Kindly say, the Without Fear Of Being Happy Lula The Workers Party And Brazil Emir Sader And Ken Silverstein is universally compatible with any devices to read

Autos and Progress Oct 15 2021 Autos and Progress reinterprets twentieth-century Brazilian history through automobiles, using them as a window for understanding the nation's struggle for modernity in the face of its massive geographical size, weak central government, and dependence on agricultural exports. Among the topics Wolfe touches upon are the first sports cars and elite consumerism; intellectuals' embrace of cars as the key for transformation and unification of Brazil; Henry Ford's building of a company town in the Brazilian jungle; the creation of a transportation infrastructure; democratization and consumer culture; auto workers and their creation of a national political party; and the economic and environmental impact of autos on Brazil. This focus on Brazilians' fascination with automobiles and their reliance on auto production and consumption as keys to their economic and social transformation, explains how Brazil--which enshrined its belief in science and technology in its national slogan of Order and Progress--has differentiated itself from other Latin American nations. Autos and Progress engages key issues in Brazil around the meaning and role of race in society and also addresses several classic debates in Brazilian studies about the nature of Brazil's great size and diversity and how they shaped state-making.

The Transformation of the Workers' Party in Brazil, 1989-2009 Nov 23 2019 Drawing on historical institutionalism and strategic frameworks, this book analyzes the evolution of the Workers' Party between 1989, the year of Lula's first presidential bid, and 2009, when his second presidential term entered its final stretch. The book's primary purpose is to understand why and how the once-radical Partido dos Trabalhadores (PT) moderated the programmatic positions it endorsed and adopted other aspects of a more catch-all electoral strategy, thereby increasing its electoral appeal. At the same time, the book seeks to shed light on why some of the PT's distinctive normative commitments and organizational practices have endured in the face of adaptations aimed at expanding the party's vote share. The conclusion asks whether, in the face of these changes and continuities, the PT can still be considered a mass organized party of the left.

Delphi Complete Works of Henryk Sienkiewicz (Illustrated) Apr 09 2021 The Polish author Henryk Sienkiewicz is best remembered for his historical novels, particularly the internationally known bestseller 'Quo Vadis'. Eleven On Top May 10 2021 Someone wants to put Stephanie six foot under... Leaving her career as a bounty hunter behind

won't be so easy for Stephanie Plum, as disaster follows wherever she goes. *Eleven On Top* is the hilarious and fast-paced adventure in the Stephanie Plum series by Janet Evanovich, perfect for fans of Sue Grafton and JD Robb. Praise for the Stephanie Plum series: 'Stephanie Plum in ass-kicking form... utterly delightful' (Cosmopolitan); 'Plum is not just a smart private eye but a heroine with a sense of humour' (Daily Mail); 'Chutzpah and sheer comic inventiveness' (Washington Post). She's had enough. Stephanie Plum has finally quit bounty hunting and is in the market for a new job. Preferably one which doesn't involve being shot at, blown up or kidnapped. The trouble is, she can't stop wondering about the missing men who all disappeared, without a trace, on the same day. And her super-hot mentor Ranger is making her an offer she can't refuse. Oh, and she's still got someone determined to kill her. It's starting to seem like it's not the job that's the disaster attractor... What readers are saying about *Eleven On Top*: 'Janet Evanovich has created a memorable scene and laugh every page and a half. That's tough to do - but she's done it!' 'The best of crime, romance, mystery and humour' 'Excellent work by Janet Evanovich who gives her readers nothing less than perfection'

A History of Brazil Nov 04 2020 A clearly structured and well-informed synthesis of developments and events in Brazilian history from the colonial period to the present, this volume is aimed at non-specialized readers and students, seeking a straightforward introduction to this unique Latin American country. Divided chronologically into five main historical periods - Colonial Brazil, Empire, the First Republic, the Estado Novo and events from 1964 to the present - the book explores the politics, economy, society, and diplomacy during each phase. The emphasis on diplomacy is particularly original and adds an unusual dimension to the book.

Reclaim the State Nov 16 2021 From England to Brazil, and Norway to China, Hilary Wainwright sets out on a quest to discover how people are creating new, stronger forms of democracy.

Brazilian Legacies Dec 17 2021 Focusing on Brazil, this text covers issues such as: the legacy of colour; social realities; and diversions and assertive behaviour.

