[Why Should Anyone Be Led by You?](#) Jul 24 2022
Too many companies are managed not by leaders, but by mere role players and faceless bureaucrats. What does it take to be a real leader—one who is confident in who she is and what she stands for, and who truly inspires people to achieve extraordinary results? Rob Goffee and Gareth Jones argue that leaders don't become great by aspiring to a list of

universal character traits. Rather, effective leaders are authentic: they deploy individual strengths to engage followers' hearts, minds, and souls. They are skillful at consistently being themselves, even as they alter their behaviors to respond effectively in changing contexts. In this lively and practical book, Goffee and Jones draw from extensive research to reveal how to hone and deploy one's unique leadership assets while managing the inherent tensions at the

heart of successful leadership: showing emotion and withholding it, getting close to followers while keeping distance, and maintaining individuality while "conforming enough." Underscoring the social nature of leadership, the book also explores how leaders can remain attuned to the needs and expectations of followers. Why Should Anyone Be Led By You? will forever change how we view, develop, and practice the art of leadership, wherever we live

and work.

What's Right with You Nov 04 2020 The book's premise is the classroom, for optimum learning, needs to be a place of comfort. Practical strategies for character building and conversing with others are provided.

I fell in love with you and I cried Jan 18 2022 I fell in love with you and I cried is a spiritual, personal and travel memoir of a year in India and Southeast Asia. In April 2017 my husband and I asked ourselves, what would we do if we could do anything? We decided to sell up, leave our jobs and go travelling, along the way unpicking the conditioning of property, career and security and exploring what a life with less stuff would look like. We gave away most of our possessions and in March 2018 we went to India, where we spent seven months in all, then Thailand, Tokyo, Nepal, Cambodia and Vietnam. My book documents the trip through the eyes of a relatively inexperienced traveller. The sights, sounds and colours of India and Southeast Asia as well as the physical and emotional challenges of a year of travel. This was a pre Covid19 trip of a lifetime; making connections with local people and fellow travellers and putting beliefs about minimalism into practice by living out of a small backpack for a year of slow travel.

The Old Truck Jul 20 2019 A young girl turns her imagination into action in this beautifully crafted and intricately designed debut picture book. When is an old truck something more? On a small, bustling farm, a resilient and steadfast

pickup works tirelessly alongside the family that lives there, and becomes a part of the dreams and ambitions of the family's young daughter. After long days and years of hard work leave the old truck rusting in the weeds, it's time for the girl to roll up her sleeves. Soon she is running her own busy farm, and in the midst of all the repairing and restoring, it may be time to bring her faithful childhood companion back to life. With an eye-catching retro design and cleverly nuanced illustrations, *The Old Truck* celebrates the rewards of determination and the value of imagination.

Melt With You Jun 30 2020 From the author of *Some Girls Do* and *Hot Dog Girl* comes a sweet and salty queer YA rom-com about two girls on a summer road trip in an ice cream truck. Fallon is Type A, looks before she leaps, and always has a plan (and a backup plan). Chloe is happy-go-lucky, flies by the seat of her pants, and always follows her bliss. The two girls used to be best friends, but last summer they hooked up right before Chloe left for college, and after a series of misunderstandings, they aren't even speaking to each other. A year later, Chloe's back home from school, and Fallon is doing everything in her power to avoid her. Which is especially difficult because their moms own a business together—a gourmet ice cream truck where both girls work. When a meeting with some promising potential investors calls their parents away at the last minute, it's up to Fallon to work a series of important food truck festivals across the country. But she can't do it

alone, and Chloe is the only one available to help. Tensions heat up again between the two girls as they face a few unexpected detours—and more than a little roadside attraction. But maybe, just maybe, the best things in life can't always be planned.

Life Is Better With You In It Apr 28 2020

Whether its parental, platonic, or passionate, we all experience love at some point in our lives—as well as all the ups and downs that go along with it, from blissful to agonizing. In all of its myriad forms, love has been one of the greatest inspirations for poetry for as long as there have been poets, because its abundance, or lack thereof, profoundly impacts our lives in ways that are otherwise difficult to articulate. This collection of thoughtful and heartfelt poems speaks with a simple elegance, resonating with sincerity that is hard to deny, giving words to thoughts and feelings we might struggle to find on our own, and perhaps more importantly, offering comfort and assurance that, for better or worse, we are not alone. “Our thoughts, feelings, wants, needs, and fears are valid and worth sharing. All too often, we hide our thoughts and feelings from others and take on a burden that can sadly be too much for some to bear ... I want people to know that they are worthy of love, and that they need to convey their thoughts and feelings when they are struggling, so they do not have to go through those struggles alone.” ~ Rodney James Dick

