening, Slaves' Hopes Strengthening”, and “Freedom after Slavery”. Read & Co. History is republishing this classic autobiography now in a new addition complete with an introductory chapter by Frederick Douglass.

**Drown** Sep 28 2019 Originally published in 1997, Drown instantly garnered terrific acclaim. Moving from the barrios of the Dominican Republic to the struggling urban communities of New Jersey, these heartbreaking, completely original stories established Díaz as one of contemporary fiction's most exhilarating new voices. 'There's a new excitement in Drown, the fierce, sharp-edged, painful stories of a young Dominican-American writer, Junot Díaz: a dazzling talented first book'. Hermione Lee, Independent on Sunday, Books of the Year 'A voice so original and compelling as to reach far beyond his immediate environment. It has put Díaz at the forefront of American writing'. GQ 'He has that rare

gift of delineating a recognizable trademark world of his own with just a few deft strokes'. Guardian 'Wrings the heart with finely calibrated restraint'. New York Times ORATION BY FREDERICK DOUGLASS Dec 24 2021 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Frederick Douglass, An American Slave: 3 Autobiographical Books in One Volume** Jul 19 2021

"Narrative of the Life of Frederick Douglass" is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. *My Bondage and My Freedom* is the second of three autobiographies written by Douglass, and is mainly an expansion of his first

(*Narrative of the Life of Frederick Douglass*), discussing in greater detail his transition from bondage to liberty. *Life and Times of Frederick Douglass* is Frederick Douglass' third autobiography in which he gave more details about his life as a slave and his escape from slavery in this volume than he could in his two previous autobiographies. Frederick Douglass (1818 -1895) was an African-American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, gaining note for his dazzling oratory and incisive antislavery writings.

*My Escape from Slavery* Jan 25 2022 Frederick Douglass was born a slave in Maryland around February 1818. He escaped in 1838, but in each of the three accounts he wrote of his life he did not give any details of how he gained his freedom lest slaveholders use

the information to prevent other slaves from escaping, and to prevent those who had helped him from being punished.

### **The Historian's Narrative of Frederick Douglass** Aug 08

2020 To celebrate the bicentenary of Frederick Douglass's birth in 1818, this new annotated edition of his classic autobiography shows how his insights on slavery, racism, and the pursuit of self-reliance are still highly relevant today in 21st-century America. \* Reveals the footprints of history throughout Douglass's narrative via the accessible annotations—insights that would otherwise easily be missed by modern readers \* Provides opening chapters that present critical historical background that few contemporary Americans know about, but is crucial for understanding the context of Douglass's narrative \* Addresses the concepts of racism and white privilege—two concepts that preside over Douglass's book

and are still at the center of American society—through Douglass's writings and the events of his life \* Includes numerous illustrations of Douglass and his world, adding further context to his autobiographical narrative

movement in Massachusetts

and New York.

**The Cambridge Companion to Frederick Douglass** Sep 20 2021 An engaging and informative overview of the life and works of Frederick Douglass.

*The Cambridge Companion to the African American Slave Narrative* May 29 2022 The slave narrative has become a crucial genre within African American literary studies and an invaluable record of the experience and history of slavery in the United States. This Companion examines the slave narrative's relation to British and American abolitionism, Anglo-American literary traditions such as autobiography and sentimental literature, and the larger African American literary tradition. Special attention is paid to leading exponents of the genre such as Olaudah Equiano, Frederick Douglass and Harriet Jacobs, as well as many other, less well known examples. Further essays explore the rediscovery of the slave narrative and its subsequent critical reception,

as well as the uses to which the genre is put by modern authors such as Toni Morrison. With its chronology and guide to further reading, the Companion provides both an easy entry point for students new to the subject and comprehensive coverage and original insights for scholars in the field.

**Frederick Douglass** Aug 27 2019

**Frederick Douglass: All 3 Memoirs in One Volume** Jan 01 2020

This ebook collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. "Narrative of the Life of Frederick Douglass" is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text recount Douglass's life as a slave and his ambition to become a free man and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the

early 19th century in the United States. *My Bondage and My Freedom* is the second of three autobiographies written by Douglass, and is mainly an expansion of his first (*Narrative of the Life of Frederick Douglass*), discussing in greater detail his transition from bondage to liberty. *Life and Times of Frederick Douglass* is Frederick Douglass' third autobiography in which he gave more details about his life as a slave and his escape from slavery in this volume than he could in his two previous autobiographies. Frederick Douglass (1818 -1895) was an African-American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, gaining note for his dazzling oratory and incisive antislavery writings.

