Love by Night Oct 15 2021 More of a story than a collection of poetry, **Love by Night** will whisk you away from your world and into the dreamy romantic night. **Love by Night** begins with anxious hesitation and nervous attraction, grows into tender affection, blossoms into

passionate love, delves deep into whimsical dreams, and finally builds an image of an idyllic future together, as the reader develops along with the two characters of this poetic story. Written as a conversation between two points of view in constant change and flux with each other, this book invites the reader into the conversation about the love that connects one person to another, but also all of us to each other. Through this written testament to the emotional journeys books can take us on, S. K. Williams breaks down stereotypes, sexism, relationship roles, and brings awareness to mental health, grief, anxiety, depression, how to move forward, how to love in a healthy way, and, most of all, how to love yourself when it feels impossible.

The Hatred of Poetry Jan 26 2020 No art has been denounced as often as poetry. It's even bemoaned by poets: "I, too, dislike it," wrote Marianne Moore. "Many more people agree they hate poetry," Ben Lerner writes, "than can agree what poetry is. I, too, dislike it and have largely organized my life around it and do not experience that as a contradiction because poetry and the hatred of poetry are inextricable in ways it is my purpose to explore." In this inventive and lucid essay, Lerner takes the hatred of poetry as the starting point of his defense of the art. He examines poetry's greatest haters (beginning with Plato's famous claim that an ideal city had no place for poets, who would only corrupt and mislead the young) and both its greatest and worst practitioners, providing inspired close readings of Keats, Dickinson, McGonagall, Whitman, and others. Throughout, he attempts to explain the noble failure at the heart of every truly great and truly horrible poem: the impulse to launch the experience of an individual into a timeless communal existence. In *The Hatred of Poetry*, Lerner has crafted an entertaining, personal, and entirely original examination of a vocation no less essential for being impossible.

A Cinema of Poetry Oct 03 2020 *A Cinema of Poetry* brings Italian film studies into dialogue with fields outside its usual purview by showing how films can contribute to our understanding of aesthetic questions that stretch back to Homer. Joseph Luzzi considers the relation between film and literature, especially the cinematic adaptation of literary sources and, more generally, the fields of rhetoric, media studies, and modern Italian culture. The book balances theoretical inquiry with close readings of films by the masters of Italian cinema: Roberto Rossellini, Vittorio De Sica, Luchino Visconti, Michelangelo Antonioni, Federico Fellini, Pier Paolo Pasolini, Bernardo Bertolucci, and others. Luzzi's study is the first to show how Italian filmmakers address such crucial aesthetic issues as the nature of the chorus, the relation between symbol and allegory, the literary prehistory of montage, and the place of poetry in cinematic expression—what Pasolini called the "cinema of poetry." While Luzzi establishes how certain qualities of film—its link with technological processes, capacity for mass distribution, synthetic virtues (and vices) as the so-called total art—have reshaped centuries-long debates, *A Cinema of Poetry* also explores what is specific to the Italian art film and, more broadly, Italian cinematic history. In other words, what makes this version of the art film recognizably "Italian"? "A thought-provoking and well-written investigation of the role of history and realism in Italian cinema and the role played by the centuries-long tradition of poetry (or more precisely, poesis) in this quest."—*H-Italy* "Ambitious, inventive, learned . . . *A Cinema of Poetry* . . . brilliantly analyzes the art in the art film by showing how Italian cinema uses a chorus or expresses itself through allegory . . . This impressively intelligent re-description of the tradition surely takes its place alongside other necessary histories of Italian cinema."—Choice Joseph Luzzi

