Ruben Dario Centennial Studies Apr 15 2021 Rubén Darío (1867-1916), the undisputed standard-bearer of the Modernist movement in Hispanic letters, was born in Nicaragua. In 1886 he went to Chile, where he published *Azul* (1888), his first important book of poems and stories. Later he lived for extended periods in Argentina, Spain, and France, and in these countries produced his best work: compelling poems of beauty, style, and dignity, especially *Cantos de vida y esperanza* (1905). The perfection of form, exotic essences, and rich ornamentation of his earlier work give way in his most mature poems to self-probings and doubts, the anguish so characteristic of twentieth-century literature. But the hedonistic note, the quenchless appetite for life, dominating *Azul* and *Prosas profanas* (1896) never die out, and are magnificently present in *El poema del otoño* (1910). Darío has had a tremendous impact on Hispanic literature. He is one of the best examples of the poet who is true to his art as determined by his innermost impulses. His poetry has fertilized a whole generation of writers in Spanish America and in Spain, and even now his influence continues to be felt.

Selected Writings (Dario, Ruben) Feb 23 2022 Born in Nicaragua, Rubén Darío is known as the consummate leader of the Modernista movement, an esthetic trend that swept the Americas from Mexico to Argentina at the end of the nineteenth century. Seeking a language and a style that would distinguish the newly emergent nations from the old imperial power of Spain, Darío's writing offered a refreshingly new vision of the world—an artistic sensibility at once cosmopolitan and connected to the rhythms of nature. The first part of this collection presents Darío's most significant poems in a bilingual format and organized thematically in the way Darío himself envisioned them. The second part is devoted to Darío's prose, including short stories, fables, profiles, travel writing, reportage, opinion pieces, and letters. A sweeping biographical introduction by distinguished critic Ilan Stavans places Darío in historical and artistic context, not only in Latin America but in world literature. Rubén Darío and the Romantic Search for Unity Aug 08 2020 Modernism was the major Spanish American literary movement of the late nineteenth and early twentieth centuries. Leader of that influential movement was Rubén Darío, the Nicaraguan now recognized as one of the most important Hispanic poets of all time. Like the Romantics in England and the Symbolists on the Continent, Darío and other Modernists were strongly influenced by occultist thought. But, as the poet Octavio Paz has written, "academic criticism has ... preferred to close its eyes to the stream of occultism that runs throughout Darío's work. This silence damages our comprehension of his poetry." Cathy Login Jrade's groundbreaking study corrects this critical oversight. Her work clearly demonstrates that esoteric tradition is central to Modernism and that an understanding of this centrality clarifies both the nature of the movement and its relationship to earlier European literature. After placing Modernism in a broad historical and literary perspective, Jrade examines the impact of esoteric beliefs upon Darío's view of the world and the role of poetry in it. Through detailed and insightful analyses of key poems, she explores the poet's quest for solutions to the nineteenth-century crisis of belief. The movement that

Rubén Darío headed brought Hispanic poetry into the mainstream of the "modern tradition," with its sense of fragmentation and alienation and its hope for integration and reconciliation with nature. Rubén Darío and the Romantic Search for Unity enriches our understanding of that movement and the work of its leading poet.

7 Best Short Stories by James Joyce Jul 19 2021 James Joyce was an Irish, modernist writer who wrote in a ground-breaking style that was known both for its complexity and explicit content. He also participated in the early days of poetic modernism in the English language, being considered by Ezra Pound one of the most eminent poets of imagism. Although Joyce has lived outside his native Irish island for most of adult life, his Irish identity was essential to his work and provide him with all the ambiance and much of the theme of his work. His fictional universe is rooted heavily in Dublin and reflects his family life and events, friendships and enmities from school and college times. In this way, he is at the same time one of the most cosmopolitan and one of the most particularists of the modernist authors of English language. In this anthology the critic August Nemo presents seven short stories that bring the most emblematic elements of the style of this important author: *The Sisters* * *Eveline* * *Araby* * *A Painful Case* * *The Dead* * *Two Gallants* * *After the Race*

Azul (Cuentos y Poemas) Jun 29 2022 Azul... es un libro de cuentos y poemas considerado una de las obras más relevantes del modernismo. Cantos de vida y esperanza, los cisnes y otros poemas Mar 03 2020 *Cantos de vida y esperanza* es un libro de poemas de Rubén Darío, máximo exponente del modernismo hispanoamericano, publicado por primera vez en España en 1905. De acuerdo con el mismo autor, el libro fue escrito en su plena madurez: "Si *Azul...* simboliza el comienzo de mi primavera, y *Prosas profanas* mi primavera plena, *Cantos de vida y esperanza* encierra las esencias y sabias de mi otoño." *Cantos de vida y esperanza* marca un cambio en la estética de su poesía, la cual había estado caracterizada por un lenguaje con amplias referencias exóticas, por su cosmopolitismo, por el uso constante de ciertos símbolos, como el del cisne o el color azul, por el empleo de formas métricas en desuso, o por el desarrollo de temas como el erotismo o el ocultismo. Sin embargo, en este libro adoptó mayor libertad formal, incluyó más temas políticos y sociales, así como mayor contenido crítico con respecto al espíritu de la época.