Love Bed Times With You Apr 21 2022 It should have been something worth celebrating if she was able to coldly and successfully take off the shell of a bachelor dog. Unexpectedly, on the night of their wedding, an earth-shattering thing happened and sent her to hell. An unfamiliar and charming man had arrogantly declared his allegiance to her. Not only did he want her cold body, but he also wanted to take away her heart! Cold panic, chaos, she never dreamed that she would encounter this kind of misfortune. However, the worst was yet to come. The parents who valued boys and girls did not love each other. They quarreled endlessly and broke off all ties. The warm, jade-like husband of the same person actually wanted to send her to the owner's bed in order to get promoted. Just when the world was about to be deserted, the tyrannical man, with the wings of an angel, landed in front of her. He extended his hand to her and said, "Marry me, my Cinderella!"

What it was like to fall in love with you Jan 26 2020 Love. Reading that word can invite a visceral reaction in almost anybody. What was yours? Disgust. Pity. Joy. Blind curiosity. Ignorance. Yearning. Loss. Pain. An existential “is it even real?” rabbit hole. The truth is, I feel like all of us can relate to those at different parts of our lives. We only hope that we will be able to fall in love with ourselves throughout the process. And maybe--just maybe--someone else too. A delicately-knit quilt of vulnerability,

pain, and adoration, *What It Was Like to Fall in Love With You* puts the narratives that we believe about love on display, following a delicate yet inevitable storyline of growing through heartbreak, individuality, rebellion, abuse, and ultimately: love.

Charmed By You: A Stark Security Novella

Oct 27 2022 From New York Times and USA Today bestselling author J. Kenner comes a new story in her Stark Security series... Former vigilante-for-hire Simon Barré has one steadfast rule: stay far away from celebrities. Too bad Simon's first assignment at Stark Security is to protect A-list actress Francesca Muratti. He can't even turn down the assignment, as that would be violating his second rule—never fail a woman. Now he finds himself up-close-and-personal with a high-maintenance diva whose flash and sass drives him crazy—but whose touch he undeniably craves. The world might believe that Francesca Muratti leads a fairy tale life, but the truth is far darker. For years, she's kept a horrible secret about her best friend's death. Now someone is threatening to kill Francesca if she doesn't reveal all. She needs protection, but there's no way she's going to tell the sexy Stark Security agent what she did or why she's being threatened. Which means that in order to survive and protect her secrets, Francesca must pull off the biggest acting job of her career: she's going to have to let Simon close, but not let him see her true heart.

Still In Love With You Aug 01 2020 "Sophie Patterson. Don't you dare walk away from me." Logan's menacing stare bore at me. I suddenly didn't feel drunk anymore. I sobered up quickly. "What, Logan? You're gonna tell me that you suddenly love me again? That you're here to sweep me off my feet? Please! I didn't need you all this time, and I don't need you now." He clenched his jaw, fisting his hands. "Enough. Stop being so damn stubborn. You know I do. I love you. I never stopped loving you, Sophie. It was always you." I left my hometown hoping to never see him again. I left with his baby still inside of me. Seven years after, and here I am again. Standing before him and a six-year-old wanting to know who his dad is, and asking me to marry him because everyone in his class but him and his best friend don't have a daddy.

What am I supposed to do with all these feelings that are resurfacing? I'm realizing every day that I never got over him. I merely suppressed my feelings, and his telling me this now- to my face, just made things more complicated.

The Force Is with You Always! May 30 2020 This book teaches people how Spirit operates directly in our lives today and what we must do to live life to the fullest and with malice toward none. It teaches spiritual principles on how to live life with gratitude, acceptance, joy, abundance and wellness. It connects us with our eternal being within and encourages us to create our own soul music without. Have we lost our way as a society? In the wake of humans murdering over 100 million other humans in the past century, many of us are seeking answers to the ever increasing cultural violence surrounding us. From capital punishment to going postal, we live in a very violent society. Hardly a day passes without news of government torture prisons, drive-by shootings, a ten year old boy murdering his father, or a congresswoman being shot in the head. Shocking revelations, such as American government doctors using unsuspecting American citizens as human guinea pigs for decades of medical experiments, further alienate the government from the people that they are supposed to serve. It seems to me that we need a new vision of humanity that our faltering institutions have failed to provide. I believe that we need to replace institutional

blight with greater spirituality. We need a new spirit of integrity that replaces the often deceitful and violent leadership we currently embrace. We need to challenge the "don't get mad get even" mentality in our society with greater understanding for one another. We need to be role models for positive reinforcement (learning) rather than the punishment that only teaches more violence and hatred, and, like the Montagues and Capulets, the never-ending need to seek revenge. This book addresses how to live a life of health and wellness in the midst of a truly sick society.
