Don't Wake Up Tiger! Jun 05 2020 A beautifully designed, boldly illustrated picture book for the very young in which readers are encouraged to get involved in the story through tilting and shaking the book and even singing a lullaby! This paperback edition includes a free audio reading.

Wake Oct 10 2020 For seventeen-year-old Janie, getting sucked into other people's dreams at any given moment is getting tired. Especially the falling dreams, and the standing-in-front-of-the-class-naked ones. But then there are the nightmares, the ones that chill her to the bone—like the one where she is in a strange house in a dirty kitchen and a sinister monster that edges ever closer. This is the nightmare that she keeps falling into, the one where, for the first time, Janie is more than a witness to someone else's twisted psyche. She is a participant!

The Body in the Kelp Jun 29 2022 The Old Maid's Puzzle It seems as if nothing is going to liven up Faith Fairchild's deathly dull vacation on Maine's Sanpere Island -- until she buys a beautiful handmade quilt at an estate auction. Lovingly constructed by wealthy, deceased, and detested Matilda Prescott, Faith's purchase turns out to be quite a bargain indeed -- especially when she discovers it to be a map to the old woman's hidden treasure. But instead of pointing the transplanted New York caterer-turned-minister's wife toward the fabled Prescott gold, Matilda's artfully crafted clues lead Faith to a kelp-covered corpse floating in a nearby tidal pool. Once again, the resourceful amateur sleuth has become entangled in a dangerous puzzle, ensnared in twisted, lethal threads of familial greed and cold-blooded homicide. And Faith won't be satisfied until she has the whole murderous matter sewn up.

Beast Oct 22 2021 The stunning new novel from the prizewinning author of *The Wake* Beast plunges you into the world of Edward Buckmaster, a man alone on an empty moor in the west of England. What he has left behind we don't yet know. What he faces is an existential battle with himself, the elements, and something he begins to see in the margins of his vision: some creature that is tracking him, the pursuit of which will become an obsession. This short, shocking, and exhilarating novel is a vivid exploration of isolation, courage, and the search for truth that continues the story set one thousand years earlier in Paul Kingsnorth's bravura debut novel, *The Wake*. It extends that book's promise and confirms Kingsnorth as one of our most daring and rewarding contemporary writers.

The Wake of Imagination May 17 2021 With his remarkable range of vision, the author takes us on a voyage of discovery that leads from Eden to Fellini, from paradise to parody - plotting the various models of the imagination as: Hebraic, Greek, medieval, Romantic, existential and post-modern.

Wake Nov 10 2020 AS SEEN ON BBC ONE on 11 November - the commemoration of the Unknown Warrior with Huw Edwards and Anna Hope The International prize-winning bestseller and Simon Mayo bookclub pick 'Powerful and humane' SADIE JONES _____ Remembrance Day 1920: A wartime secret connects three women's lives: Hettie whose wounded brother won't speak. Evelyn who still grieves for her lost lover. And Ada, who has never received an official letter about her son's death, and is still waiting for him to come home. As the mystery that binds them begins to unravel, far away, in the fields of France, the Unknown Soldier embarks on his journey home. The mood of the nation is turning towards the future - but can these three women ever let go of the past?

_____ Readers' love WAKE by Anna Hope: 'Beautifully, written, compelling, very moving' 4 **** 'Engrossing and illuminating' 5 ***** 'If you like a relationships novel with war backdrop, hard to find better' 4 **** 'An amazing achievement' 5 *****

The Books at the Wake Oct 02 2022 In *Finnegans Wake* Joyce uses world literature, great and small, sacred and profane, as one of the most important and frequent of his sources. Setting out to explore these literary allusions, Mr. Atherton sheds a great deal of light upon other aspects of Joyce's work. Entire chapters are devoted to such major figures as Swift and Lewis Carroll, while less important influences are grouped together under such headings as "The Irish Writers" and "The Fathers of the Church." He also surveys the various interpretations of *Finnegans Wake*, and makes use of the Letters of James Joyce and the manuscript of *Finnegans Wake* in the British Museum.

