EBOOK: Prego! An Invitation to Italian Jan 01 2020 Prego! is easy to use! For this exciting new edition, we listened to our many adopters and made significant revisions to adapt Prego! to the changing needs of your students. Every aspect of this program is based on the strong foundation of vocabulary and grammar presentations unique to Prego along with communicative activities and expanded cultural material to help students develop language proficiency. As a result, the program is even stronger, offering a truly integrated approach to presenting culture that inspires students to develop their communication skills. All print and media supplements for the program are completely integrated in CENTRO, our comprehensive digital platform that brings together all the online and media resources of the Prego! program. These include the Quia online versions of the workbook and laboratory manual, the video program, the music playlist, and new interactive games. Instructors will also find an easy-to-use grade book, an instructor dashboard, and a class roster system that facilitates course management and helps reduce administrative workload.

LATINITATIS RATIONES Sep 28 2019 This volume assembles 50

contributions presented at the XVII International Colloquium on Latin Linguistics. They embrace essential topics of Latin linguistics with different theoretical and methodological approaches: phonetics, syntax, etymology and semantics, pragmatics and textual analysis. It is a useful resource for the study of comparative and general linguistics, not only for linguists but also for scholars of classical philology.

Italian Literature: Il tristiano panciaticchiano Aug 27 2019 The Arthurian Archives series of texts and editions in translation, edited by Norris J. Lacy, makes a start on Italian Arthurian material, with a 14c Tristan text. This is the first critical edition with English translation of the prose compilation *Tristiano panciaticchiano*, preserved in a unique manuscript in the Biblioteca Nazionale of Florence (MS Panc. 33); it is the first time the Italian text has been published in its entirety in any form. Assembled by the mid-fourteenth century, the manuscript is an original compilation in Italian based on several French models: the *Queste del San Graal*, *Josephd'Arimathie*, the *Mort Artu*, and notably, the *Roman de Tristan en prose*. While the edition itself will be of great interest, the translation into English is a major opportunity for Arthurians and other medievalists, and furnishes important new evidence for the study of Arthurian material in Italy. Apparatus includes a finding list of Arthurian manuscripts produced, owned or read by Italians; a select bibliography; and an index of proper names found in the narrative.

Living under the Evil Pope Apr 15 2021 In *Living under the Evil Pope*, Martina Mampieri presents the Hebrew Chronicle of Pope Paul IV, written in the second half of the sixteenth century by the Italian Jewish moneylender Benjamin Nehemiah ben Elnathan (alias Guglielmo di Diodato) from Civitanova Marche.

The Voices of Carlo Levi- Le Voci Di Carlo Levi Nov 30 2019 As a writer, Carlo Levi has had the misfortune to be known as the author of one book, *Christ Stopped at Eboli*, the account of his years of internal banishment by the Fascist authorities to a remote village in the south of Italy. That book was recognised as a masterpiece of anti-Fascist literature and as a sensitive investigation of the way of life of a people at the margins of European civilisation. It enjoyed enormous success in the post-war period not only in Italy but also in Britain and the USA, and has been continuously in print since its first publication. However, Levi was also a painter of some repute, a novelist, a journalist, a critic of art and

society, a political commentator, and above all, a wholly idiosyncratic travel writer whose reports on the countries and regions he visited, including Sicily, Sardinia, Germany, the USSR and India, were also reflections on Italy. This book attempts to assess the totality of Levi's achievement. Come scrittore, Carlo Levi ha avuto la sfortuna di essere celebrato come autore di un libro solo, Cristo si è fermato ad Eboli, la narrativa dei suoi anni di confino nel Mezzogiorno sotto il regime fascista. Sin dal momento della sua pubblicazione nel primo dopoguerra, questo libro è stato riconosciuto come capolavoro della letteratura antifascista e come indagine penetrante della cultura di un popolo ai margini della civiltà europea. Comunque, Levi fu anche pittore di grande talento, romanziere, critico d'arte, critico della società, commentatore politico e viaggiatore-scrittore di libri di viaggi sui generis. I suoi articoli, che poi divennero libri, sui paesi e sulle regioni che visitò - la Sicilia, la Sardegna, la Germania e l'India - si rivelarono anche riflessioni sulla condizione dell'Italia. Questa raccolta di saggi è una rivalutazione della totalità delle opere di Carlo Levi.

The Gendered 'I' in Ancient Literature Aug 08 2020 Considering the ubiquity of rhetorical training in antiquity, the volume starts from the premise that every first-person statement in ancient literature is in some way rhetorically modelled and aesthetically shaped. Focusing on different types of Greek and Latin literature, poetry and prose, from the Archaic Age to Late Antiquity, the contributions analyse the use and modelling of gender-specific elements in different types of first-person speech, be it that the speaker is (represented as) the author of a work, be it that they feature as characters in the work, narrating their own story or that of others. In doing so, they do not only offer new insights into the rhetorical strategies and literary techniques used to construct a gendered 'I' in ancient literature. They also address the form and function of first-person discourse in classical literature in general, touching on fields of research that have increasingly come into focus in recent years, such as authorship studies, studies concerning the ancient notion(s) of the literary persona, as well as a historical narratology that discusses concepts such as the narrator or the literary character in ancient literary theory and practice.

Italian Short Stories for Beginners Apr 03 2020 What is the most challenging thing about learning Italian? It's finding helpful and engaging reading material that you can actually understand... That is precisely what motivated us to write this book. How is a student supposed to learn when language instructors love providing materials that are tough expert-level literature with tons of grammar and rules? That style of book for new language learners can be overwhelming, and lead you to flip back and forth between a dictionary and your book... constantly! Not an effective use of your time nor the best way to learn. Is this how children learn their language skills? No. Enter Italian Stories for Beginners Vol. 1: You will find 10 easy-to-read, engaging, and fun stories that will help you to expand your vocabulary and give you the tools to improve your grasp of the Italian language. Improve your comprehension, grow your vocabulary and spark your imagination with these ten unconventional Italian short stories! All stories are written using vocabulary that you could easily use in your day-to-day conversations. The stories are written with beginner Italian learners in mind. With that said, it is highly recommended to have a basic understanding of Italian to achieve maximum enjoyment and effectiveness of the lessons. This program is excellent for those who want to get an introduction to the language or brush up on their Italian language skills. How to Read Italian Short Stories for Beginners: -Each story contains an important lesson in the Italian language involving an interesting and entertaining story with realistic dialogues and day-to-day situations. -A summary in Italian and in English of what you just read, both to review the lesson and for you to gauge your comprehension of what the tale was about. -At the end of those summaries, you'll be provided with a list of vocabulary found in the lesson, as well as phrases that you may not have understood the first time! -Finally, you'll be given clever comprehension questions in Italian, so you can prove that you learned something in the stories. Even if you have tried multiple times to learn Italian these short stories will give you the jumpstart you need to finally grasp the language! Act now and grab your copy of Italian Short Stories and start learning the fun way!

The Comedies of Machiavelli Dec 12 2020 Though better known today as a political theorist than as a dramatist, Machiavelli secured his fame as a giant in the history of Italian comedy more than fifty years before Shakespeare's comedies delighted English-speaking audiences. This bilingual edition includes all three examples of Machiavelli's comedic art: sparkling translations of his farcical masterpiece, *The Mandrake*; of his version of Terence's *The Woman From Andros*; and of his Plautus-inspired *Clizia*--works whose genre afforded Machiavelli a unique vehicle not only for entertaining audiences but for examining virtue amid the twists and turns of fortune.
