HOPE FOR THE ULTIMATE VICTORY Mar 22 2022 Everyone has a desire that sometimes gets lost in present fear, painful pressure, doubtful belief, forgotten dreams, and sheer hopelessness. Looking in from the outside, giving up seems to be for the weak, but standing strong when all hope is gone even finds that the mighty also have fallen. Inside the pages of this book, HOPE FOR THE ULTIMATE VICTORY, one will find practical solutions for everyday living and HOPE even when life throws you an unexpected curveball. HOPE FOR THE ULTIMATE VICTORY declares that there is reason to hold on to that one iota of hope and expectation that goes beyond one's ability to see hope when all hope is gone.

**Gambling Dynamism** Jan 08 2021 Four years after the actual implementation of its casino deregulation policy, Macao has surpassed Las Vegas as the world's top gambling destination in terms of annual turnover. Also, various recent surveys have put Macao at the very top of the list in terms of per capita GDP, as its economy grew shortly after the

resumption of Chinese sovereignty. How could a tiny city without any natural resources on the southern coast of China have managed to achieve such a miraculous level of development? This book presents an unparalleled study of Macao's economic dynamism and its gambling industry not only by merging historical and current developments, but also by presenting solid subjective and objective indicators and evidence. It offers an indispensable resource for students, researchers, and general readers looking to understand Macao's gambling miracle.

**The fight for Everest, 1924** Mar 10 2021

*The Financial Advisor M&A Guidebook* Jan 28 2020 With M&As in the RIA space increasing, many firms are rapidly changing hands with little to no expert guidance on how to successfully execute a merger or acquisition. In 2017, a record number of M&A deals closed in the advisor space – 168 transactions, or a 22% growth over 2016. Aside from a fifth straight year of record highs in M&A activity, the size of the acquired firms has also increased, with average acquisitions involving wealth managers exceeding \$1.01 billion in assets under management. For many advisors, it only takes a handful of missteps during a merger or acquisition to jeopardize their business, but with so much unknown, advisors need a guidebook for success. A significant and often overlooked component to a successful RIA merger or acquisition is the thoughtful integration of technology. This comprehensive guide walks you through the steps of strategy, assessment, implementation, adoption and growth, all while considering how to best inspire and galvanize a firm's most valuable asset – its people. Combining the real-life experiences of a life-long financial advisor with the expertise of a 15-year operations director and founder of a large RIA ops network, this book takes real M&A experiences of the financial services industry and offers best practices, tools and resources to help advisors make smart decisions about technology integration that elevates the firm's goals and solidifies its future success.

**Sterile Product Development** May 12 2021 This comprehensive book encompasses various facets of sterile product development. Key concepts relevant to the successful development of sterile products are illustrated through case studies and are covered under three sections in this book: • Formulation approaches that discuss a variety of dosage forms including protein therapeutics, lipid-based controlled delivery systems, PEGylated biotherapeutics, nasal dosage form, and vaccines • Process, container closure and delivery considerations including freeze-thaw process challenges, best practices for technology transfer to enable commercial product development, innovations and advancement in aseptic fill-finish operations, approaches to manufacturing lyophilized parenteral products, pen / auto-injector delivery devices, and associated container closure integrity testing hurdles for sterile product closures • Regulatory and quality aspects in the areas of particulate matter and appearance evaluation, sterile filtration, admixture compatibility considerations, sterilization process considerations, microbial contamination investigations and validation of rapid microbiological methods, and dry and moist heat sterilizers This book is a useful resource to scientists and researchers in both industry and academia, and it gives process and product development engineers insight into current industry practices and evolving regulatory expectations for sterile product development.

*The Little Soul and the Sun* Dec 19 2021 The Little Soul and the Sun is a simple and

powerful story that brings children a very profound truth: there is not absolute good or bad--that underneath all that happens in the world, all that we call "good" and all that we call "bad," is love. Your child will discover a God that she or he can love, because God is love, as are all the Little Souls who are a part of God. And perhaps parents, too, will rediscover who they really are.