The Wake Up Sep 01 2022 Waking Up to Our Capacity to Transform Ourselves and the World As we become more aware of various social injustices in the world, many of us want to be part of the movement toward positive change. But sometimes our best intentions cause unintended harm, and we fumble. We might feel afraid to say the wrong thing and feel guilt for not doing or knowing enough. Sometimes we might engage in performative allyship rather than thoughtful solidarity, leaving those already marginalized further burdened and exhausted. The feelings of fear, insecurity, inadequacy are all too common among a wide spectrum of changemakers, and they put many at a crossroads between feeling stuck and giving up, or staying grounded to keep going. So how can we go beyond performative allyship to creating real change in ourselves and in the world, together? In *The Wake Up*, Michelle MiJung Kim shares foundational principles often missing in today's mainstream conversations around "diversity and inclusion," inviting readers to deep dive into the challenging and nuanced work of pursuing equity and justice, while exploring various complexities, contradictions, and conflicts inherent in our imperfect world. With a mix of in-the-trenches narrative and accessible unpacking of hot button issues—from inclusive language to representation to "cancel culture"—Michelle offers sustainable frameworks that guide us how to think, approach, and be in the journey as thoughtfully and powerfully as possible. *The Wake Up* is divided into four key parts: Grounding: begin by moving beyond good intentions to interrogating our deeper "why" for committing to social justice and uncovering our "hidden stories." Orienting: establish a shared understanding around our historical and current context and issues we are trying to solve, starting with dismantling white supremacy. Showing Up: learn critical principles to approach any situation with clarity and build our capacity to work through complexity, nuance, conflict, and imperfections. Moving Together: remember the core of this work is about human lives, and commit to prioritizing humanity, healing, and community. *The Wake Up* is an urgent call for us to move together while seeing each other's full and expansive humanity that is at the core of our movement toward justice, healing, and freedom.

WAKE Aug 08 2020 "Politically savvy, cleverly plotted...the kind of book that invites the ravenous language of binge reading: compulsive, propulsive, addictive."--New York Times Book Review For fans of Jane Harper's *The Dry* or Gillian Flynn's *Sharp Objects*, a searing debut crime novel set in the Australian outback, where the grief and guilt surrounding an unsolved disappearance still haunt a small farming community—and will ultimately lead to a reckoning. The tiny outback town of Nannine lies in the harsh red interior of Australia. Once a thriving center of stockyards and sheep stations, years of punishing drought have petrified the land and Nannine has been whittled down to no more than a stoplight, a couple bars, and a police station. And it has another, more sinister claim to fame: the still-unsolved disappearance of young Evelyn McCreery nineteen years ago. Mina McCreery's life has been defined by the intense public interest in her sister's case—which is still a hot topic in true-crime chat rooms and on social media. Now an anxious and reclusive adult, Mina lives alone on her family's sunbaked destocked sheep farm. Enter Lane Holland, a young private investigator who dropped out of the police academy to earn a living cracking cold cases. Before she died, Mina's mother funded a million-dollar reward for anyone who could explain how Evelyn vanished from her bed in the family's farmhouse. The lure of cash has only increased public obsession with Evelyn and Mina—but yielded no answers. Lane wins Mina's trust when some of his more unconventional methods show promise. But Lane also has darker motivations, and his obsession with the search will ultimately risk both their lives—and yield shocking results. Compulsively readable, with an unforgettable setting and cast of characters, *WAKE* is a powerful, unsparring story of how trauma ripples outward when people's private tragedies become public property, and how it's never too late for the truth to come out.

