[Bear Child](#) Nov 04 2020 'Now that people live in towns and bears live in the woods, have you ever wondered what happened to the bear folk?' At bedtime Ursula asks Daddy to tell her the tale of the bear folk: special beings who can choose to be either a bear or a person, depending if they want to catch a fish or read a book. Bear folk live extraordinary lives, he tells her. They are strong and clever, kind and loving, adventurous and creative -- just like her. Will I ever meet one?, Ursula asks. Perhaps she already has... Bear Child is an inspirational story of parental love, belief and embracing individuality. This beautiful picture book weaves together Geoff Mead's charming words with Sanne Dufft's ethereal illustrations to create a truly timeless folktale.

**How Could a Bear Sleep Here?** Jan 06 2021 It's time for Shelby to hibernate, but how could a bear sleep in this noisy forest? The woodpeckers are rat-tat-tatting, the squirrels are cracka-cracka-crunching--there's too much noise! When Shelby spies the perfect cave, only too late does he realize he's hopped aboard a tour bus bound for the beach. Coupled with hysterically expressive illustrations by Stephanie Laberis, Julie Gonzalez's lively text and familiar refrain sings as Shelby, after several attempts to snooze in the tropics with increasing exhaustion, finally discovers the perfect solution to his noise problem. This is a great read-aloud for young readers who will recognize the refrain ("How could a bear sleep here?") and the silliness of Shelby's predicament

**Here Lies Hugh Glass** Sep 26 2022 In the summer of 1823, a grizzly bear mauled Hugh Glass. The animal ripped the trapper up, carving huge hunks from his body. Glass's fellows rushed to his aid and slew the bear, but Glass's injuries mocked their first aid. The expedition leader arranged for his funeral: two men would stay behind to bury the corpse when it finally stopped gurgling; the rest would move on. Alone in Indian country, the caretakers quickly lost their nerve. They fled, taking Glass's gun, knife, and ammunition with them. But Glass wouldn't die. He began crawling toward Fort Kiowa, hundreds of miles to the east, and as his speed picked up, so did his ire. The bastards who took his gear and left him to rot were going to pay. Here Lies Hugh Glass springs from this legend. The acclaimed historian Jon T. Coleman delves into the accounts left by Glass's contemporaries and the mythologizers who used his story to advance their literary and filmmaking careers. A spectacle of grit in the face of overwhelming odds, Glass sold copy and tickets. But he did much more. Through him, the grievances and frustrations of hired hunters in the early American West and the natural world they traversed and explored bled into the narrative of the nation. A marginal player who nonetheless sheds light on the terrifying drama of life on the frontier, Glass endures as a consummate survivor and a complex example of American manhood. Here Lies Hugh Glass, a vivid, often humorous portrait of a young nation and its growing pains, is a Western history like no other.

Bear is tired of waking up every morning in the same green forest, so he decides to search for a new place to live. He visits the birds in the trees, a mole underground, a camel in the hot desert sand, puffins in the cold arctic snow . . . only to realize his own home is the perfect place for him after all. *Welcome Home, Bear* offers rich illustrations, bright colors, and a simple, spare text—all wrapped up in a beautiful, kid-friendly package. Readers meet animals in their habitats around the world—and return with Bear to the one place he is truly happy.

**Bear Boy** Sep 14 2021 *Bear Boy* is a true-life coming-of-age story of two bears who inspire one boy to stand up for animals, question authority and discover the power of activism. "This is a book that will encourage you to follow your dreams...I simply couldn't put it down." -Jane Goodall, UN Messenger of Peace "An empowering story of a young man who discovered his words count, his actions count, and he counts...Delightful in umpteen ways." -Ingrid Newkirk, President of PETA "A truly empowering story of compassion, activism, and self-discovery." -Jasmin Singer, author of *Always Too Much and Never Enough* Justin is a typical teenager, dodging school bullies and waging an endless war with his parents. But when he discovers Ursula and Brutus—two sibling black bears being kept in horrific conditions at a nearby zoo—his life begins to change.

He finds a cause that ignites his passion and an animal sanctuary willing to take the bears. But there's a catch: he'll have to cover the quarter-million-dollar cost. Undaunted, Justin takes his seemingly insurmountable quest to an international audience, gaining media attention and support from celebrities. With television cameras rolling, Justin fights to free the bears, and it turns out himself. Justin Barker's surprising and moving YA memoir offers the optimism of the 1990s while exploring timely issues of activism, animal rights, and LGBTQ identity with tenderness, unblinking honesty, and heart. Additional Praise for *Bear Boy*: "In this compelling, honest, and moving story, Justin Barker proves that one kid can make a big difference. Old and young, rich and poor, black and white, LGBTQ and straight—we all have the power to change the lives of animals for the better."—Sy Montgomery, NYT bestselling author, *The Soul of an Octopus* "Justin sets an example for what a motivated young person can do to impact their community and the world. Written with honesty and humor, it's fun to tag along as Justin fights his long battle to save Brutus and Ursula. We need more stories like this." —Jamie Margolin, cofounder, Zero Hour; author, *Youth to Power*