**The Gardens of Delight** Jul 02 2020 In The Gardens of Delight Ian Watson boldly lands a starship within the hallucinatory terrain of Hieronymus Bosch's painting The Garden of Earthly Delights, a medieval masterpiece which enchants and horrifies all who see it, for the picture shows what looks to be a paradise of pleasure yet it also displays a terrible hell of torments. And so the ship's psychologist, Sean Athlone, and two women companions explore the luxurious landscape of giant fruits and birds and strange towers and naked celebrating people, in quest of the godlike alien intelligence that has transformed a planet according to Bosch's vision, populating it with the colonists from a previous starship.

*Awakening Consciousness* Aug 27 2022 The book *Awakening Consciousness* is a complete guide for personal and collective transformation. It is an adventure intertwined with universal knowledge that will enable you to get to know yourself truly, to awake and create consciously. We all have a purpose, and if we all fulfill it with love and joy, the world would be a wonderful place to live and work in, where every individual inspired by their own magnificence will contribute toward the overall compassion, peace, and love. We would like to invite you to join us to develop together this idea of awakening consciousness. We would like you to take a good look inside yourself, to discover your true yearning, to create reality by your own design and to become pure love.

**Beach Money** Jul 22 2019 Unravel the mystery around creating a large residual income in network marketing! Have you ever wondered if the average person can really make it big in network marketing? Have the secrets to success in network marketing always been a mystery to you? Have you given up on your dream lifestyle because it just seems too difficult or too far out of reach? Beach Money shows you how to compress a 30-year career into 3 to 5 years, design your life around your free time instead of around your work schedule, and turn your yearly income into your monthly income!

*Cryptocurrencies Simply Explained - By Tenx Co-Founder Dr. Julian Hosp* Jul 14 2021 The easiest way into the world of blockchain, cryptocurrency, decentralization, bitcoin, icos, and co: Have you ever asked yourself what a cryptocurrency, a blockchain, or Bitcoin is? How about the word "decentralization?" You might have heard that "these things are coming" and "will take over the world." No matter if you have or haven't, "they" are right-these things are coming. And "these things" will play just as important a role as the internet has for the past 20 years. You know who "won" with the internet? The people who started preparing for it at the beginning, using it personally or for their business before others did. With this new technology called blockchain, a similar window of opportunity has started to open. If you have no clue what a blockchain, a cryptocurrency, or Bitcoin is, don't worry-most of the population doesn't. One of the main challenges for anyone trying to get familiar with these topics is the question of "Where should I start?" This is exactly what prompted me to write this book. In the simplest way possible, I will explain all the aforementioned points so even a 10-year-old could understand them. At the same time, I will reference the details on a technical level to give

you both the large scale and the detailed picture. Explaining something to a 10-year-old is in no way a commentary on anyone's intelligence. I'm just following Albert Einstein's advice: "If you can't explain it simply, you don't understand it well enough." My ultimate goal is to make people all around the world #CRYPTOFIT. I.E fit for this new wave of decentralization and blockchain. 10 things you will learn in this book that will blow your mind: What does "backed by gold" actually mean? Will cryptocurrencies replace fiat currencies? Can an internet outage destroy cryptocurrencies? Does mining really create cryptocurrencies? (Hint: It doesn't) Is a maximum amount of Bitcoin really good for a currency? How do I get a cryptocurrency account if no one is in charge? Are cryptocurrencies better than fiat currencies? Is blockchain the only solution for decentralization? Which technology will win? (Hint: Not the best one!) Can you lose a coin? (Hint: You can NOT) Enjoy the read - Yours, Dr. Julian Hosp

An overview of the areas covered in the book: FROM GOLD TO CRYPTO BLOCKCHAIN AND CRYPTOCURRENCY BASICS PRIVATE KEYS AND PUBLIC ADDRESSES MINING HOW ARE CRYPTOCURRENCIES CREATED? WALLETS BLOCKCHAIN FORKS AND ATTACKS DESTROYING A CRYPTOCURRENCY? PRIVACY, ANONYMITY, AND TRANSPARENCY ALTCOINS AND BITCOIN CRYPTO-INVESTING THE FUTURE OF CRYPTOCURRENCIES BONUS CHAPTER: INITIAL COIN OFFERINGS (ICOs)

*Multilevel Marketing Plans* Feb 09 2021

**The Green Pearl** Aug 15 2021 "As two mighty kings struggle for dominance in the legendary Elder Isles -- land of faery shees, valiant knights and sorcerers who wield influence as well as magic -- a mysterious and beautiful green pearl travels from hand to hand, spreading destruction in its wake"--Cover