30 Years & a Wake Up Jul 07 2020 30 Years & a Wake Up was written with the intention of introducing cognitive therapy to today's troubled kids. It is an inspirational story of survival, through poverty, tragic personal loss, and the criminal justice system in Kansas. It tells a story that will grip its readers, and then encourage them to change, through inspiration and example. The story follows the author's life from being raised in low-income housing in the mid 1970's, through tragic personal loss as a teen and into the Kansas prison system, where he learned to survive with no help from the outside world. 30 Years & a Wake Up gives an insightful, honest look into day to day living in the toughest prisons in the Sunflower State, while showing how the Author slowly applied the principals of cognitive therapy and created genuine change in his life.

In the Wake May 29 2022 In this original and trenchant work, Christina Sharpe interrogates literary, visual, cinematic, and quotidian representations of Black life that comprise what she calls the "orthography of the wake." Activating multiple registers of "wake" the path behind a ship, keeping watch with the dead, coming to consciousness! Sharpe illustrates how Black lives are swept up and animated by the afterlives of slavery, and she delineates what survives despite such insistent violence and negation. Initiating and describing a theory and method of reading the metaphors and materiality of "the wake," "the ship," "the hold," and "the weather," Sharpe shows how the sign of the slave ship marks and haunts contemporary Black life in the diaspora and how the specter of the hold produces conditions of containment, regulation, and punishment, but also something in excess of them. In the weather, Sharpe situates anti-Blackness and white supremacy as the total climate that produces premature Black death as normative. Formulating the wake and "wake work" as sites of artistic production, resistance, consciousness, and possibility for living in diaspora, In the Wake offers a way forward.

Wake Up Jul 19 2021 Simple text and holographic illustrations present a child's morning routine, including getting dressed and having breakfast.

Hereward the Wake Jan 01 2020

The Wake Oct 29 2019 A #1 New York Times Best Seller! Winner of the 2014 Eisner Award for Best Limited Series New York Times bestselling author, Scott Snyder (American Vampire, Batman, Swamp Thing) and artist Sean Murphy (Punk Rock Jesus, Joe The Barbarian), the incredible team behind the miniseries American Vampire: Survival of the Fittest, are reuniting for the powerful miniseries: THE WAKE. When Marine Biologist Lee Archer is approached by the Department of Homeland Security for help with a new threat, she declines, but quickly realizes they won't take no for an answer. Soon she is plunging to the depths of the Arctic Circle to a secret, underwater oilrig filled with roughnecks and scientists on the brink of an incredible discovery. But when things go horribly wrong, this scientific safe haven will turn into a house of horrors at the bottom of the ocean! Collects THE WAKE #1-10.

Alan Wake Sep 08 2020 Welcome to Bright Falls-a seemingly idyllic small town in the Pacific Northwest. The perfect place for Alan Wake, a bestselling crime novelist, and his wife, Alice, to relax for a few weeks. Maybe a second honeymoon and the fresh air will cure Wake of his writer's block. But when Alice goes missing under mysterious circumstances, Wake's desperate search for her leads him into a hell only he could imagine. In the depths of nearby Cauldron Lake, a dark and malevolent presence has awakened from a long slumber. It's reaching out now, turning the townsfolk into mindless killers. Sheathed in shadows, vulnerable only to light, they are Taken. Wake's journey will lead him to the very edge of madness, and deep within the dark woods, he will come face-to-face with a story he has no recollection of ever writing. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Wake Up Call Jan 25 2022

The Wake of Crows Nov 22 2021 Crows can be found almost everywhere that people are, from tropical islands to deserts and arctic forests, from densely populated cities to suburbs and farms. Across these diverse landscapes, many species of crow are doing well: their intelligent and adaptive ways of life have allowed them to thrive amid human-driven transformations. Indeed, crows are frequently disliked for their success, seen as pests, threats, and scavengers on the detritus of human life. But among the vast variety of crows, there are also critically endangered species that are barely hanging on to existence, some of them the subjects of passionate conservation efforts. The Wake of Crows is an exploration of the entangled lives of humans and crows. Focusing on five key sites, Thom van Dooren asks how we might live well with crows in a changing world. He explores contemporary possibilities for shared life emerging in the context of ongoing processes of globalization, colonization, urbanization, and climate change. Moving among these diverse contexts, this book tells stories of extermination and extinction alongside fragile efforts to better understand and make room for other species. Grounded in the careful work of paying attention to particular crows and their people, The Wake of Crows is an effort to imagine and put into practice a multispecies ethics. In so doing, van Dooren explores some of the possibilities that still exist for living and dying well on this damaged planet.