Azul Nov 03 2022 *Azul...* (1888) is a book of stories and poems by Rubén Darío. Written while the poet was living in Chile, *Azul...* has been recognized as a pioneering work of Hispanic Modernism that launched the career of a leading Latin American poet. Both experimental and traditional, *Azul...* blends Darío's concern over the sustainability of modern life with his abiding interest in the myths and magic of ancient cultures. Infused with classical symbolism, inspired by the myth and philosophy of Ancient Greece, Rubén Darío's *Azul...* bridges the gap between ancient and modern. Rather than focus on the differences between the two, he envisions the past as a living entity, allowing history and fantasy to coincide with the social realities of his time. In these poems and stories, fairies from the plays of Shakespeare appear alongside the working men and women of Latin America. Dreams coincide with a reality mired in poverty, labor, and passionless social climbing. Poets and port workers sing and die in a city of ghostly beauty. *Azul...* is less a book than it is an experience, and nearly a century and a half after its publication it remains one worth the taking. With a beautifully designed cover and professionally typeset manuscript, this edition of Rubén Darío's *Azul...* is a classic of Nicaraguan literature reimagined for modern readers.

Walt Whitman and the World Aug 27 2019 Celebrating the various ethnic traditions that melded to create what we now call American literature, Whitman did his best to encourage an international reaction to his work. But even he would have been startled by the multitude of ways in which his call has been answered. By tracking this wholehearted international response and reconceptualizing American literature, *Walt Whitman and the World* demonstrates how various cultures have appropriated an American writer who ceases to sound quite so narrowly American when he is read into other cultures' traditions.

Con una estrella en la mano (With a Star in My Hand) May 17 2021 Margarita Engle, la aclamada autora y Poeta Juvenil Laureada del Poetry Foundation, entrega una nueva y hermosa novela en verso acerca de Rubén Darío, el poeta nicaragüense y héroe popular que inició el movimiento literario del Modernismo en Hispanoamérica. De niño, a Rubén Darío le gustaba escuchar a su tío abuelo, un hombre que contaba cuentos exagerados con una poderosa voz de trueno. Rubén aprendió bien pronto la magia de contar cuentos y descubrió el embeleso y la belleza del verso. Con su incansable alma romántica, Rubén viajó a través de América Central y América del Sur en busca de aventura y conexión. Mientras descubría nuevos lugares y amores, escribía poemas para expresar la tormenta salvaje de sentimientos. Pero las formas tradicionales eran muy restrictivas. Comenzó a improvisar sus propias formas poéticas para plasmar el mundo entero en sus palabras. A la edad de veintiún años, publicó su primer libro, *Azul*, que anunció un nuevo y vibrante movimiento literario llamado Modernismo que combinaba poesía y prosa y convertía esa mezcla en algo mágico. En sus hermosos poemas, Margarita Engle cuenta la historia de este apasionado joven que revolucionó la literatura mundial.

Azul May 29 2022 Rubén Darío es tal vez el máximo exponente del modernismo literario latinoamericano. Su estilo es rico en imágenes vivas y sugerentes, con una estética que nos remite tanto a paisajes orientales como a cuentos de hadas sirviéndose de una métrica precisa y un léxico altamente evocador. Escrito durante su estancia en Chile, *Azul* marcó la madurez personal y literaria del autor y lo dio a conocer en todo el mundo. Rubén Darío is perhaps the greatest exponent of Latin American literary modernism. His style is rich in lively and suggestive images, with an aesthetic that reminds us of both oriental landscapes and fairy tales using precise metrics and highly evocative vocabulary. Written during his stay in Chile, *Azul* marked the author's personal and literary maturity and made him known throughout the world.

Azul Mar 27 2022 La publicación de *Azul...*(1888) se convirtió en el hito fundacional de la literatura modernista, en el vigoroso cambio de rumbo en la brújula de la sensibilidad artística. Desde el enigmático título hasta la inusual estructura de la obra, compuesta por cuentos y poemas, hacen de este lírico volumen una referencia fundacional del Modernismo: renovación de los temas, ambientes lujosos, galantes y refinados, culturalismo francés, fantasía, obsesiones individuales, técnicas e imágenes impresionistas y un vocabulario exótico y expresivo.