The Fight for Everest 1924 Nov 06 2020 In 1924 Mount Everest remained unclimbed. Two British expeditions had already tackled what was known to be the highest mountain on Earth. The first, in 1921, found a route to the base. The second, in 1922, attempted the summit, reaching a record height of 27,320 feet before retreating. Two years later, a team that included Colonel E.F. Norton, George Mallory and Andrew Irvine returned to the Himalaya. Armed with greater knowledge and experience, confidence was high. But they were still climbing into the unknown. How high could they climb without supplementary oxygen? Would the cumbersome oxygen equipment help them climb higher? Could they succeed where others had failed, and make the first ascent of the highest mountain on earth? Before they could find out, tragedy struck - George Mallory and Andrew Irvine, climbing high on the mountain, vanished into the clouds. First published in 1925, and reissued now for only the second time, *The Fight for Everest 1924* is the official record of this third expedition to Everest. The compelling narrative by Norton and other expedition members, and Mallory's vivid letters home, present a gripping picture of life in the Himalaya. Notes and observations from the entire team show how far knowledge of the mountain and of high-altitude climbing had advanced by 1924, and make recommendations for future Everest attempts. As well as the full original text and illustrations, this edition reproduces some of Norton's superb pencil sketches and watercolours along with previously unpublished materials from his private archive. These include original planning documents from the expedition, Mallory's last note to Norton,

and a moving letter to Norton from Mallory's widow. Together, they add up to complete one of the most fascinating mountaineering books ever written.

**7 Simple Habits of Extraordinary Salespeople** Sep 23 2019 An often-quoted statistic is, "5% of salespeople earn 90% of the commission generated in residential real estate sales". The same statistic holds for true in many industries. The obvious question is, "Why do a select number of salespeople earn extraordinary incomes, while others with the same apparent ambition do not?" Extraordinary salespeople develop a business plan that reaches for an extraordinary reputation that provides a powerful stream of enthusiastic referrals and repeat business. The result is a marketing advantage that cannot be matched by any other method. The common elements driving these extraordinary salespeople are 7 Simple "Take the High Road" Habits

*Project Management* Feb 27 2020 A new edition of the most popular book of project management case studies, expanded to include more than 100 cases plus a "super case" on the Iridium Project Case studies are an important part of project management education and training. This Fourth Edition of Harold Kerzner's Project Management Case Studies features a number of new cases covering value measurement in project management. Also included is the well-received "super case," which covers all aspects of project management and may be used as a capstone for a course. (PMP and Project Management Professional are registered marks of the Project Management Institute, Inc.)

**The Darkangel** Jun 01 2020 The Darkangel, a vampire of astounding beauty and youth, can only summon his full power when he finds his 14th and final bride. But for Aerial, whom he kidnaps to serve his brides, there is something about him--something beyond his obvious evil--that makes her want to save him rather than destroy him. The Darkangel--Pierce's first book, originally released in 1982--was an ALA Best Book for Young Adults, a New York Times Notable Children's Book, a Parent's Choice Award Superbook, and a Booklist Best Book of the Decade.

**The Convenience of White-Collar Crime in Business** Feb 21 2022 This book outlines the theory of convenience for white-collar crime to explain what motivates and enables offenders, providing a unique focus on white-collar crime in the business context. The theory of convenience suggests that the extent to which elite members commit and conceal economic crime is dependent on their extent of orientation towards convenience in problematic and attractive situations. Chapters are organized along the main theoretical dimensions of economical motive, organizational opportunity, and personal willingness.

In addition, this book: Addresses a business audience by focusing on themes familiar to corporations Documents attitudes towards white-collar crime among business students and future business leaders Analyzes how convenience orientation varies among individuals Analyzes autobiographies of convicted white-collar offenders Demonstrates the various ways in which white-collar crime occurs The Convenience of White-Collar Crime in Business contributes to an increased understanding of white-collar crime, offering valuable insight in business education that supplements the traditional roles of topics like auditing and compliance in education and practice. It is a useful resource for researchers and law enforcement, and those involved in the detection, prosecution, and conviction of white-collar offenders.