Wake Jan 13 2021 'A must-read graphic history. . . an inspired and inspiring defence of heroic women whose struggles could be fuel for a more just future' Guardian 'Not only a riveting tale of Black women's leadership of slave revolts but an equally dramatic story of the engaged scholarship that enabled its discovery' Angela Y. Davis Women warriors planned and led slave revolts on slave ships during the passage across the Atlantic. They fought their enslavers throughout the Americas. And then they were erased from history. In Wake Rebecca Hall, a historian, a granddaughter of slaves, and a woman haunted by the legacy of slavery, tells their story. With in-depth archival research and a measured use of historical imagination, she constructs the likely pasts of women rebels who fought for freedom on slave ships bound to America, as well as the stories of women who led slave revolts in Colonial New York. Beneath both is Hall's own tale: of a life lived in the shadow of slavery and its consequences. Strikingly illustrated in black and white, Wake explores both a personal and a global legacy. Part graphic novel, part memoir, it is a powerful reminder that while the past is gone, we still live in its wake.

How To Wake a Butterfly Jun 25 2019 How To Wake a Butterfly is a collection about transformation and growth. It follows the author's different stages in life, from childhood memories, trauma, heartbreak, and new-found love. The author wrote How To Wake a Butterfly during the lockdown, when he was forced to look at his life and retrace the many things that have nurtured his character.

In the Wake of Tacoma Aug 27 2019 In the Wake of Tacoma is the first comprehensive treatment of the changes that the 1940 collapse of the first Tacoma Narrows Bridge has imposed on the design of suspension bridges. Written as a historical narrative, this heavily illustrated book describes design trends before the collapse, the collapse itself, and the investigations to determine its cause. The book then examines subsequent aerodynamic and other design developments and their application in suspension bridges worldwide in the decades following the collapse. In the Wake of Tacoma is a comprehensive reference work on suspension bridges in general, examining virtually every suspension bridge of note built in the past sixty years and highlighting overall development of the state of the art today. It goes beyond the major, well-known bridges to examine many small and mid-span suspension bridges worldwide that have contributed significantly to the modern development of the form. Also covered are the engineering debates and engineers involved; discussions of bridges under construction and under design; and new design concepts and materials to conquer the huge distances envisaged for such crossings as the Messina and Gibraltar straits. Presented in easy-to-understand, nontechnical language, this book, which received the 2006 Publication Award from the Japan Association for Wind Engineering, should appeal to both engineers and nonengineers with an interest in bridges and engineering in general. About the Author Richard Scott is a waterway heritage planner for Parks Canada, where he is currently responsible for planning along the Trent-Severn waterway. He is also the editor of History of the Modern Suspension Bridge: Solving the Dilemma between Economy and Stiffness (ASCE Press, 2010). Product Reviews ...An outstanding history of suspension bridges focusing on post-Tacoma spans... In the Wake of Tacoma is extremely visual and written in a style that makes it accessible, exciting and interesting to both engineers and the general public. It is a masterful study- well researched, written, and illustrated. --Eric DeLony, Chief, Historic American Engineering Record, National Park Service

Alexandria Jan 31 2020 'Like Robert Macfarlane re-written by Cormac McCarthy.' Telegraph 'Beckett doing Beowulf.' London Review of Books One thousand years from now, the sole inhabitants of a small island - a group no larger than an extended family - are living in a post-civilised world. They are perhaps the Earth's only human survivors. But lurking outside their isolated community is a figure in red, an emissary from another way of life: a virtual place of refuge and security, of escape from the dangers of a newly wild world. The visitor calls it Alexandria. A work of radical and matchless imagination, Paul Kingsnorth's new novel is a mythical, polyphonic drama driven by elemental themes: of community versus the self, the mind versus the body, machine over man; whether to put your faith in the present or the future. Set on the far side of the climate apocalypse, Alexandria completes the Buccmaster Trilogy, which began with Kingsnorth's prize-winning The Wake.