Sizzling Sixteen Aug 13 2021 It's dangerous to owe money to a mobster... Stephanie Plum inherits a 'lucky' bottle from her uncle pip in *Sizzling Sixteen*, but is it good luck or bad luck? Janet Evanovich's hilarious and thrilling Stephanie Plum series is not to be missed by fans of JD Robb and Lee Child. Raves for Evanovich's bestselling series: 'A laugh a minute against a background of dastardly crime with a ditzy heroine and two - yes TWO - of the hottest heroes ever created' (Woman's Weekly); 'A laugh-out-loud page-turner' (Heat). Stephanie Plum's no-good cousin and boss, Vinnie, has been kidnapped over gambling debts - and if there's no Vinnie, that means she's out of a job. But until the bond office closes, she's got bounty hunting to do: not least for an elderly bigamist and a drug dealer with a six-foot pet alligator. Can they find Vinnie in time? Will Stephanie ever get engaged to her hot cop boyfriend Morelli? And exactly what kind of luck is she hoping for anyway? What readers are saying about *Sizzling Sixteen*: 'This novel will have you laughing out loud and sympathising with Stephanie in more ways than you thought possible' 'The Stephanie Plum series simply has to be the greatest work of fiction ever written' 'Stephanie doing what she does best - causing mayhem'

Monthly Review Aug 25 2022

Latin America's Turbulent Transitions Dec 05 2020 Over the past few years, something remarkable has occurred in Latin America. For the first time since the Sandinista Revolution in Nicaragua in the 1980s, people within the region have turned toward radical left governments - specifically in Venezuela, Bolivia, and Ecuador. Why has this profound shift taken place and how does this new, so-called Twenty-First-Century Socialism actually manifest itself? What are we to make of the often fraught relationship between the social movements and governments in these countries and do, in fact, the latter even qualify as 'socialist' in reality? These are the bold and critical questions that *Latin America's Turbulent Transitions* explores. The authors provocatively argue that although US hegemony in the region is on the wane, the traditional socialist project is also declining and something new is emerging. Going beyond simple conceptions of 'the left', the book reveals the true underpinnings of this powerful, transformative, and yet also complicated and contradictory process.

Journalism and Political Democracy in Brazil Sep 26 2022 Journalism and Political Democracy in Brazil is an investigation into the complexities of the relationship established between the media and the government in the aftermath of the Brazilian dictatorship. It examines the role of the mainstream press in the process of the democratization of the Latin American nation from 1984 to 2002 and questions to what extent the communications industry was able to offer contributions to the creation of wider democratic spaces for debate in the media's public sphere. Matos concludes that the commercial media did have a role in advancing the cause of democracy in Brazil, though limited by political and economic constraints. By focusing on the analysis of key post-dictatorship political and presidential campaigns, this book discusses the inherent tension between the media and the Brazilian state and shows how crucial the impact of these campaigns was in the formation of power hierarchies in society and politics. An important work that highlights the struggle for the wider inclusion social and political players in the media's ongoing dialogue on democratization, *Journalism and Political Democracy in Brazil* provides a picture of the forms of media that have grown out of the diverse political interests of Brazilian society.

Southland Sep 21 2019

The Political Role of the Military Jun 11 2021 In Western, developing, and totalitarian countries alike, the armed forces are powerful political organizations that play key roles in domestic politics. Yet, the literature on civilian-military relations provides few comparative examinations of the military's political role. In 27 chapters devoted to representative countries, this handbook looks at the varying roles the military plays around the world. Each chapter traces the historical background of the civil-military relations in the country, identifies and analyzes the processes the military uses to exert political influence, evaluates the success and results of the military's political role, and projects future developments.

Encyclopedia of Contemporary Latin American and Caribbean Cultures Jan 06 2021 This vast three-volume Encyclopedia offers more than 4000 entries on all aspects of the dynamic and exciting contemporary cultures of Latin America and the Caribbean. Its coverage is unparalleled with more than 40 regions discussed and a time-span of 1920 to the present day. "Culture" is broadly defined to include food, sport, religion, television, transport, alongside architecture, dance, film, literature, music and sculpture. The international team of contributors include many who are based in Latin America and the Caribbean making this the most essential, authoritative and authentic Encyclopedia for anyone studying Latin American and Caribbean studies. Key features include: * over 4000 entries ranging from extensive overview entries which provide context for general issues to shorter, factual or biographical pieces * articles followed by bibliographic references which offer a starting point for further research * extensive cross-referencing and thematic and regional contents lists direct users to relevant articles and help map a route through the entries * a comprehensive index provides further guidance.