**European Erotic Romance** Oct 25 2019 European Erotic Romance examines the Renaissance publication and translation of the ancient Greek erotic romances, and English adaptations of the genre by Sir Philip Sidney, Shakespeare and Lady Mary Sidney Wroth. Providing fresh insight into the development of the novel, this study identifies the politicisation of erotic romance by the European philhellene (lovers of all things Greek) Protestant movement. To English translators and authors, the complex plots, well developed moralised characters (particularly female) and rhetorical styles of the ancient novels signify political and social reform. Generous quotation and translations ensure that European Erotic Romance is accessible to a broad spectrum of readers. Its organisation lends itself to use as a course text. It is suitable for use by senior undergraduates and specialists in Renaissance literature, translation, rhetoric and history.

*Emphyrio* Dec 07 2020 Far in the future, the craftsmen of the distant planet Halma create goods which are the wonder of the galaxy. But they know little of this. Their society is harshly regimented, its religion austere and unforgiving, and primitive - to maintain standards, even the most basic use of automation is punishable by death. When Amiante, a wood-carver, is executed for processing old documents with a camera, his son Ghyl rebels, and decides to bring down the system. To do so, he must first interpret the story of Emphyrio, an ancient hero of Halman legend. All Jack Vance titles in the SF Gateway use the author's preferred texts, as restored for the Vance Integral Edition (VIE), an extensive project masterminded by an international online community of Vance's admirers. In general, we also use the VIE titles, and have adopted the arrangement of short story collections to eliminate overlaps.

Discrimination, Vulnerable Consumers and Financial Inclusion Jun 13 2021 This book addresses the questions of discrimination, vulnerable consumers, and financial inclusion in the light of the emerging legal, socioeconomic, and technological challenges. New technologies – such as artificial intelligence-driven consumer credit risk assessment and Fintech platforms, the changing nature of vulnerability due to the ongoing COVID-19 pandemic, as well as the sophistication of digital technologies, which help circumvent legal barriers and protections – necessitate the continuous study of the existing legal frameworks and measures that are capable of tackling these challenges. Organized in two major parts, the first addresses, from multiple national angles, the idea of a human rights approach to consumer law, in order to replace the mantra of economic efficiency that characterizes financial services with those of human dignity and freedom from discrimination and from debt-induced servitude. The second tackles the challenges posed

by increased usage of technology in connection with financial services, which tends to solve, but also creates, additional issues for consumers in general, and for vulnerable groups in particular.

**Scientific American Monthly** Apr 30 2020

**Imperial Sunset** Jan 20 2022 Humanity's thousand-year-old interstellar empire has been rotting from the inside for over a century, thanks to venal, corrupt, and power-hungry sovereigns from a dynasty many consider illegitimate. The latest in that lineage, an increasingly psychotic empress, is pushing her realm toward catastrophic collapse as admirals and generals rebel against her rule. That rebellion quickly drags the once mighty Imperial Fleet into a devastating fratricidal conflict between factions. With civil war raging across human space, a Navy torn asunder can no longer protect frontier colonies, and barbarians long confined to the galactic badlands see an opportunity. After generations of hard existence on worlds beyond the bounds of human civilization, they hold life cheap, especially that of others. The barbarians will gladly steal everything they find and condemn defenseless star systems to technological and demographic collapse. That is if they don't wipe them out entirely from sheer bloodlust or by selling survivors on alien slave markets. One man, Captain Jonas Morane of the cruiser *Vanquish*, saw the empire's collapse coming years before the first admiral rebelled. When he finds himself the senior surviving officer of a loyalist Navy unit almost entirely annihilated by rebels, Morane puts in motion a plan he developed long ago. This plan was designed to not only save his ships and crews from certain death but keep humanity's accumulated knowledge from being obliterated by the long night of barbarism. However, before his dream can become a reality, Morane must lead the remains of the 197th Imperial Battle Group through an intricate wormhole network across a shattered empire, dodging his former colleagues from both sides, to the sanctuary he selected. Along the way, he rescues an Imperial Marine Corps Pathfinder battalion and the survivors of a religious order known for its mysticism from certain death, and enlists them in his cause. But will Morane's sanctuary survive both the flames of rebellion and the depredations of invading marauders before his rag-tag fleet can reach it? *Imperial Sunset* is the first installment in Eric Thomson's new saga *Ashes of Empire*. It tells the story of a desperate attempt to stave off the darkness threatening to smother humanity's interstellar empire and send civilization back to the Stone Age. *Ashes of Empire* is set in the Siobhan Dunmoore, Decker's War, and Quis Custodiet universe, but a thousand years after Zack Decker and Caelin Morrow's day, when they and Siobhan Dunmoore have become no more than minor footnotes in human history.

