We come up with the money for you this proper as with ease as simple quirk to get those all. We manage to pay for Ian Roberts Finding Out and numerous book collections from fictions to scientific research in any way. along with them is this Ian Roberts Finding Out that can be your partner.

Going Solo Sep 14 2021 Going Solo is the empowering and uplifting story of one woman's choice to become a single mother. 'I hope this story gives hope to anyone who wants children and to anyone who finds themselves single. Not to follow this path necessarily, but to remember that there are always many options.' Aged thirty-seven, single and having experienced two miscarriages, Genevieve Roberts found out that her fertility levels were dwindling. On hearing this news, she made the courageous decision to embark on motherhood solo and eventually became pregnant using a sperm donor. Genevieve describes her initial fear of the prospect of birth without a partner, and the trepidation she felt towards all the responsibility she has taken on. She recounts all the milestones of pregnancy and motherhood that most women share with their partner -- going to NCT classes alone, taking part in birthing workshops with her sister-in-law, her amazement that two people in her pregnancy yoga class are following the same path as her. But ultimately what triumphs is Genevieve's excitement at meeting her daughter. She recalls the first months of parenthood, navigating the love, worry and tiredness of life with a newborn without a partner. She describes the beautiful simplicity of the relationship between herself and her daughter, as she gets to know Astrid without having to consider a partner. Going Solo is for anyone whose life has taken an unexpected twist; for people who are interested in modern families and for those who want to take control of their life and follow their dreams of parenthood. It celebrates the fulfilment that comes from following what makes you happy, and reminds us that beauty may be found when life offers a surprise or a deviation from convention.

Young Working-Class Men in Transition Jan 26 2020 Young Working Class Men in Transition uses a unique blend of concepts from the sociologies of youth and masculinity combined with Bourdieusian social theory to investigate British young working-class men's transition to adulthood. Indeed, utilising data from biographical interviews as well as an ethnographic observation of social media activity, this volume provides novel insights by following young men across a seven-year time period. Against the grain of prominent popular discourses that position young working-class men as in 'crisis' or as adhering to negative forms of traditional masculinity, this book consequently documents subtle yet positive shifts in the performance of masculinity among this generation. Underpinned by a commitment to a much more expansive array of emotionality than has previously been revealed in such studies, young men are shown to be engaged in school, open to so called 'women's work' in the service sector, and committed to relatively egalitarian divisions of labour in the family home. Despite this, class inequalities infect their transition to adulthood with the 'toxicity' of neoliberalism - rather than toxic masculinity - being core to this reality. Problematising how working-class masculinity is often represented, Young Working Class Men in Transition both demonstrates and challenges the portrayal of working class masculinity as a repository of homophobia, sexism and anti-feminine acting. It will appeal to students and researchers interested in fields such as youth studies, masculinity studies, gender studies, sociology of education and sociology of work.

Finding the Dream Jan 06 2021 In the final novel of Nora Roberts's Dream Trilogy, Laura struggles to mend a broken heart and broken family—until someone from her past makes all of her dreams come true... Laura Templeton found out the hard way that nothing in life is guaranteed. The daughter of a wealthy hotelier, she had always known comfort, privilege, and security. But by the age of thirty, her storybook marriage had been destroyed by her husband's infidelity. Laura's divorce left her both emotionally and financially devastated—but determined to rebuild her life without the Templeton fortune. Laura had always defined herself as a wife, a daughter, or a mother. Now, she must finally discover Laura the woman... Don't miss the other books in the Dream Trilogy Daring to Dream Holding the Dream

Hot Rocks Oct 03 2020 From #1 New York Times bestselling author Nora Roberts comes a thrilling contemporary romance that "burns with all the brilliance and fire of a finely cut diamond"(Publishers Weekly). Antiques dealer Laine Tavish is an ordinary woman living an ordinary life. At least, that's what everyone in the small town of Angel's Gap, Maryland, thinks. They have no idea that she used to be Elaine O'Hara, the daughter of a notorious con man... Laine's past catches up with her when one of Big Jack's associates turns up in her shop with a cryptic warning and is then run down in the street. Now the next target of a ruthless killer, Laine teams up with sexy PI Max Gannon to find out who's chasing her, and why. The answer lies in a hidden fortune that will change Laine's life forever... Don't want the story to end? Look for Big Jack by #1 New York Times bestselling author J. D. Robb and continue the adventure with Lieutenant Eve Dallas. Hot Rocks was previously published in Remember When

