Dead to Sin, Alive to God Feb 23 2022 *If you have been born again through faith in Jesus Christ, now reckon yourself dead to sin and alive to God in Christ! Learn to think about your "new self" in Christ as God does. With a pastor's heart, Stuart C. Smith explains why the key to New Covenant sanctification is the important concept of biblical reckoning. Obedience to Paul's command in Romans 6:11 can transform your life. Reckoning is not something to do but something to think. So powerful is this thought that it inevitably leads to action. Learn how to overcome the power of sin by a stronger power, and the desire to sin by a stronger desire--adoration of Jesus Christ. Bring your thinking in line with your identity. You are a new creation in Christ, a saint, an adopted child of God, and victor over Satan. Learn about the Father's passion for you, and seek to satisfy his passion for a holy and pure bride for his Son. Midway through the book, these principles come alive in the experience of Cody, a young man who leaves his troubled past for a new life of freedom in Christ.*

Cleaning Yourself to Death Apr 15 2021 *Wake-up and smell the chemicals! Chemicals are in everything we eat and drink and every lungful of air we take in. They are on the clothes we wear, on the furniture we buy and in the cars we drive. And the emerging evidence is that many of these chemicals have the potential to make us very ill. Most of us are happy that we and our homes are as clean as we know how to make them. Yes, they are clean but are they safe?*

SHADOWBOXING Jun 25 2019 *A short story collection conceived out of a life-long intuition: know FEAR, with all of its versions and manifestations, and one will know MAN. The collection is a dissertation of fears. It is ten years of accumulated story telling, in itself, a postulation that reflects the many changes in the life of a writer. Section One is the process that one particular man undertook to get to authenticity; an inner-dialogue about existence, dying, and love, only to find himself at the end, alone and facing his own image in a bathroom mirror. Section Two is a compilation of short stories about the daily-ness of fears and the many ways in which they creep into our lives, deciding and acting for us. Section Three is an adventure story, a change of pace, an imagined and new beginning for mankind. Or perhaps, not!*

Workaholic's Rehab Oct 22 2021 Admittedly the most common problem in today's workforce is too many are too lazy to move their butts and work! In some respects being workaholic is an admirable trait. But as with anything in life, even the good becomes a negative when uncontrolled. Although it's admirable to take responsibility and work real hard to provide well for the family? We still need to take it in moderation. Too much and it will minimize the quality of life, relationships and health -- because every waking moment is just spent working! It is the goal of this book to help balance your work life and ensure you don't go overboard. It's understandable and commendable to take care of business but as long as you are not in absolute control -- as much as drug addicts are not really in control of their addictions to their vices, cigarettes, drugs, alcohol or spending every waking moment at work? It is a problem! Overlooked, underestimated, but a problem nonetheless.

Incredibly progressive for its time, it is about the survival of the ill-treated woman who has decided that enough is enough. Elizabeth Cleghorn Gaskell (1810-1865) was an English novelist, short story writer, and biographer, best known for her novels 'North and South' and 'Wives and Daughters' as well as her biography of Charlotte Brontë. Gaskell was viewed as a minor author until the 1950s where it became evident that her depiction of industrial environments and social problems was brilliant and poignant.

Drop Dead Gorgeous Jun 29 2022 Our preoccupation with beauty is a fascination that the cosmetic industry has parlayed into a 28 billion dollar a year industry. They offer products that claim to deliver youthful skin and luxurious hair, yet they fail to mention the scores of potential irritants, carcinogens, neurotoxins, and hormone disrupters used to manufacture these products. Without knowing it, many men and women are exposing themselves to more than 200 synthetic chemicals each and every day. While most of us assume that labs full of researchers in white coats protect us from the potentially dangerous cosmetic ingredients, the truth is that cosmetics are not required to gain pre-market approval before they are sold to consumers. In fact, the FDA is powerless to compel manufacturers to conduct safety testing. Drop Dead Gorgeous exposes the dangers of many of the products currently available and the cosmetic industry's lies and glaring omissions. She also explains why the FDA is powerless to protect consumers and offers easy and typically inexpensive alternatives.

Reckon Yourself Dead Unto Sin Mar 27 2022 "This book written by Bro. Vance Curtis is a simple lesson explaining the Crucified Life every saved person should be living. If one would take this book and the word of God he or she could live a productive life for the Lord. The child of God who is not operating by the filling of the Holy Spirit is operating under the power of the World, Flesh or the Devil. I recommend this book to all who would live "godly in Christ Jesus" and to all who want to do their best for our Lord." Dr. Ronald Lee Ostten, Sr. Chancellor of Temple Baptist University. "Bro. Curtis has written on holiness, he has written on a subject that has almost become abandoned by modern day Christianity. In this day of "casual, buffet style, Christianity" it is refreshing to read something written on such an important subject. Bro. Curtis not only reveals the truth concerning holiness, but he also deals with practical steps that a Christian can take to become holy. God does not require something of us that He does not enable us to accomplish. I can highly recommend that this book be

read and that its truths be taught to this present generation of Christians." *Claud Slate, Pastor Colonial Baptist Church - Rogers, Arkansas* "Vance Curtis is truly a man of God who has put into practice the Godly principles found in this book. He has a tremendous desire for all Christians to know God, obey His Word and to bear fruit. You will find this book insightful, challenging, thought provoking and truly a help to any believer who wants to live a victorious Christian life." *Kevin O'Brien, Former Pastor Bethany Baptist Church, Lubbock, Texas*