*The Lioness of Judah* Sep 28 2022 *The Lioness of Judah* is the autobiography of Sara Hauptman, Holocaust survivor and resistance fighter from Belgium. She made false identity papers, buried Allied parachutes and performed other activities with the underground while she was the lion tamer in the circus. She was arrested and sent to Auschwitz and Dachau. A victim of Mengele's experiments, Sara lived through them and met General Eisenhower after the war. She immigrated to the United States, where she lives today.

**Princes of Sandastre** May 24 2022 **BOOK ONE OF THE PERILOUS QUEST FOR LYONESSE** In the year of Our Lord 1403, as England smoulders with suppressed

rebellion, young Simon Branthwaite sets sail across the Atlantic in search of the lost realm of Lyonesse. His quest will take him to Rockall, a land wreathed in legend; a land of weird beasts and wondrous happenings, of great beauties and terrible dangers. And there begin adventures stranger than the wildest of Simon's imaginings; adventures that will change the course of his life and reshape that land for ever... Princes of Sandastre is the first in Anthony Swithin's fantastical Lyonesse sequence, edited by Mark Sebanc.

**The Kingdom that Turned the World Upside Down** Nov 18 2021 A challenging discussion of the teachings of Jesus concerning the Kingdom of God.

**Encyclopedia of Teacher Education** Nov 25 2019 This encyclopaedia is a dynamic and living reference that student teachers, teacher educators, researchers and professionals in the field of education with an accent on all aspects of teacher education, including: teaching practice; initial teacher education; teacher induction; teacher development; professional learning; teacher education policies; quality assurance; professional knowledge, standards and organisations; teacher ethics; and research on teacher education, among other issues. The Encyclopedia is an authoritative work by a collective of leading world scholars representing different cultures and traditions, the global policy convergence and counter-practices relating to the teacher education profession. The accent will be equally on teaching practice and practitioner knowledge, skills and understanding as well as current research, models and approaches to teacher education.

Lyonesse Oct 17 2021 Lyonesse is one of the ten kingdoms of the Edler Isles and Casmir, its ruthless and ambitious king, is at the centre of intrigue as their rulers contend for control. Casmir's beautiful but other-worldly daughter, Suldrun, is a key element in his plans: he intends to cement alliances by arranging a marriage. But Suldrun defies him. She is confined to her beloved garden, where she meets her love, and her tragedy unfolds. Lyonesse is a spellbinding fantasy masterpiece of eerie beauty, mystery and enchantment as intrigue, war, magic, adventure and romance are interwoven in a rich and sweeping tale set in a fabled land.

*Clarges* Jun 25 2022

*A Gathering of Gargoyles* Aug 23 2019 Book Two of the Darkangel Trilogy! Aerial has broken the spell on the vampiric darkangel known as Irrylath and returned him to his human form, but the White Witch continues to haunt his dreams. To save her love and the world they live in, Aerial sets off on a quest across the Sea-of-Dust, to solve a mysterious riddle and gather six magical steeds. Pursued by the White Witch and haunted by her six remaining darkangels, the former slave girl seeks out an ancient oracle who may help her find a way to defeat her enemies.

**Merchants of Deception** Oct 05 2020 Merchants of Deception - Written by a former government auditor and high level Amway insider who was the last one who wanted to discover massive consumer fraud. This book is gripping tale for anyone who has been or loves someone who has been recruited into a network marketing business. This well documented book has been utilized by government authorities in both India and the UK to take action against Amway's deceptive business scheme which knowingly has created losses for the majority of all induced to invest.

The Complete Lyonesse Jul 26 2022 The Elder Isles - an ancient land where chivalry and the realm of fairie exist side by side. A land of mystery, strange beauty, high adventure

and arcane magic. Kings are at war, opposing magicians devise ever more cunning stratagems. It is a land where princesses and changelings both can become embroiled in political rivalries and the quest for the grail. The Gollancz Black Books have proved to be an immensely successful formula for getting well loved stories into the hands of people who also love well made books. Jack Vance's Complete Lyonese is a perfect addition to the series and contains Madouc the novel for which Vance won the World Fantasy Award.