I Promise to Be Good May 05 2020 One of the most written-about literary figures in the past decade, Arthur Rimbaud left few traces when he abandoned poetry at age twenty-one and disappeared into the African desert. Although the dozen biographies devoted to Rimbaud's life depend on one main source for information—his own correspondence—a complete edition of these remarkable letters has never been published in English. Until now. A moving document of decline, Rimbaud's letters begin with the enthusiastic artistic pronouncements of a fifteen-year-old genius, and end with the bitter what-ifs of a man whose life has slipped disastrously away. But whether soapboxing on the essence of art, or struggling under the yoke of self-imposed exile in the desert of his later years, Rimbaud was incapable of writing an uninteresting sentence. As translator and editor Wyatt Mason makes clear in his engaging Introduction, the letters reveal a Rimbaud very different from our expectations. Rimbaud—presented by many biographers as a bohemian wild man—is unveiled as “diligent in his pursuit of his goals . . . wildly, soberly ambitious, in poetry, in everything.” *I Promise to Be Good: The Letters of Arthur Rimbaud* is the second and final volume in Mason's authoritative presentation of Rimbaud's writings. Called by Edward Hirsch “the definitive translation for our time,” Mason's first volume, *Rimbaud Complete* (Modern Library, 2002), brought Rimbaud's poetry and prose into vivid focus. In *I Promise to Be Good*, Mason adds the missing epistolary pieces to our picture of Rimbaud. “These letters,” he writes, “are proofs in all their variety—of impudence and precocity, of tenderness and rage—for the existence of Arthur Rimbaud.” *I Promise to Be Good* allows English-language readers to see with new eyes one of the most extraordinary poets in history.

Azul... / Cantos de vida y esperanza Oct 22 2021 He aquí, resumido, todo Rubén. Fue Azul... en 1888 un grito revolucionario con el que Rubén Darío inauguró el Modernismo. «Es una obra -dijo él mismo- que contiene la flor de la juventud, que exterioriza la interna poesía de las primeras ilusiones y que está impregnada de amor». En efecto, Azul... no sólo proclama una concepción del arte y de la vida, sino que, además, la hace palabra. Y ésta, y su ritmo y armonía, se convierten en revelación de un mundo superior regido por la música en un espacio que eleva la existencia. Cantos de vida y esperanza abre un camino de vuelta hacia los orígenes: la abstracción religiosa, la naturaleza sagrada, el arte como realidad social, el amor como redención.

Selected Poems of Rubén Darío Sep 20 2021 Toward the close of the last century, the poetry of the Spanish-speaking world was pallid, feeble, almost a corpse. It needed new life and a new direction. The exotic, erratic, revolutionary poet who changed the course of Spanish poetry and brought it into the mainstream of twentieth-century Modernism was Félix Rubén García Sarmiento (1867-1916) of Nicaragua, who called himself Rubén Darío. Since its original publication in 1965, this edition of Darío's poetry has made English-speaking readers better acquainted with the poet who, as Enrique Anderson Imbert said, "divides literary history into 'before' and 'after.'" The selection of poems is intended to represent the whole range of Darío's verse, from the stinging little poems of Thistles to the dark, brooding lines of Songs of the Argentine and Other Poems. Also included, in the Epilogue, is a transcript of a radio dialogue between two other major poets, Federico García Lorca of Spain and Pablo Neruda of Chile, who celebrate the rich legacy of Rubén Darío.

Modernism, Rubén Darío, and the Poetics of Despair Jul 07 2020 Modernism, Ruben Darío, and the Poetics of Despair presents a detailed study of a neglected facet of Ruben Darío, and in general, of Hispanic Modernism: metaphysical and existential dimensions as preludes to Modernity. Alberto Acereda and J. Rigoberto Guevara approach the life and death issues in Darío works with special emphasis on his poetry. The authors demonstrate how the Nicaraguan poet takes the first steps towards poetic modernity. The tragic component of Darío works are examined in the light of Nineteenth Century philosophy, especially the work of Arthur Schopenhauer. Various thematic proposals are also formulated for the study of the works of Ruben Darío.

Poesía completa Jul 27 2019 La vida y la obra de Rubén Darío estuvieron marcadas desde su nacimiento por un extraño designio de confusión y equívocos. Su nombre no era su verdadero nombre, sus padres no eran sus verdaderos padres, el país en donde alcanzó la verdadera fama literaria no era el país que le vio nacer, los

primeros juicios que sobre él emitieron personajes ilustres y autorizados se harán populares más tarde de un modo inexacto y ambiguo. Pocos podrían sostener hoy en día que no fue -que no es- el "Poeta de América". De cualquier modo -y cualesquiera que sean sus contradicciones y ambigüedades-, hay un camino en la trayectoria de Darío que nunca podrá ser reversible, el camino de su renovación artística. Más allá de la significación anecdótica de su peripecia vital, más allá del lugar que haya ocupado en el agitado clamor social de la realidad hispanoamericana («¿Tantos millones de hombres hablaremos inglés?»), más allá de lo que los críticos hayan afirmado durante años, el «amor al amor y el amor a la poesía» que derrochó durante toda su vida hicieron de él, no sólo el poeta más universal de América, sino, lo que es mucho más trascendente, el poeta sin cuya obra jamás podría haberse producido la transformación que experimenta durante el siglo XX la poesía escrita en lengua castellana.