Tribute Aug 13 2021 Cilla McGowan - granddaughter of movie goddess Janet Hardy - has fled the cut-throat world of Hollywood for the peace and quiet of Virginia's Shenandoah Valley. Cilla restores houses for a living and has always dreamed of returning her grandmother's country retreat to its former glory. But a tragedy haunts the old farmhouse, and Cilla's restoration project is stirring up old scandals along with the dust and cobwebs. As Cilla begins to dig deeper into her grandmother's mysterious death thirty years ago, events take a darker turn. Someone in town is determined to keep the truth buried - at any cost. Cilla's new neighbour Ford Sawyer wants to help - but Ford is exactly the kind of man Cilla is running from . . .

The Novels of Nora Roberts, Volume 4 Apr 28 2020 Four gripping romantic thrillers from #1 New York Times bestselling author Nora Roberts. BLUE SMOKE Bo Goodnight has been trying to find arson investigator Reena Hale for years, and now that she's close enough to touch, he has no intention of letting go. Nor does the man who has begun to haunt Reena's life—a man who will send Reena into the worst inferno she has ever faced... ANGELS FALL When Reece Gilmore sees an apparent attack while hiking in the mountains, no one believes her—except a gruff loner named Brody. Then a series of menacing events makes it clear that someone wants her out of the way, and Reece must put her trust in Brody—and herself—to find out if there really is a killer in Angel's Fall... HIGH NOON After watching hostage negotiator Phoebe MacNamara talk one of his employees off a roof ledge, Duncan Swift is committed to keeping the intriguing, take-charge woman in his life. When a man begins to taunt her with violent threats, Duncan backs her up as she fights the faceless tormentor who is determined to make her a hostage to fear... TRIBUTE When former child star Cilla McGowan finds a cache of unsigned letters found in the attic point to a mysterious romance in her grandmother's life, her discovery sparks a frightening, violent assault. Now, if Cilla and Ford are unable to sort out who is targeting her and why, she may, just like her world-famous grandmother, be cut down in the prime of her life...

Nikki on the Line Aug 01 2020 Nikki wants to be a basketball star... but between school stress, friend drama, and babysitting woes, will she be able to make it on her new team? Judy Blume meets Mike Lupica in this pitch-perfect, action-packed, and funny novel. Thirteen-year-old Nikki Doyle's dreams of becoming a basketball great feel within reach when she's selected to play on an elite-level club team. But in a league with taller, stronger, and faster girls, Nikki suddenly isn't the best point guard. In fact, she's no longer a point guard at all, which leaves her struggling to figure out who she is and how she fits in. The stress piles on as Nikki's best friend spends more and more time with another girl on the team, and when her science teacher assigns a family tree project that will be impossible to complete unless Nikki reveals her most embarrassing secret. As if that's not enough to deal with, to cover the costs of her new team, Nikki has agreed to take care of her annoying younger brother after school to save money on childcare. As the stakes rise on the basketball court, at school, and at home, Nikki's confidence plummets. Can she learn to compete at this new, higher level? And how hard is she willing to work to find out?

How to Find Your Point of Contact with God Nov 04 2020 Early in his ministry, Oral Roberts discovered that people receive from God more easily when they have a definite point of contact with him. As he studied this truth out, he found it illustrated throughout the Bible. You too can realize great benefit as you grasp the truths set forth in these pages.

Everybody's Got Something Jul 24 2022 "Regardless of how much money you have, your race, where you live, what religion you follow, you are going through something. Or you already have or you will. As momma always said, "Everybody's got something." So begins beloved Good Morning America anchor Robin Roberts's new memoir in which she recounts the incredible journey that's been her life so far, and the lessons she's learned along the way. With grace, heart, and humor, she writes about overcoming breast cancer only to learn five years later that she will need a bone marrow transplant to combat a rare blood disorder, the grief and heartbreak she suffered when her mother passed away, her triumphant return to GMA after her medical leave, and the tremendous support and love of her family and friends that saw her through her difficult times. Following her mother's advice to "make your mess your message," Robin taught a nation of viewers that while it is true that we've all got something -- a medical crisis to face, aging parents to care for, heartbreak in all its many forms --- we've also all got something to give: hope, encouragement, a life-saving transplant or a spirit-saving embrace. As Robin has learned, and what readers of her remarkable story will come to believe as well, it's all about faith, family and friends. And finding out that you are stronger, much stronger, than you think.