**The Wallflower 2** Apr 11 2021 THE SPIRIT OF A LADY Four fabulous guys must completely transform a high school girl if they want to keep living rent-free in her aunt's luxurious mansion. But Sunako Nakahara, the most fashion-hopeless girl in Japan, would rather live like a hermit and watch her favorite horror movies than undergo a makeover. When the guys stumble upon the mansion's secret subbasement, they discover the ghost of a prim and proper lady who (thankfully) begins to possess Sunako's soul. It seems their problem is solved. Too bad that Sunako's now-suitable personality includes a desire to lock the boys up in the mansion's dungeon! This volume of The Wallflower includes special extras after the story!

*Dividends and Dividend Policy* Sep 04 2020 Dividends And Dividend Policy As part of the Robert W. Kolb Series in Finance, Dividends and Dividend Policy aims to be the essential guide to dividends and their impact on shareholder value. Issues concerning dividends and dividend policy have always posed challenges to both academics and professionals. While all the pieces to the dividend puzzle may not be in place yet, the information found here can help you gain a firm understanding of this dynamic discipline. Comprising twenty-eight chapters—contributed by both top academics and financial experts in the field—this well-rounded resource discusses everything from corporate dividend decisions to the role behavioral finance plays in dividend policy. Along the way, you'll gain valuable insights into the history, trends, and determinants of dividends and dividend policy, and discover the different approaches firms are taking when it comes to dividends. Whether you're a seasoned financial professional or just beginning your journey in the world of finance, having a firm understanding of the issues surrounding dividends and dividend policy is now more important than ever. With this book as your guide, you'll be prepared to make the most informed dividend-related decisions possible—even in the most challenging economic conditions. The Robert W. Kolb Series in Finance is an unparalleled source of information dedicated to the most important issues in modern finance. Each book focuses on a specific topic in the field of finance and contains contributed chapters from both respected academics and experienced financial professionals.

**The Australian Official Journal of Trademarks** Dec 27 2019

*Suldrun's Garden* Oct 29 2022 The Lyonese sequence evokes the Elder Isles, is a baroque land of pre-Arthurian myth now lost beneath the Atlantic, where powerful sorcerers, aloof faeries, stalwart champions, and nobles eccentric, magnanimous, and cruel pursue intrigue among their separate worlds . . . Prince Aillas of Troicinet is betrayed on his first diplomatic voyage and cast into the sea. Before he redeems his birthright, he must pass the breadth of Hybras Isle as prisoner, vagabond, and slave, an acquaintance of faeries, wizards, and errant knights, and lover to a sad and beautiful girl

whose fate sets his bitter rivalry with the tyrant Casmir, King of Lyonesse. (First published in 1983)

**Satires of Circumstance, Lyrics and Reveries, with Miscellaneous Pieces** Mar 30

2020 That ache for you, born long ago, Throbs on; I never could outgrow it. What a

revenge, did you but know it! But that, thank God, you do not know. Satires of

Circumstance, Lyrics and Reveries, with Miscellaneous Pieces was published in 1914.

The volume displays Hardy's mastery of poetic language and melodious phrases, as well as his views on British colonialism.

*The Wallflower* Apr 23 2022 Four handsome friends are allowed to live in a mansion for free provided that they transform the owner's wallflower niece, who breaks into nosebleeds whenever she sees somebody attractive, into a lady within three years.

**Moonshadow** Sep 16 2021 Moonshadow: A Moonshadow Novel

*Le Morte D'Arthur* Aug 03 2020 This brisk retelling of Le Morte D'Arthur highlights the narrative drive, humor, and poignancy of Sir Thomas Malory's original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an adaptation that readers can enjoy as a fresh approach to Malory's sprawling masterpiece. The book's most famous episodes--the sword in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton's first printed edition of 1485.

**Simple and Sold** Jun 20 2019 The Internet has great tools available for homeowners that are selling. This book guides you through the process, whether you are using an agent or want to save the commission and do it yourself.--Publisher.