Acoustic Music Source Book Aug 21 2019 Bill Bay asked me to write a follow up book to my last book, "The Bluegrass Pickers Tune Book (20233). If you like Bluegrass music (232 songs) I'd recommend getting that book to add to your collection. the focus of this book, the Acoustic Source Book is on roots and old-time music. the book is focused on the time period from late 1800's until 1940's. There are a few songs from the Bluegrass Book that were too important to be

left out. I decided not to use any patriotic and Christmas songs and came up with a list of about 400 songs which eventually was cut down to over 200. During the late 1800's and early 1900's there was an important evolution in American music; the birth of jazz, ragtime, and blues. This was also the period of the phonograph and early commercial recordings. Music from the Minstrel period as well as traditional songs were used as staple for the roots musicians. In the early 1900's there were rags, blues, gospel, Tin-Pan-Alley, jug band, spiritual, old-time country and popular songs. I've tried to include some of the well-known songs from every genre to give you a big slice of Americana. There are some great songs that are popular roots, bluegrass and old-time songs today that have never been published. There are also great songs that are not well known that should be played and enjoyed. Richard Matteson with Kara Pleasants Wildwood Flower <http://www.youtube.com/watch?v=K09Xde2bdwA> Paul & Silas <http://www.youtube.com/watch?v=Bv5Tmaff9HQ> Meet Me By the Moonlight <http://www.youtube.com/watch?v=2gwzCZfnG64> Scarborough Fair http://www.youtube.com/watch?v=grbxMlz_DlI Water is Wide <http://www.youtube.com/watch?v=P-hZkxWs8gs> Richard Matteson with Jessica KasterBarbara Allen <http://www.youtube.com/watch?v=uX6PE80W4Pw> In the Pines <http://www.youtube.com/watch?v=MtOL9Id5TW4> Hop Along Peter http://www.youtube.com/watch?v=K5kAzSQ_rU Ain't Gonna Lay my Armor Down http://www.youtube.com/watch?v=wsBYRuT2_FU Metal that Will not Bend Apr 28 2020 In the 1980s there was a surge of trade union power in South Africa. The National Union of Metalworkers of South Africa (Numsa) was prominent and innovative in this assertion of muscle. Metal that does not Bend traces Numsa's accumulation, from a few small unions in a handful of factories to the staging of national strikes involving thousands of workers in auto and engineering. It examines how the union used its influence in macroeconomic and political arenas. Numsa was Cosatu's most radical socialist affiliate, and the book explores its attempts to implement its vision. Historians have framed apartheid's downfall as resulting from the activities of the exiled liberation movement, global anti-apartheid boycott strategies and internal township insurrection. This book reassesses the critical role of the internal labour movement.

Ballou's Dollar Monthly Magazine Jun 18 2019

Utopia Unarmed Mar 08 2021 Castro's Cuba is isolated; the guerrillas who once spread havoc through Uruguay and Argentina are dead, dispersed, or running for office as moderates. And in 1990, Nicaragua's Sandinistas were rejected at the polls by their own constituents. Are these symptoms of the fall of the Latin American left? Or are they merely temporary lulls in an ongoing revolution that may yet transform our hemisphere? This perceptive and richly eventful study by one of Mexico's most distinguished political scientists tells the story behind the failed movements of the past thirty years while suggesting that the left has a continuing relevance in a continent that suffers from destitution and social inequality. Combining insider's accounts of intrigue and armed struggle with a clear-sighted analysis of the mechanisms of day-to-day power, Utopia Unarmed is an indispensable work of scholarship, reportage, and political prognosis.