Breaking Roberts Rules: The New Way to Run Your Meeting, Build Consensus, and Get Results Mar 20 2022 Every day in communities across America hundreds of committees, boards, church groups, and social clubs hold meetings where they spend their time engaged in shouting matches and acrimonious debate. Whether they are aware of it or not, the procedures that most such groups rely on to reach decisions were first laid out as Roberts Rules more than 150 years ago by an officer in the U.S. Army's Corps of Engineers. Its arcane rituals of parliamentary procedure and majority rule usually produce a victorious majority and a very dissatisfied minority that expects to raise its concerns, again, at the next possible meeting. Breaking Roberts Rules clearly spells out how any group can work together effectively. After briefly explaining the problems created by Roberts Rules, the guide outlines the five key steps toward consensus building, and addresses the specific problems that often get in the way of a group's progress. Appendices include a basic one page Handy Guide that can be distributed at meetings and a case study demonstrating how the ideas presented in the book can also be applied in a corporate context. Written in a non-technical and engaging style, and containing clear ideas and instructions that anyone can understand and use, this one-of-a-kind guide will prove an essential tool for any group desperate to find ways of making their meetings more effective. In addition, neighborhood associations, ad hoc committees, social clubs, and other informal groups lacking a clear hierarchy will find solid advice on how to move forward without resorting to majority rules or bickering over who will take leadership positions. Bound to become a classic, Breaking Roberts Rules will change the way you hold meetings forever, paving the way for efficiency, efficacy, and peaceful decision making.

Summary of David Roberts's Alone on the Ice May 30 2020 Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Australasian Antarctic Expedition was led by Douglas Mawson in 1912. Mawson's tentmates were Belgrave Ninnis and Xavier Mertz, who were both well-liked by the crew. Mertz was nicknamed X by his teammates, who teased him on account of his uncertain English. #2 Mawson was a leader who hated idleness, and he demanded the most from his teammates. He was also very aloof, but his personal charm made up for it. He had no women in his life before the age of 27, when he met Paquita Delprat. #3 The AAE was focused on the stretch of Antarctica that lay directly south of Australia. After wintering over at Cape Denison, Mawson divided his team into three-man sledging parties, and sent them out to explore and map a huge tract of land no one had ever seen before. #4 The men tent-bound on November 12, as a 35 mph wind kept them inside. The next day, despite the wind blowing, the trio pushed on to a camp 18172 miles away. The men were constantly fed reindeer meat, but the dogs would not eat Gadget, their pregnant dog, even when they were starving.

The Lost Pianos of Siberia Jun 18 2019 * Shortlisted for the 2021 Stanford Dolman Travel Book of the Year prize * A critically-acclaimed Sunday Times, Spectator and Independent Book of 2020 * Now with colour photography by Michael Turek 'Richly absorbing... An impressive exploration of Siberia's terrifying past.' Guardian 'Evocative and wonderfully original.' Colin Thubron _____ Siberia's expansive history is traditionally one of exiles, bitter cold and suffering. Yet there is another tale to tell. Dotted throughout this remote and beautiful landscape are pianos created during the boom years of the nineteenth century. They tell the story of how, ever since entering Russian culture under the influence of Catherine the Great, piano music has run through the country like blood. How these pianos made the journey into this snow-bound wilderness in the first place is remarkable. That they might be capable of making music in such a hostile landscape feels like a miracle. The Lost Pianos of Siberia is an absorbing story about a piano hunt - a quixotic quest through two centuries of Russian history and eight time zones stretching across an eleventh of the world's land surface. It reveals not only an unexpected musical legacy, but profound and brave humanity in the last place on earth you might expect to find it. _____ What readers are saying about The Lost Pianos of Siberia: ***** 'You know a book's good when, on finishing it, you just want to start again.' ***** 'Beautifully written, full of compelling anecdotes celebrating Siberia's extraordinary history.' ***** 'The most unusual and intelligent way to tell a travel story.'