The Wake Feb 11 2021 Winner of the 2014 Eisner Award for Best Limited Series New York Times bestselling author, Scott Snyder (American Vampire, Batman, Swamp Thing) and artist Sean Murphy (Punk Rock Jesus, Joe The Barbarian), the incredible team behind the miniseries American Vampire: Survival of the Fittest, are reuniting for the powerful miniseries: THE WAKE. When Marine Biologist Lee Archer is approached by the Department of Homeland Security for help with a new threat, she declines, but quickly realizes they won't take no for an answer. Soon she is plunging to the depths of the Arctic Circle to a secret, underwater oilrig filled with roughnecks and scientists on the brink of an incredible discovery. But when things go horribly wrong, this scientific safe haven will turn into a house of horrors at the bottom of the ocean! Collects THE WAKE #1-10.

Wake Up! Wake Up! Sep 28 2019 When a little ladybug awakens from its long sleep and discovers that it is spring, it goes about waking all the other sleeping animals.

In the Wake Dec 24 2021 When a body is found floating in London's Royal Albert Dock, successful public relations expert Kay Christie is sent to quiet the media, but things get complicated when it emerges that she knew the victim. As events spiral out of control, Kay discovers that those close to her may be harbouring another secret - the story of a missing girl. Can Kay discover the truth before her life unravels and she risks losing everything? In the Wake questions whether we can ever truly leave our pasts behind and explores the lengths that we will go to protect the people that we love.

James Joyce's Finnegans Wake Aug 20 2021 First published in 1991. James Joyce's Finnegans Wake: A Case Book was published in order to celebrate the 50th anniversary of Joyce's final work with 14 critical essays and a page-by-page outline of the novel. The book includes critical approaches and interpretations in film, drama, and music. This title will be of interest to students of literature.

In Her Wake Mar 03 2020 Series information from the publisher's website.

Wake Up, Wake Up! Apr 03 2020 As each animal wakes up and greets the day it wakes up another animal until all the farm animals wake the farmer who feeds them. Curriculum terms: sounds, language. Suggested level: preschool, juniors.

Wake of War Dec 12 2020 Zac Topping's Wake of War is a timely account of the lengths those with power will go to preserve it, and the determination of those they exploit to destroy everything in the name of freedom anew. "I just hope I'm on the right side of history." The United States of America is a crumbling republic. With the value of the dollar imploding, the government floundering, and national outrage and resentment growing by the hour, a rebellion has caught fire. The Revolutionary Front, led by Joseph Graham, has taken control of Salt Lake City. In a nation where opportunity is sequestered behind the gilded doors of the rich and powerful, joining the Army seemed like James Trent's best option. He just never thought he'd see combat. Now Trent finds himself on the front lines fighting for something he doesn't even know if he believes in. Destroying innocent lives wasn't what he signed on for, and he can feel himself slipping away with every casualty. Sharpshooter Sam Cross was just fourteen when American soldiers gunned down her parents and forced her brother into conscription. Now, five years later, retribution feels like her only option to stitch the wound of her past. She has accepted Joseph Graham's offer to be his secret weapon. His Reaper in the Valley. But retribution always comes at a cost. When forces clash in Salt Lake City, alliances will be shattered, resolve will be tested, and when the dust clears nobody will be able to lie to themselves, or be lied to, again. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Wake Nov 03 2022 "A work that is as disturbing as it is empathetic, as beautiful as it is riveting." —Eimear McBride, *New Statesman* In the aftermath of the Norman Invasion of 1066, William the Conqueror was uncompromising and brutal. English society was broken apart, its systems turned on their head. What is little known is that a fractured network of guerrilla fighters took up arms against the French occupiers. In *The Wake*, a postapocalyptic novel set a thousand years in the past, Paul Kingsnorth brings this dire scenario back to us through the eyes of the unforgettable Buccmaster, a proud landowner bearing witness to the end of his world. Accompanied by a band of like-minded men, Buccmaster is determined to seek revenge on the invaders. But as the men travel across the scorched English landscape, Buccmaster becomes increasingly unhinged by the immensity of his loss, and their path forward becomes increasingly unclear. Written in what the author describes as "a shadow tongue"—a version of Old English updated so as to be understandable to the modern reader—*The Wake* renders the inner life of an Anglo-Saxon man with an accuracy and immediacy rare in historical fiction. To enter Buccmaster's world is to feel powerfully the sheer strangeness of the past. A tale of lost gods and haunted visions, *The Wake* is both a sensational, gripping story and a major literary achievement.