**Narrative of the Life of Frederick Douglass** Nov 22 2021 Frederick Douglass's

dramatic autobiographical account of his early life as a slave in America. Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. With an Introduction by Peter J. Gomes and an Afterword by Gregory Stephens

**The Lives of Frederick  
Douglass** Jun 25 2019  
Frederick Douglass's  
changeable sense of his own  
life story is reflected in his  
many conflicting accounts of  
events during his journey from

slavery to freedom. Robert S. Levine creates a fascinating collage of this elusive subject—revisionist biography at its best, offering new perspectives on Douglass the social reformer, orator, and writer.

*Women in the World of Frederick Douglass* Mar 27 2022 "This biography of the circle of women around Frederick Douglass [examines] the connections between his public and private life [and reveals] connections among enslaved women, free black women, abolitionist circles, and nineteenth-century politics and culture in the North and South before and after the Civil War"-

**The Slaves** Jul 31 2022 "The Slaves" is nothing but Frederick Douglass's groundbreaking autobiography and his first book "Narrative of the Life of Frederick Douglass, An American Slave, written by Himself". We have renamed the title here as "The Slaves" to keep the title short as well as to establish that Frederick Douglass is no longer a name

of a particular slave born in nineteenth-century America, but a name that represents slaves of the entire world and of all time. Even though, we do not wish anyone to be born into slavery anymore like Frederick was, we have taken him as a symbol of all the slaves as a wish that all who are still in slavery may have the spirit of Frederick Douglass and fight their ways to the freedom and work to free other slaves to make the slavery history. The life of Frederick, in one way or another, is the lives of all other slaves. Hence, we have named this version of his book "The Slaves".

*Narrative of the Life of Frederick Douglass* Apr 27 2022 Frederick Douglass was born in slavery as Frederick Augustus Washington Bailey near Easton in Talbot County, Maryland. He was not sure of the exact year of his birth, but he knew that it was 1817 or 1818. As a young boy he was sent to Baltimore, to be a house servant, where he learned to read and write, with the assistance of his master's

wife. In 1838 he escaped from slavery and went to New York City, where he married Anna Murray, a free colored woman whom he had met in Baltimore. Soon thereafter he changed his name to Frederick Douglass. In 1841 he addressed a convention of the Massachusetts Anti-Slavery Society in Nantucket and so greatly impressed the group that they immediately employed him as an agent. He was such an impressive orator that numerous persons doubted if he had ever been a slave, so he wrote Narrative Of The Life Of Frederick Douglass. During the Civil War he assisted in the recruiting of colored men for the 54th and 55th Massachusetts Regiments and consistently argued for the emancipation of slaves. After the war he was active in securing and protecting the rights of the freemen. In his later years, at different times, he was secretary of the Santo Domingo Commission, marshal and recorder of deeds of the District of Columbia, and United States Minister to Haiti.

His other autobiographical works are My Bondage And My Freedom and Life And Times Of Frederick Douglass, published in 1855 and 1881 respectively. He died in 1895. **Frederick Douglass:  
Autobiographies (LOA #68)**

Mar 15 2021 Henry Louis Gates, Jr. presents the only authoritative edition of all three autobiographies by the escaped slave who became a great American leader. Here in this Library of America volume are collected Frederick Douglass's three autobiographical narratives, now recognized as classics of both American history and American literature. Writing with the eloquence and fierce intelligence that made him a brilliantly effective spokesman for the abolition of slavery and equal rights, Douglass shapes

an inspiring vision of self-realization in the face of monumental odds. *Narrative of the Life of Frederick Douglass, an American Slave* (1845), published seven years after his escape, was written in part as a response to skeptics who refused to believe that so articulate an orator could ever have been a slave. A powerfully compressed account of the cruelty and oppression of the Maryland plantation culture into which Douglass was born, it brought him to the forefront of the anti-slavery movement and drew thousands, black and white, to the cause. In *My Bondage and My Freedom* (1855), Douglass expands the account of his slave years. With astonishing psychological penetration, he probes the painful ambiguities and subtly corrosive effects of black-white relations under slavery, and recounts his determined resistance to segregation in the North. The book also incorporates extracts from Douglass's speeches, including the searing "What to the Slave Is the Fourth of July?" Life and

