Qur'aanic Studies Manzil VI Jul 22 2019 I present this humble work in the earnest hope that it will prompt my Readers to try and understand the divine Message in its original Arabic text. They should remember that no translation however meticulously done can ever equal the original Arabic text in its divine grandeur and pristine clarity. One may wonder why this yet another addition to the existing plethora of Translations and Commentaries! The answer to this question lies in the beauty of the fact that the divine Message of the Qur'aan remains valid for all times and ages since its revelation until the Last Day. The Message therefore needs to be studied from time to time in the changing perspectives of the changing times. It would be wrong to confine this universal Message for mankind to the circumstances and situations of a particular period in the past. Unfortunately, however, most of the commentators so far have based their understanding of the Qur'aan in the strict perspective of the circumstances and situations prevailing at the time of its revelation way back in 7th century A.D. The Muslim mindset generally has thus got stagnated and therefore unable to cope with the changing situations of the changing times. This humble attempt of mine is to help Muslims generally to come out, Allah willing, of that crippling stagnation. This Part (Manzil) of QUR'AANIC STUDIES - A Modern Tafsir is on the Qur'aanic Chapters 37 to 49. Hyperlinks to Verses/notes here are operative only in respect to those within this Part.

Muslims and Christians in Norman Sicily Jun 25 2022 The social and linguistic history of medieval Sicily is both intriguing and complex. Before the Muslim invasion of 827, the islanders spoke dialects of either Greek or Latin or both. On the arrival of the Normans around 1060 Arabic was the dominant language, but by 1250 Sicily was an almost exclusively Christian island, with Romance dialects in evidence everywhere. Of particular importance to the development of Sicily was the formative period of Norman rule (1061-1194), when most of the key transitions from an Arabic-speaking Muslim island to a 'Latin'-speaking Christian one were made. This work sets out the evidence for those changes and provides an authoritative approach that re-defines the conventional thinking on the subject.

Delhi Jan 28 2020 Ronald Vivian Smith is an author of personal experiences — a rare breed to find in a time when even journalists hesitate to put pen to paper without scanning through the internet. A definitive voice when it comes to some known and unknown tales and an inspiration to a new generation of city-scribes, Smith is a master-chronicler of Delhi's myriad realities. Among the capital's most ardent lovers, Smith believes in the power of observation and interaction. His travels across Delhi, most often in a DTC bus, examine the big and small curiosities — seamlessly juxtaposing the past with the present. Be it the pride he encounters in the hutments of one of Chandni Chowk's age-old beggar families, or his ambling walks around Delhi's now-dilapidated cemeteries, Smith paints with his words a city full of magic and history. This anthology features short essays on the Indian sultanate, its fall after the British Raj, and its resurrection to become what it is today — the National Capital Territory of Delhi. 'No amount of bookish knowledge can compete with the sort of insights and real, lived memories he [Smith] has.' —Rakshanda Jalil, LiveMint '... When it comes to writing on monuments of Delhi — known, little known or unknown — no one does a better job than R.V. Smith.' —Khushwant Singh, Hindustan Times

This book has the pictures of all the positions of performing the prayer. There has been an urgent need for a simple and concise guide which teaches the basics of prayer for Muslims. This book has been designed for people who don't know how to pray yet or those who aren't sure whether they learned correctly or not. In this book you will learn the prayers by reading clear and simple descriptions of what to do. The 5 times 5 prayers rewards are equal to 50 prayers: ' Then fifty prayers were enjoined on me. I descended till I met Moses who asked me, 'What have you done?' I said, 'Fifty prayers have been enjoined on me.' He said, 'I know the people better than you, because I had the hardest experience to bring Bani Israel to obedience. Your followers cannot put up with such obligation. So, return to your Lord and request Him (to reduce the number of prayers.)' I returned and requested Allah (for reduction) and He made it forty. I returned and (met Moses) and had a similar discussion, and then returned again to Allah for reduction and He made it thirty, then twenty, then ten, and then I came to Moses who repeated the same advice. Ultimately Allah reduced it to five. When I came to Moses again, he said, 'What have you done?' I said, 'Allah has made it five only.' He repeated the same advice but I said that I surrendered (to Allah's Final Order)' " Allah's Apostle was addressed by Allah, "I have decreed My obligation and have reduced the burden on My slaves, and I shall reward a single good deed as if it were ten good deeds." - Sahih Al-Bukhari 4:429 The Prophet (PBUH) has said: "Whoever guides

[another] to a good deed will get a reward similar to the one who performs it." Hadrat Abdullah Ibn Masud (may Allah be pleased with him) said that he enquired of the Prophet (may Allah's blessings and peace be upon him) what was the best deed in the sight of Allah. The Prophet (may Allah's blessings and peace be upon him) replied, "To say prescribed prayers at stated hours." I asked what was the next best. He said, "To be good to parents." I again asked what deed ranked next. He said, "To do Jihad struggle in the way of Allah." (Bukhari, Muslim)

Manzil Na Milee Sep 28 2022 Most of me might be worthless; it won't hurt you to read my thought. I was digging in dark and deep; freezing, shivering, and sometimes hot. Look like lazy and little bit loose; but believe me baby it means a lot. Very different and hard to believe; thought is the same with brand new shot. Somebody should have been upfront; somebody should have opened the naught. You can cook up and twist the tale; someday surely you will get caught. No thank you I don't ask anything; price or praise no mention not. Highly obliged you will find me; pretty please read it, give it a shot