**Bear in Love** Jul 20 2019 Could the bear have a secret friend? Who is leaving him surprises? The ever-lovable Daniel Pinkwater spins a funny and sweetly offbeat story. Features an audio read-along performed by the author! One morning, the bear finds something just outside his cave. It is orange and long and pointy and has bushy green leaves at one end. And it's sweet and crunchy! Where did it come from? Did someone leave it for him? Then there are two more of the sweet crunchy things the next morning! The bear knows that someone nice is leaving him these treats. If only he could discover who it is! Should he leave something tasty in return? **Off We Go!** Mar 08 2021 Mole's determination to ride without training wheels vanishes when he wobbles and crashes—but Bear's support convinces him to try again. A charming story about confidence and perseverance, starring Will Hillenbrand's beloved Bear and Mole. At first, Mole can't wait to get the training wheels off his bike, but riding is harder than he expects. "I quit!" he sobs, after his first attempt goes awry. But his dear friend Bear encourages him to get up and try again. It's a bumpy ride—but Mole makes it, all by himself. Will Hillenbrand's Bear and Mole series is the perfect choice for storytime sharing or reading aloud. Strong verbs, repetitive phrases, and fun-to-read sounds keep young listeners and readers engaged with the story, while the gentle illustrations add detail and quiet humor. Kids will delight in poring over these books again and again. Don't miss the other Bear and Mole titles, including *All For a Dime*, *Spring is Here*, and *First Star!*

**Spring is Here** Oct 27 2022 Excited that spring has finally arrived, Mole tries--unsuccessfully--to wake up Bear, but then he comes up with the perfect plan.

**Memoirs of a Polar Bear** Sep 02 2020 Someone tickled me behind my ears, under my arms. I curled up, became a full moon, and rolled on the floor. I may also have emitted a few hoarse shrieks. Then I lifted my rump to the sky and tucked my head beneath my belly: Now I was a sickle moon, still too young to imagine any danger. Innocent, I opened my anus to the cosmos and felt it in my bowels. A bear, born and raised in captivity, is devastated by the loss of his keeper; another finds herself performing in the circus; a third sits down one day and pens a memoir which becomes an international sensation, and causes her to flee her home. Through the stories of these three bears, Tawada reflects on our own humanity, the ways in which we belong to one another and the ways in which we are formed. Delicate and surreal, *Memoirs of a Polar Bear* takes the reader into foreign bodies and foreign climes, and immerses us in what the *New Yorker* has called 'Yoko Tawada's magnificent strangeness'.

**No Bears Allowed** Jul 12 2021 Rabbit is afraid of many things, but most of all he's afraid of gigantic, monstrous BEARS! The very nervous Rabbit is soon confronted by his worst fear who appears to be far more interested in making new friends than causing Rabbit any real harm. Despite his apprehension, Rabbit agrees to join his jovial new acquaintance for dinner, but wait a minute . . . is Bear planning to "have" Rabbit for dinner? In this tender story about a very nervous rabbit and a lovable bear, Rabbit

discovers that things aren't always as scary as they seem, and sometimes you may just have more in common with others than you think.

**In the Eye of the Wild** Mar 20 2022 After enduring a vicious bear attack in the Russian Far East's Kamchatka Peninsula, a French anthropologist undergoes a physical and spiritual transformation that forces her to confront the tenuous distinction between animal and human. In *The Eye of the Wild* begins with an account of the French anthropologist Nastassja Martin's near fatal run-in with a Kamchatka bear in the mountains of Siberia. Martin's professional interest is animism; she addresses philosophical questions about the relation of humankind to nature, and in her work she seeks to partake as fully as she can in the lives of the indigenous peoples she studies. Her violent encounter with the bear, however, brings her face-to-face with something entirely beyond her ken—the untamed, the nonhuman, the animal, the wild. In the course of that encounter something in the balance of her world shifts. A change takes place that she must somehow reckon with. Left severely mutilated, dazed with pain, Martin undergoes multiple operations in a provincial Russian hospital, while also being grilled by the secret police. Back in France, she finds herself back on the operating table, a source of new trauma. She realizes that the only thing for her to do is to return to Kamchatka. She must discover what it means to have become, as the Even people call it, medka, a person who is half human, half bear. *In the Eye of the Wild* is a fascinating, mind-altering book about terror, pain, endurance, and self-transformation, comparable in its intensity of perception and originality of style to J. A. Baker's classic *The Peregrine*. Here Nastassja Martin takes us to the farthest limits of human being.

**Kite Day** Jan 18 2022 On a windy spring day, Bear sniffs the air. Could it be. . . Kite day? Rushing home he tells Mole, and the two fast friends get to work building a kite of their own. They study, and collect, and measure, and construct—and soon, their kite is flying high above the meadow. But when a storm rumbles in—SNAP!—the kite string breaks, and all their hard work soars away. Chasing after it, Mole and Bear discover all is not lost—wedged in the branches of a tree, their kite protects a nest of baby birds from the pouring rain. Will Hillenbrand's *Bear and Mole* series is the perfect choice for storytime sharing or reading aloud. Strong verbs, repetitive phrases, and fun-to-read sounds keep young listeners and readers engaged with the story, while the gentle illustrations add detail and quiet humor. Kids will delight in poring over these books again and again. Don't miss the other *Bear and Mole* titles, including *All For a Dime*, *Spring is Here*, and *First Star!*

**Brown Bear, Brown Bear, What Do You See?** May 10 2021 Eric Carle's familiar illustrations of brown bear, red bird, yellow duck and the other endearing animals from his classic creation parade across the pages of this great interactive board book. As each page is turned, a new animal and its colour are introduced, accompanied by Bill Martin's singsong, rhyming question-and-response text to read aloud or listen to. There are sliding doors throughout the book, which children will just love to open, so they can discover what the next animal in this engaging story will be.

**Bingo Bear Was Here** Feb 19 2022 In 1955 Bingo Bear, a stuffed koala, travels from Cleveland, Ohio, to Africa where he accompanies one of his former playmates, now a grown woman, as she and her husband climb Africa's highest mountain, Mount Kilimanjaro.