Times, first published in 1881, records Douglass's efforts to keep alive the struggle for racial equality during Reconstruction. John Brown, Abraham Lincoln, William Lloyd Garrison, and Harriet Beecher Stowe all feature prominently in this chronicle of a crucial epoch in American history. The revised edition of 1893, presented here, includes an account of his controversial diplomatic mission to Haiti. This volume contains a detailed chronology of Douglass's life, notes providing further background on the events and people mentioned, and an account of the textual history of each of the autobiographies. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn

bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Narrative of the Life of Frederick Douglass and Other Works Jan 31 2020 “If there is no struggle, there is no progress.”—Frederick Douglass Born into slavery in Talbot County, Maryland, Frederick Douglass became a champion of the abolitionist movement after escaping to the North in 1838. Douglass later remarked upon his arrival in New York, “I have often been asked how I felt when I first found myself on free soil. And my readers may share the same curiosity.” Readers did indeed share in this curiosity and Douglass became a much-admired orator and writer, active in both the abolitionist and the women’s suffrage movements. Douglass is best remembered through his autobiography, *Narrative of the Life of Frederick Douglass, an American Slave, Written By Himself*. This, *My Bondage and My Freedom*, and several of Douglass’ speeches offer

important glimpses into American history and are now available in a chic and affordable edition as part of the Word Cloud Classics series from Canterbury Classics.

**Harriet Tubman** Jan 13 2021 A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an “underground railroad” that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she’d left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an

insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this “well-written and moving life of the ‘Moses of her people’” (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

### **Delphi Complete Works of Frederick Douglass**

**(Illustrated)** Nov 30 2019

Born into slavery, Frederick Douglass became a prominent social reformer, abolitionist, orator and statesman, who led an intriguing life. After escaping from slavery in Maryland, he became a

national leader of the abolitionist movement in Massachusetts and New York, winning acclaim for his outstanding ability as an orator. Douglass wrote three autobiographies, chronicling his life’s experiences as a slave and social reformer, as well as penning incisive antislavery writing. His oratorical and literary brilliance thrust him into the forefront of U.S politics and he became the first African American to be nominated for Vice President. This comprehensive eBook presents Douglass’ complete published works, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material. (Version 1) \* Beautifully illustrated with images relating to Douglass’ life and works \* Concise introductions to the texts \* All of the autobiographies, with individual contents tables \* Features Douglass’ rare novella, ‘The Heroic Slave’, inspired by Madison Washington’s famous slave ship rebellion \* Images of how

the books were first published, giving your eReader a taste of the original texts \* Excellent formatting of the texts \* Includes rare essays and speeches \* Features three biographies, including James Monroe Gregory's seminal memoir, which preserves many of Douglass' orations \* Scholarly ordering of texts into chronological order and genres Please visit [www.delphiclassics.com](http://www.delphiclassics.com) to browse through our range of exciting titles

**Frederick Douglass and Ireland** Oct 22 2021 Frederick Douglass spent four months in Ireland at the end of 1845 that proved to be, in his own words, 'transformative'. He reported that for the first time in his life

he felt like a man, and not a chattel. Whilst in residence, he became a spokesperson for the abolition movement, but by the time he left the country in early January 1846, he believed that the cause of the slave was the cause of the oppressed everywhere. This book adds new insight into Frederick Douglass and his time in Ireland. Contemporary newspaper accounts of the lectures that Douglass gave

during his tour of Ireland (in Dublin, Wexford, Waterford, Cork, Limerick, and Belfast) have been located and transcribed. The speeches are annotated and accompanied by letters written by Douglass during his stay. In this way, for the first time, we hear Douglass in his own words. This unique approach allows us to follow the journey of the young man who, while in Ireland, discovered his own voice.