Finding Your Power to Be Happy: Seven Practices to Bring Unconditional Happiness into Your Life Feb 25 2020 Learn to find the happiness that is natural to you, and enjoy better relationships, better health, more success and a longer life. The peculiar thing about us humans is, we spend a lot of time working to find people and things that will make us happy. In fact, we seem to spend the majority of our time doing this. However, there is no guarantee that any of this effort will work. There are lots of people who have hordes of people around them, and who have lots of things, but have been unable to make themselves happy. The truth is, happiness can be had with little effort. Have you ever been happy for no reason at all? Of course you have. Without anything changing in life, happiness just appears. We see it in young children all the time. In fact, we expect to see it in children. If you happen to ask a smiling child why he or she is so happy, at best the answer may be, "Because." For an adult this may be an unsatisfying answer, but for the child it is the truth -- happiness exists "just because." As we age we seem to lose touch with happiness-for-no-reason-at-all. We see a world where everyone is striving for stuff, striving for popularity, striving, striving, striving. The natural fount of happiness we once enjoyed disappears as we join them. However, that happiness is not gone. All that happened is we lost our connection to it. This book is about recovering that connection. We all grow up believing that if we work hard, and if we are good people, we will enjoy good relationships with others, good health, success and a long life. Obviously this is not true. There are a lot of rich old people who are not happy. What we have, what we do, and the other circumstances of our lives do not provide authentic happiness. Instead, happiness comes from inside of us, and all by itself enables us to have secure relationships, good health, more success and longer lives. So, what is the secret of being happy? Being happy is a little like flipping a switch. When it's on you are happy and when it's off you are not. It's so easy. How else can you explain being happy for no reason. What you need to do is learn to turn it on, and keep it turned on. This book discusses seven practices that help you do that. There is a lot of wisdom available about how to be happy. Most of it is thousands of years old, but some is quite new. The seven practices we will look at incorporate this wisdom to help you learn how to turn on happiness in your life. This kind of happiness does not require changing anything in your life. All you have to do is learn to turn it on.

Taking Flight Jan 18 2022 Stretch Your Wings. Learn to Soar, Take Flight In Taking Flight, you'll find overflowing inspiration--complete with a kindred spirit in author and mixed-media artist Kelly Rae Roberts. Join her on a fearless journey into the heart of creativity as you test your wings and learn to find the sacred in the ordinary, honor your memories, speak your truth and wrap yourself in the arms of community. Purpose Awakening Dec 17 2021 PURPOSE AWAKENING, the breakout book of international speaker Touré Roberts, is about that transformational moment when you are awakened to the purpose of your life. Your life began with a brilliant thought in God's mind. Your purpose, therefore, is the awakening to that thought. In this groundbreaking book, Touré introduces a new way to perceive the meaning of purpose. As he says: "You don't find purpose; purpose finds you." In fact, purpose conceived you; it was the catalyst for your birth. This thought-provoking book opens with the revolutionary concept that "Every life began as an epic idea." This new way of finding your purpose will empower you and change your life forever. You haven't even begun to live until you find out why you are here. Touré uses personal stories, humor, and eye-opening analogies to take you on a transformational journey. You will learn how to discover your unique purpose, know God's voice, identify and choose purpose mates, end wrong relationships, put an end to fear, grow your faith, and so much more. PURPOSE AWAKENING will also give you a relatable and practical guide that will instill confidence, peace, and fulfillment by demystifying the journey to purpose, and enabling you to discover your own unique awakening. Being more than just a "feel good book," PURPOSE AWAKENING provides true direction and gives parameters that guide the purpose-seeker. It will set you on a life-changing course to discovering the good idea concerning your life and the joys of seeing it fulfilled.