Ten Big Ones Jul 12 2021 Not every witness protection programme is fool proof... Stephanie Plum finds herself in the wrong place at the wrong time in Ten Big Ones, the tenth gripping adventure in the Stephanie Plum series by Janet Evanovich. The perfect read for fans of Harlan Coben and Lee Child. Raves for Evanovich: 'No less than her plotting, Evanovich's characterisations are models of screwball artistry. The intricate plot machinery of her comic capers is fuelled by inventive twists' (The New York Times); 'A laugh-out-loud page-turner' (Heat); 'Non-stop laughs with plenty of high jinks' (USA Today). As the only witness able to ID a gang member who has been firebombing local deli-marts, Stephanie is working overtime avoiding death threats and attempts on her life. New Jersey's hottest cop, Joe Morelli, would be more than happy to keep her safe in his house. So would her irresistible mentor, Ranger. Stephanie doesn't know which is worse: the death threats, the overprotective men in her life, or her sister's nightmare wedding. But she does know that she's never been one to hide... What readers are saying about Ten Big Ones: 'In classic Evanovich style, the writing is superb, the plot is miraculous and the emotions run right off the page' 'Packed with humour, suspense, passion and action, Ten Big Ones proves that Janet Evanovich is at the top of her game' 'Thrilling with a wicked sense of humour pervading the book'

Being Human Sep 14 2021 Being Human examines the complex connections among conceptions of human nature, attitudes toward non-human nature, and ethics. Anna Peterson proposes an "ethical anthropology" that examines how ideas of nature and humanity are bound together in ways that shape the very foundations of cultures. Peterson discusses mainstream Western understandings of what it means to be human, as well as alternatives to these perspectives, and suggests that the construction of a compelling, coherent environmental ethics will revise our ideas not only about nature but also about what it means to be human.

Benedita Da Silva Dec 25 2019 A champion of the poor and advocate for women, Afro-Brazilian Senator Benedita de Silva shares the sometimes heart wrenching, always inspiring story of her life. Illustrations & photos.

In this volume eminent Latin American scholars and activists explore their collective future. They analyze a wide range of issues, including economic alternatives to neoliberal policies,

Lula the Dog Jul 20 2019 After following a butterfly into the jungle, Lula gets lost but finds some new jungle friends, Lion, Turtle, Monkey, and Parrot, who are happy to help her get back home to her worried human mother. Lula learns important life lessons like helping others and staying close to her mama.

Stephanie Plum One, Two, Three Mar 28 2020 Three complete novels: One for the Money, Two for the Dough, and Three to Get Deadly, from the New York Times #1 bestselling author, Janet Evanovich! Here's where it all began—the three novels that first brought us Stephanie Plum, that bounty hunter with attitude who stepped out of Trenton's blue-collar "burg" and into the heart of America. One for the Money: Stephanie's all grown up and out on her own, living five miles from Mom and Dad and doing her best to sever the world's longest umbilical cord. Her mother is a meddler and her grandmother is a few cans short of a case. Out of work and out of money, Stephanie blackmails her bail-bondsman cousin Vinnie into giving her a try as an apprehension agent. Stephanie knows zilch about the job requirements, but she figures her new pal, el-primo bounty hunter Ranger, can teach her what it takes to catch a crook. Her first assignment: nail Joe Morelli, a former vice cop on the run from a charge of murder one. Morelli's the inamorato who charmed Stephanie out of her virginity at age sixteen. There's still powerful chemistry between them, so the chase is interesting. Two for the Dough: Stephanie takes to the mean streets of Trenton, armed with attitude (not to mention stun guns and defense sprays), to find Kenny Mancuso, who recently shot his best friend and is on the run. Aided by the enigmatic Ranger, who knows a thing or two about bounty hunting, and by her irrepressible Grandma Mazur, Stephanie forms a shaky alliance with her favorite cop, Joe Morelli, for a tumultuous chase through back alleys and Grandma's favorite funeral parlors. Three to Get Deadly: Stephanie is having a bad hair day—for the whole month of January. She's looking for Mo Bedemier, Trenton's most beloved citizen, who was charged with carrying concealed and skipped bail. To help her, she's got Lula, a former hooker turned file clerk. Big, blonde, and black, Lula's itching to lock up a crook in the trunk of her car. And Morelli, the cop with the slow-burning smile, is acting polite even after Stephanie finds more bodies than the Trenton PD has seen in years. That's a bad sign for sure. Funny and fabulous, Janet Evanovich is at her sparkling best in these three novels that launched a bestselling phenomenon.