In the Wake of the Wake Apr 15 2021 This ground-breaking exploration of the influential aura of James Joyce's *Finnegans Wake* initially appeared as a special issue of *TriQuarterly* (No. 38, Winter 1977). Available now in a permanent format, it offers both students and scholars an excellent introduction to major contemporary figures writing within the Joycean tradition.

The Dangerous Type Jun 17 2021 Set in the wake of a galaxy wide war and the destruction of a human empire, *The Dangerous Type* follows the awakening of one of the galaxies most dangerous assassins and her quest for vengeance. Entombed for twenty years, Reana has been found and released. Thallian has been on the lam for the last fifteen years; a wanted war criminal whose entire family has been hunted down and murdered for their role in the galaxy wide genocide of the Templars. His name is the first on Reana's list, as he's the one that enslaved her, made her his assassin, and ultimate put her in a tomb. But Thallian is willing to risk everything—including his army of cloned sons—to capture her. Now it's a race to see who kills who first. Alternatively, Gaven has spent the last twenty years trying to forget about Reana, who he once saved and then lost to the clutches of Thallian. Reana's adopted sister, Ariel, has been running from the truth: the one about Reana, about her and Gavin, and doesn't know if she'll be able to face either of them. *The Dangerous Type*, a mix of military science fiction and an adventurous space opera that grabs you from the first pages and doesn't let go. Along with a supporting cast of smugglers, black market doctors, and other ner-do-wells sprawled across a galaxy brimming with alien life, *The Dangerous Type* is a fantastic beginning to Loren Roads' epic trilogy. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Please Don't Wake the Animals Mar 27 2022 An introduction to animal sleeping habits.

Where There's a Will There's a Wake Nov 30 2019 Whether you're someone who wants to plan the celebration of their own life or has a relative or friend of someone who is close to death, *Where There's a Will There's a Wake* was written by wake caterer and funeral director Karin Slade to empower people to own their end of life choices and to change the way we do funerals. Topics covered include how to establish your own clear guidelines, what your real options and rights are when it comes to death and dying, and how to plan ahead of time to organise a celebration of your own life or to help a loved one who is dying. By preparing a celebration of someone's life (or yours) in tune with their last wishes, you can help to take away pain, stress and overwhelm for your partner, parent, child, friend or whomever would be in charge of decision making for your funeral and wake. You can also save a considerable amount of money for your loved ones.

Don't Wake the Baby! May 05 2020 Nothing wakes this baby—not a beeping car, not a barking dog, not a ringing telephone! But when a tiny fly buzzes by, he finally wakes up. And what does it take to get him back to sleep? A kiss on the nose from big sister! All Aboard Reading titles feature extra-large type, primer-easy sentence structure, and colorful rebus pictures that replace many nouns in the text. This book includes 24 cut-out flash cards.