Churchill Jul 12 2021 NEW YORK TIMES BESTSELLER One of The Wall Street Journal's Ten Best Books of 2018 One of The Economist's Best Books of 2018 One of The New York Times's Notable Books of 2018 "Unarguably the best single-volume biography of Churchill . . . A brilliant feat of storytelling, monumental in scope, yet put together with tenderness for a man who had always believed that he would be Britain's savior." —Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material, the true genius of the man, statesman and leader can finally be fully seen and understood--by the bestselling, award-winning author of *Napoleon and The Last King of America*. When we seek an example of great leaders with unalloyed courage, the person who comes to mind is Winston Churchill: the iconic, visionary war leader immune from the consensus of the day, who stood firmly for his beliefs when everyone doubted him. But how did young Winston become Churchill? What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved? In *Churchill*, Andrew Roberts gives readers the full and definitive Winston Churchill, from birth to lasting legacy, as personally revealing as it is compulsively readable. Roberts gained exclusive access to extensive new material: transcripts of War Cabinet meetings, diaries, letters and unpublished memoirs from Churchill's contemporaries. The Royal Family permitted Roberts--in a first for a Churchill biographer--to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II. This treasure trove of access allows Roberts to understand the man in revelatory new ways, and to identify the hidden forces fueling Churchill's legendary drive. We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism, but Roberts's masterwork reveals that he has as much to teach us about the challenges leaders face today--and the fundamental values of courage, tenacity, leadership and moral conviction.

The Awakening Apr 09 2021 The first in a brand new trilogy from Sunday Times bestseller Nora Roberts, *The Awakening* is a story of adventure, magic and finding your home Mists, shimmering silver fingers, rose over the pale green water of the lake. They twined and twisted toward a sky quietly gray, while in the east, over the hills, a pink blush waited, like a held breath, to waken. Breen Kelly had always been a rule follower. So, when her father left when she was twelve years old, promising to return, she waited. Now, more than a decade later, she's working at a job she hates and is tired of the life that playing by the rules has dealt her. It's time to make a change. Breen makes a leap into the unknown with a summer trip to Ireland - her father's homeland. Little does she know how much of a leap until a walk in the woods leads her through a portal into another world - Talamh - where Breen will find magic, family and a destiny she could never have dreamed of 'If you're after the perfect pick-me-up, take-me-away-from-the-world read, then she's your woman' *The Guardian* 'Nora Roberts is, quite simply, a one-woman phenomenon' *Heat* 'I love Nora Roberts' *Stephen King*

Nora Roberts' Dream Trilogy May 10 2021 Margo, Kate, and Laura were brought up like sisters amidst the peerless grandeur of Templeton House, but each grow to fulfill their own unique destinies in this collection that includes all three novels in the dramatic *Dream Trilogy* from #1 New York Times bestselling author Nora Roberts. **DARING TO DREAM** Nora Roberts begins her *Dream Trilogy* with the story of Margo, a housekeeper's daughter who picks up the pieces of a shattered dream to start a new one—with the sisters of her heart... **HOLDING THE DREAM** In the second book of Nora Roberts's *Dream Trilogy*, the ever practical Kate Powell finds her career sidetracked by a scandal—one that will teach her the value of family, friendship, and love... **FINDING THE DREAM** In the final novel of Nora Roberts's *Dream Trilogy*, Laura struggles to mend a broken heart and broken family—until someone from her past makes all of her dreams come true...

Cut Out May 22 2022 'Impressive.' --The Sunday Times 'Brimming with delights, as full of life and colour as Matisse's cut outs.' -Susie Boyt Denis knows his mother kept things from him. His godmother, Clemence, knows the truth. In rich, sensuous prose, Roberts interweaves Denis's search for answers with Clemence's memories of the time she spent working for Matisse. 'Lyrical, atmospheric, wonderful.' -Viv Groskop

Oral Roberts Feb 19 2022 "This book may give you the best opportunity of deciding the truth about me and the ministry I hold so dear." -- Oral Roberts "Among several biographies of Oral Roberts, the most recent, most accurate, and best documented is *Oral Roberts: An American Life*, an objective, impressive study..." -- *New York Review of Books* "Oral Roberts: An American Life is more than the story of a well-known evangelist and educator. It is the story of a part of the American religious life that not many Americans know or understand.... Dr. Harrell has researched thoroughly and written superbly." -- Billy Graham "... a first-rate biography, one which should give pause to Roberts' supporters and critics alike.... Roberts' first scholarly biographer has done a beautiful job." -- Allen Boyer, *Newsday*