In Amazonia Feb 07 2021 The Amazon is not what it seems. As Hugh Raffles shows us in this captivating and innovative book, the world's last great wilderness has been transformed again and again by human activity. In Amazonia brings to life an Amazon whose allure and reality lie as much, or more, in what people have made of it as in what nature has wrought. It casts new light on centuries of encounter while describing the dramatic remaking of a sweeping landscape by residents of one small community in the Brazilian Amazon. Combining richly textured ethnographic research and lively historical analysis, Raffles weaves a fascinating story that changes our understanding of this region and challenges us to rethink what we mean by "nature." Raffles draws from a wide range of material to demonstrate--in contrast to the tendency to downplay human agency in the Amazon--that the region is an outcome of the intimately intertwined histories of humans and nonhumans. He moves between a detailed narrative that analyzes the production of scientific knowledge about Amazonia over the centuries and an absorbing account of the extraordinary transformations to the fluvial landscape carried out over the past forty years by the inhabitants of Igarapé Guariba, four hours downstream from the nearest city. Engagingly written, theoretically inventive, and vividly illustrated, the book introduces a diverse range of characters--from sixteenth-century explorers and their native rivals to nineteenth-century naturalists and contemporary ecologists, logging company executives, and river-traders. A natural history of a different kind, *In Amazonia* shows how humans, animals, rivers, and forests all participate in the making of a region that remains today at the center of debates in environmental politics.

Democracy Unbound May 30 2020 David Reynolds explains how grassroots activists are translating mass discontent into new people-driven parties in America. This is the first and only book to look beyond the superficial media coverage of Ross Perot to the real movement for fundamental change.

Securing Democracy Oct 23 2019 In 2019, award-winning journalist Glenn Greenwald writes in this gripping new book, "a series of events commenced that once again placed me at the heart of a sustained and explosive journalistic controversy." New reporting by Greenwald and his team of Brazilian journalists brought to light stunning information about grave corruption, deceit, and wrongdoing by the most powerful political actors in Brazil, his home since 2005. These stories, based on a massive trove of previously undisclosed telephone calls, audio, and text shared by an anonymous source, came to light only months after the January 2019 inauguration of Brazil's far-right president, Jair Bolsonaro, an ally of President Trump. The revelations "had an explosive impact on Brazilian politics" (*The Guardian*) and prompted serious rancor, including direct attacks by President Bolsonaro himself, and ultimately an attempt by the government to criminally prosecute Greenwald for his reporting. "A wave of death threats--in a country where political violence is commonplace--have poured in, preventing me from ever leaving my house for any reason without armed guards and an armored vehicle," Greenwald writes. *Securing Democracy* takes readers on a fascinating ride through Brazilian politics as Greenwald, his husband, the left-wing Congressman David Miranda, and a powerful opposition movement courageously challenge political corruption, homophobia, and tyranny. While coming at serious personal costs for himself and his family, Greenwald writes, "I have no doubt at all that the revelations we were able to bring to the public strengthened Brazilian democracy in an enduring and fundamental way. I believe we righted wrongs, reversed injustices, and exposed grave corruption." The story, he concludes, "highlights the power of transparency and the reason why a free press remains the essential linchpin for securing democracy."

Encyclopedia of Activism and Social Justice Oct 03 2020 The *Encyclopedia of Activism and Social Justice* presents a comprehensive overview of the field with topics of varying dimensions, breadth, and length. This three-volume *Encyclopedia* is designed for readers to understand the topics, concepts, and ideas that motivate and shape the fields of activism, civil engagement, and social justice and includes biographies of the major thinkers and leaders who have influenced and continue to influence the study of activism.

In Vain Jan 18 2022 DigiCat Publishing presents to you this special edition of "In Vain" by Henryk Sienkiewicz. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Social Sciences Sep 02 2020 Beginning with volume 41 (1979), the University of Texas Press became the publisher of the *Handbook of Latin American Studies*, the most comprehensive annual bibliography in the field. Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines, the *Handbook* alternates from year to year between social sciences and humanities. The *Handbook* annotates works on Mexico, Central America, the Caribbean and the Guianas, Spanish South America, and Brazil, as well as materials covering Latin America as a whole. Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas. The *Handbook of Latin American Studies* is the oldest continuing reference work in the field. Katherine D. McCann is acting editor for this volume. The subject categories for Volume 57 are as follows: Electronic Resources for the Social Sciences Anthropology Economics Geography Government and Politics International Relations Sociology

Reassessing the Pink Tide Jan 26 2020 This book evaluates the record of the Left in Brazil and Venezuela, two key cases of the "pink tide" wave. The wave of Left governments that emerged across Latin America in the early 2000s - a process dubbed the "pink tide" - has been on the wane in recent years. The Left regimes that, at one point, seemed unbeatable have either been defeated at the ballot, ousted through coups or have had to contend with increasing economic and political conflicts which have nullified many of their achievements. This book argues - like many voices on the Left today - that the waning of the "pink tide" in the region must be viewed in the context of the Left's inability to initiate radical structural changes in its constituencies. At the same time, however, the book makes the case for a more nuanced and balanced evaluation of the development record of the Left than is often done. In doing so, it seeks to go beyond the reform-revolution binary that has blinkered recent assessments and intends to highlight alternative paths that the Left could have taken.