Wake a Sleeping Tiger Mar 15 2021 When readers of dark romance and unbridled desire want to be satisfied, they turn to #1 New York Times bestselling author Lora Leigh and her "powerful and highly erotic" (*Fresh Fiction*) Breed novels. Now a Breed hides in the world of man until a woman arouses the amused and wildly carnal animal within him... Once, he was Judd Bengal Breed and brother to the notorious fugitive Gideon. After Gideon disappeared, Judd was experimented on until his tortured body knew nothing but agony. Now he is Cullen Maverick, serving as the commander of the Navajo Covert Law Enforcement Agency in the small community of Window Rock, Arizona. Despite his genetics, Cullen is able to pass as human because his Bengal traits are recessed. But he remains tormented that he wasn't able to mate the woman he loved at the cost of her life. He's no longer a Breed, merely a man...or so he thinks. But his tiger is about to be awakened by the one woman destined to be his—Chelsea Martinez. And their world will never be the same...

When I Wake Up Jul 31 2022 "What will I do tomorrow? I'm a little curious..." This delightful bedtime story provides a whimsical take on everyday activities. Capture the magic of childhood fun and let your little one's imagination run wild.

The Wake of the Whale Sep 20 2021 Despite declining stocks and health risks, island communities in the Caribbean and North Atlantic still use traditional methods to hunt whales and dolphins for food. Russell Fielding presents the art, history, and purpose of whaling in these different cultures and describes what their future might look like as modern realities take hold.

Wake Jul 27 2019 Caitlin Decter is young, pretty, feisty, a mathematics genius, and blind. Still, she can surf the net with the best of them, following its complex paths clearly in her mind. But Caitlin's brain long ago co-opted her primary visual cortex to help her navigate online. So when she receives an implant to restore her sight, instead of seeing reality, the landscape of the World Wide Web explodes into her consciousness, spreading out all around her in a riot of colors and shapes. While exploring this amazing realm, she discovers something - some other - lurking in the background. And it's getting more and more intelligent with each passing day. The first of a spellbinding future history trilogy that charts what will happen when the world's first first, and superior, artificial-intelligence is born in the web.

Wake Apr 27 2022 The first in the thrilling *Watersong* series, *Wake* is a dramatic story of family, love and the devastating power of the sea, by the bestselling author of the *Trylle* trilogy, Amanda Hocking. Beautiful. Fearless. Dangerous. They're the kind of girls you envy; the kind of girls you want to hate. Strangers in town for the summer, Penn, Thea, and Lexi have caught everyone's attention, including the eye of practical Harper. But it's her sister, Gemma, they've chosen to be part of their group. Sixteen-year-old Gemma seems to have it all - carefree, pretty, and falling in love with the boy next door. But her greatest passion has always been the water. She craves late night swims under the stars, where she can be alone yet belong to the sea. Lately she's had company. Penn, Thea, and

Lexi spend their nights dancing, singing, and partying on the cove - and one night Gemma joins them. When she wakes up groggy on the beach the next morning, she knows something has changed. Suddenly Gemma is stronger, faster, and more beautiful than ever. As she uncovers the truth about her new mythical powers, Gemma is forced to choose between staying with those she loves or entering a dark world brimming with unimaginable secrets.

The Wake-Up Call Feb 23 2022 An urgent and informed look at the challenges Britain and world governments will face in a post-Covid-19 world. The Covid crisis has not just highlighted the failures of certain governments, it is accelerating a shift in the balance of power from West to East. After a decade where politics in the US and the UK has been consumed with inward-facing struggles, countries like South Korea, Singapore, Taiwan, as well as China, have made extraordinary advances economically, technologically and politically. In this beautifully crafted essay, Micklethwait and Wooldridge explain how we ended up in this mess and explore the possible routes out. If Western governments respond creatively to the crisis, they will have a chance of reversing decades of decline; if they dither and delay while Asia continues to improve, the prospect of a new Eastern-dominated world order will increase. The big question facing the world is whether the West can rise to the challenge as it has before.