Hearings Jun 30 2020

The Basics of Bioethics Aug 21 2019 *The Basics of Bioethics, Fourth Edition* offers an easy-to-follow introduction to this dynamic field, intended for healthcare professionals, teachers, students, and anyone interested in bioethics. Accessible and enjoyable for readers of all backgrounds, the book contains numerous cases—including ones that recently have dominated international headlines—to help anchor the broader discussion. The text is suitable for use in short courses in schools of medicine, nursing, and other health professions; continuing professional education; various undergraduate departments; and adult education. Chapters are organized around common moral themes in order to help readers understand the values and other connections that tie together different positions in bioethics. This fourth edition adds a new chapter on alternative frameworks in bioethics, including narrative ethics and casuistry, feminist approaches, care ethics, and virtue ethics. Due to significant advances in genetics and reproductive possibilities, this new edition devotes a full chapter to each. The combined teaching, research, and clinical experience of the two authors helps make this edition current with the evolving field of bioethics, while still embedding the major issues in a systematic framework that allows readers easily to navigate the larger field. **Key Changes to the Fourth Edition:** • An added chapter on new and emerging approaches in bioethics, including those based on virtue ethics, casuistry and narrative ethics, feminist ethics, and care ethics • Updates throughout the book based on developments in ethical theory and new medical research • Revisions and updates to the Learning Objectives, Key Terms, Bibliographies, and URLs • The addition of multiple recent case studies, including: Jahi McMath an undocumented patient who needs a rule bent a pediatrician who turns away unvaccinated patients a minor eligible for pediatric bariatric surgery a daughter suing a hospital for non-disclosure of her father's Huntington's diagnosis CRISPR-edited newborn babies

The Warren Commission Report Dec 25 2019 Warren Commission Report is the result of the investigation regarding the assassination of United States President John F. Kennedy. The U.S. Congress passed Senate Joint Resolution 137 authorizing the Presidential appointed Commission to report on the assassination of President John F. Kennedy, mandating the attendance and testimony of witnesses and the production of evidence. After eleven months of the investigation the Commission presented its findings in 888-page final report. The key findings presented in this report were that President Kennedy was assassinated by Lee Harvey Oswald, that Oswald acted entirely alone and that Jack Ruby also acted alone when he killed Oswald two days later. The Commission's findings have proven controversial and have been both challenged and supported by later studies.

Find Your Spark Jul 20 2019 Are you tired of being stressed over money and problems in your life? Do you feel as if you need more money to change your financial lifestyle? Brighter by the Day Aug 25 2022 An Instant New York Times Bestseller! From the beloved host of Good Morning America and New York Times bestselling author Robin Roberts, a guide to instilling hope and optimism into readers' lives, infusing their days with positivity and encouragement. Over the last 16 years as the esteemed anchor of Good Morning America, Robin Roberts has helped millions of people across the country greet each new morning, gracing our screens with heart and humility. She has sought to bring a bit of positivity into each day, even in the most trying of times. Now, she shares with readers the guidance she's received, her own hard-won wisdom, and eye-opening experiences that have helped her find the good in the world and usher in light—even on the darkest days. Drawing on advice and knowledge she gleaned from conversations with loved ones, spiritual practices, and life experiences, Robin offers a window into how she feeds her own mind, spirit, and soul and invites readers to do the same. With a deeply personal touch, she explains that just like any skill, optimism requires practice and demonstrates how we can shift our mindsets and give ourselves permission to let our best intentions take root and be true. Full of profound insight and the compassion to meet readers wherever they are on their journey, this contemplative and uplifting read is a breath of fresh air that will bring a dose of joy into your daily life.