Without Fear of Being Happy Oct 27 2022 No Marketing Blurbs

No Place to Hide Aug 01 2020 Perfect for readers of Jodi Picoult, Diane Chamberlain, and Heather Gudenkauf, *No Place to Hide* is an intimate and deeply moving story of one woman's desperate attempt to escape a troubled past--and the haunting mystery she's forced to confront. Fleeing her native England with her three-year-old daughter, Justine Cantrell gives herself a new name and a new life in America. In a quiet midwestern town on the shores of glittering Lake Maxinkuckee, Justine hopes to recapture the fleeting days of happiness in the long-ago summers she spent with her grandmother. And though her memories of that time are scant, Justine knows they must have shared a special bond. After all, the power of her grandmother's love has pulled her back to this haven in search of a new beginning. But fate has other plans. The more Justine gets to know the small town and its people, the more she realizes that her grandmother had her own

devastating secrets—secrets that will soon threaten Justine just as surely as her own dark memories. Praise for Susan Lewis “A master storyteller.”—Diane Chamberlain “This emotionally charged story keeps you at the edge of your seat.”—RT Book Reviews, on *Behind Closed Doors* “[A] moving and piquantly beautiful novel of friendship, family and the power of love.”—The Gazette (Blackpool, UK), on *Never Say Goodbye* Look for special features inside. Join the Random House Reader’s Circle for author chats and more.

Turbo Twenty-Three May 22 2022 A killer is out to make sure someone gets his just desserts... Stephanie Plum has a lot on her plate as she goes undercover in an ice-cream factory in Turbo Twenty-Three, the laugh-out-loud adventure by No. 1 bestselling author Janet Evanovich. The Stephanie Plum series is perfect for fans of Sue Grafton and Lee Child. Raves for the Stephanie Plum series: 'Plum is not just a smart private eye but a heroine with a sense of humour' (Daily Mail); 'Utterly delightful' (Cosmopolitan); 'As smart and sassy as high-gloss wet paint' (Time Out). Bounty hunter Stephanie Plum has been on countless crime scenes, but this is definitely a first. Her fleeing target has left behind a truck loaded with ice cream and a dead body - frozen solid and covered in chocolate. As fate would have it, Stephanie's mentor Ranger needs her to go undercover at the ice cream factory to find out who's killing employees. It's going to be hard for Stephanie to keep her hands off all that ice cream, and even harder for her to keep her hands off Ranger. It's also going to be hard to explain to Trenton's hottest cop, Joe Morelli, why she is spending late nights with Ranger... What readers are saying about Turbo Twenty-Three: 'Another fabulous read by Janet Evanovich. I couldn't put it down' 'Fast-paced, smart and sassy, just how I like Stephanie Plum to be' 'Just as hilarious and fresh as the first'

Compulsion Apr 21 2022 Beautiful Creatures meets The Body Finder in *Compulsion*, the first novel in a spellbinding new trilogy. All her life, Barrie Watson has been a virtual prisoner in the house where she lived with her shut-in mother. When her mother dies, Barrie promises to put some mileage on her stiletto heels. But she finds a new kind of prison at her aunt's South Carolina plantation instead—a prison guarded by an ancient spirit who long ago cursed one of the three founding families of Watson Island and gave the others magical gifts that became compulsions. Stuck with the ghosts of a generations-old feud and hunted by forces she cannot see, Barrie must find a way to break free of the family legacy. With the help of sun-kissed Eight Beaufort, who knows what Barrie wants before she knows herself, the last Watson heir starts to unravel her family's twisted secrets. What she finds is dangerous: a love she never expected, a river that turns to fire at midnight, a gorgeous cousin who isn't what she seems, and very real enemies who want both Eight and Barrie dead.