Finding the Dream Nov 16 2021 In the final novel of Nora Roberts's Dream Trilogy, Laura struggles to mend a broken heart and broken family—until someone from her past makes all of her dreams come true... Laura Templeton found out the hard way that nothing in life is guaranteed. The daughter of a wealthy hotelier, she had always known comfort, privilege, and security. But by the age of thirty, her storybook marriage had been destroyed by her husband's infidelity. Laura's divorce left her both emotionally and financially devastated—but determined to rebuild her life without the Templeton fortune. Laura had always defined herself as a wife, a daughter, or a mother. Now, she must finally discover Laura the woman... Don't miss the other books in the Dream Trilogy Daring to Dream Holding the Dream

Creative Authenticity Jun 23 2022 Serious working artists are the intended audience of this collection of short essays that clarify common expressive and personal problems that many artists encounter, including the fear of being clichéd, the desire to convey truth in art, and the frustration behind trying to find an authentic voice. These crippling fears are laid to rest through insightful discussions of personal experiences, the struggles of famous artists, and the rewards of producing art that comes from an authentic creative core. Providing sensitive reassurances that these struggles are normal, these essays encourage artists to focus on the development of their crafts and find inspiration to work through self-doubt.

Age Within Mar 28 2020 "Galloping suspense dominates this riveting sequel to the post-apocalyptic Dark Inside" (Kirkus Reviews) as four teens continue the struggle for survival in a world gone mad. Aries, Clementine, Michael, and Mason have survived the first wave of the apocalypse that wiped out most of the world's population and turned many of the rest into murderous Baggers. Now they're hiding out in an abandoned house in Vancouver with a ragtag group of fellow teen survivors, trying to figure out their next move. Aries is trying to lead, but it's hard to be a leader when there are no easy answers and every move feels wrong. Clementine is desperate to find her brother Heath, but it's impossible to know where he'd be, assuming he's alive. Michael is haunted by the memories of his actions during his harrowing struggle to survive. And Mason is struggling with something far worse: the fear that he may be a danger to his friends. As the Baggers begin to create a new world order, these four teens will have to trust and rely on each other in order to survive.

Summary of Dorothy E. Roberts's Killing the Black Body Sep 02 2020 Please note: This is a companion version & not the original book. Sample Book Insights: #1 The control of Black women's reproductive lives began with the experiences of slave women like Rose Williams. Their childbearing replenished the enslaved labor force, and their procreation was largely a result of oppression rather than self-definition. #2 The control of slave women's reproduction is a great example of the importance of reproductive liberty to women's equality. The harms of treating women's wombs as procreative vessels, policies that pit a mother's welfare against that of her unborn child, and government manipulation of women's childbearing decisions all come from the denial of reproductive liberty. #3 The essence of Black women's experience during slavery was the denial of autonomy over reproduction. Female slaves were commercially valuable to their masters not only for their labor, but also for their ability to produce more slaves. #4 Slaveholders used many methods to increase the fertility of their female slaves, from giving them presents to manipulating their marital choices. Women who did not produce children were often sold off or worse.

Finding Everett Ruess Mar 08 2021 The definitive biography of Everett Ruess, the artist, writer, and eloquent celebrator of the wilderness whose bold solo explorations of the American West and mysterious disappearance in the Utah desert at age twenty have earned him a large and devoted cult following. "Easily one of [Roberts's] best . . . thoughtful and passionate . . . a compelling portrait of the Ruess myth."—Outside Wandering alone with burros and pack horses through California and the Southwest for five years in the early 1930s, on voyages lasting as long as ten months, Ruess became friends with photographers Edward Weston and Dorothea Lange, swapped prints with Ansel Adams, took part in a Hopi ceremony, learned to speak Navajo, and was among the first "outsiders" to venture deeply into what was then (and to some extent still is) largely a little-known wilderness. When he vanished without a trace in November 1934, Ruess left behind thousands of pages of journals, letters, and poems, as well as more than a hundred watercolor paintings and blockprint engravings. Everett Ruess is hailed as a paragon of solo exploration, while the mystery of his death remains one of the greatest riddles in the annals of American adventure. David Roberts began probing the life and death of Everett Ruess for National Geographic Adventure magazine in 1998. Finding Everett Ruess is the result of his personal journeys into the remote areas explored by Ruess, his interviews with oldtimers who encountered the young vagabond and with Ruess's closest living relatives, and his deep immersion in Ruess's writings and artwork. More than seventy-five years after his vanishing, Ruess stirs the kinds of passion and speculation accorded such legendary doomed American adventurers as Into the Wild's Chris McCandless and Amelia Earhart.

Ian Roberts Oct 27 2022 "There was a group of about four or five queers at school, gay guys who were more obvious, and everyone used to ridicule them. I used to feel terrible for not standing up and saying, "Cut it out." They never used to bag me and I just kept my mouth shut like a lot of others, I suppose. I used to think they should be doing it to me because I liked guys as well. And half the time the guys they picked on probably weren't even "doing it" yet!" A trickle of information and a lot of misinformation reaches high schools down Maroubra way. But gay stereotypes were always confirmed. In the paper. On the TV. It always seemed to be "them". Either screaming fanatics being dragged off camera, or outrageous, costumed "weirdos" performing lewdly for the camera. So you could look and say, "Yes, that's right. That's them. That can't be me." Or, "There's been some terrible mistake. I am a freak of nature. By some disgusting aberration, I am attracted to my own sex, even though I'm not like "them". Yuk. What will I do? Well, apart from keep it quiet for a start." .477. It wasn't just the epilepsy, however. It was all of Ian's adolescence. The physical challenges. The emotional challenges. It was all troubling. In 1980 he was a known epileptic. And still a secret homosexual. And there are no books or instructions on how to smoothly bottle up that big secret, because there is no way. He was way too far gone to revert to self-denial. But

the pressure felt like it was pushing in on him. And what is the physics of that? For every action there is an equal and opposite reaction. There had to be an outlet. CAUTION! To contain pressure, (1) Try withdrawal, moody isolation. May need hobby for lonely hours. Being round people, especially those you're closest to, expect to get demanding, ruthless, snappy, weird and unpredictable. Often mothers can cop the frustration most. (2) Try release through physical aggression, through contact sport or other. By remember, don't crack or reveal your secret shame. .477. "I remember watching TV one day, and the video clip to the Bronski Beat's "Small Town Boy" came on. It's the film clip with the gay guy watching a guy at the swimming pool, and Dad is watching as well, and going, "That's disgusting. That makes me sick, that does." I was just squirming inside." In the video the gay ends up being bashed by a gang. The police drop him home, and when it comes out that he's gay, his father is disgusted and the guy has to leave town. Ian knew he had to keep juggling lives. .477. "I'VE BEEN IN FOOTBALL FOR 25 YEARS AND SEEN A LOT OF PLAYERS," SOUTHS COACH GEORGE PIGGINS SAID. " I PUT ROBERTS IN THE RON COOTE AND BOB McCARTHY CATEGORY. HE'S A CHAMPION." FORMER KANGAROO (AUSTRALIAN) CAPTAIN, BOBBY FULTON, HIMSELF A LEGEND OF THE GAME, SAID ROBERTS' PERFORMANCE WAS ONE OF THE BEST HE HAD EVER SEEN. The morning after this game, Ian saw a column in the Sun-Herald written by Harry Craven, a pseudonym. In it was a sarcastic quip about a great footballer who had been spotted in a bar on Oxford St, drinking with the boys. The innuendo was clear. It was the first time Ian had ever seen anything even approaching a comment on his sexuality in print. "I was terrified! I just froze when I saw it. I went to George Piggins and started babbling on, saying this guy can't do this sort of thing, and I want something done about it. George just said that I shouldn't worry about it. But I was beside myself. I was terrified that I would run out onto the field and there'd be all these people who had read it. Before the game, I went to sit outside and watch the reserves game for a little while and Tugger (teammate Craig Coleman) said jokingly to me, "What about you at that gay bar?" I just saw red. I showed him my fist and said something like, "Keep an eye on this because I'm going to give it to you!", then tried to act like I was laughing the whole thing off. That day I ran on to the field thinking, "All these people know, and they're

Sanctuary Nov 23 2019 Successful photographer Jo Ellen Hathaway thought she'd escaped the house called Sanctuary long ago. She'd spent her loneliest years there after the sudden, shattering disappearance of her mother. But now someone is sending Jo strange, candid pictures, culminating in the most shocking portrait of all - a photo of her mother, naked, beautiful and dead. Jo returns home to face her bitterly estranged family, only to find an unexpected chance for happiness in the form of architect Nathan Delaney. But while Jo and Nathan hope to lay the past to rest, a sinister presence is watching from the shadows. And Jo will soon learn there is no peace at Sanctuary . . .