Derrida on Exile and the Nation Jun 23 2022 Providing crucial scholarship on Derrida's first series of lectures from the Nationality and Philosophical Nationalism cycle, Herman Rapaport brings all 13 parts of the *Fantom of the Other* series (1984-85) to our critical

attention. The series, Rapaport argues, was seminal in laying the foundations for the courses given, and ideas explored, by Derrida over the next twenty years. It is in this vein that the full explication of Derrida's lectures is done, breathing life into the foundational lecture series which has not yet been published in its entirety in English. Derrida's examination of a master signifier of the social relation, *Geschlecht*, acts as the critical entry point of the series into wide-ranging meditations on the social construction and deconstruction of all possible relations denoted by the core concept, including race, gender, sex, and family. The lecture series' vast engagement with a range of major thinkers, including philosophers and poets alike – Arendt, Adorno, Heidegger, Wittgenstein, Trakl, and Adonis – tackles core themes and debates about philosophical nationalism. Presenting Derrida's lectures on the implications of key 20th century philosopher's understandings of nationalism as they relate to concerns over idiomatic language, notions of race, exile, return, and social relations, adds richly to the literature on Derrida and reveals the potential for further application of his work to current polarising debates between universalism and tribalism.

The Pursuit of Poetry Dec 25 2019 In this classic reference work, Louis Untermeyer gives us our American poetry in its essential pieces. Written by one of the great twentieth century readers, reading poetry becomes an art easily understood and accessed by all. Whether you are looking for the basic elements of a sonnet or want to read further about poetic image or the place of twentieth century poetry in the larger canon this book "pursues" the questions and offers surprisingly insightful and satisfying answers. Know what a sestina is? Whether you answer "yes" or "no," this book is for you: a must have for any serious reader or writer of poetry.

The Craft of Poetry Feb 25 2020 This book presents an innovative format for poetry criticism that its authors call "dialogical poetics." This approach shows that readings of poems, which in academic literary criticism often look like a product of settled knowledge, are in reality a continual negotiation between readers. But Derek Attridge and Henry Staten agree to rein in their own interpretive ingenuity and "minimally interpret" poems – reading them with careful regard for what the poem can be shown to actually say, in detail and as a whole, from opening to closure. Based on a series of emails, the book explores a number of topics in the reading of poetry, including historical and intellectual context, modernist difficulty, the role of criticism, and translation. This highly readable book will appeal to anyone who enjoys poetry, offering an inspiring resource for students whilst also mounting a challenge to some of the approaches to poetry currently widespread in the academy.

The Poetics of Poetry Film May 10 2021 Set to generate and influence discussions in the field for years to come, this is an encyclopaedic work on the ever-evolving genre of poetry film. It will set the benchmark for all subsequent works on the subject, being the first book of its kind. Poetry films are a genre of short film, usually combining the three main elements: the poem as verbal message; the moving film image and diegetic sounds; and additional non-diegetic sounds or music, which create a soundscape. This book examines the formal characteristics of the poetic in poetry film, film poetry and video poetry, particularly in relation to lyric voice and time. Provides an introduction to the emergence and history of poetry film in a global context, defining and debating terms both philosophically and materially. Examines the formal characteristics of the poetic in poetry film, particularly in relation to lyric voice and time. Includes interviews, analysis and a rigorous and thorough investigation of the poetry film from its origins to the present. This is a very important, groundbreaking work on film poetry. The ideas discussed here are of great importance, and the diversity and breadth of the volume is especially impressive and very useful. This book brings together in one place crucial ideas and information for practitioners, students and academics, and is clearly and accessibly written. Including over 40 contributors and showcasing the work of an international array of practitioners, this will be an industry bible for anyone interested in poetry, digital media, filmmaking, art and creative writing, as well as poetry filmmakers. It explores working practices, processes of collaboration and the mechanisms which make these possible. It also reveals the network of festivals disseminating and theorizing poetry film and presents a compelling bibliography. This is the most incisive and complete analysis of filmic poetry to date. It is poised to become a major text in the field. Essential reading for academics teaching poetry filmmaking, moving image, film, media and media poetry, writing and art. Undergraduate and postgraduate students in those fields. Great potential for textbook adoption. Also relevant to poets, filmmakers, visual artists, graphic artists and theorists, filmmakers, screenwriters, art historians, philosophers, cultural commentators, arts journalists.

The Virtues of Poetry Aug 13 2021 An illuminating look at the many forms of poetry's essential excellence by James Longenbach, a writer with "an ear as subtle and assured as any American poet now writing" (John Koethe) "This book proposes some of the virtues to which the next poem might aspire: boldness, change, compression, dilation, doubt, excess, inevitability, intimacy, otherness, particularity, restraint, shyness, surprise, and worldliness. The word 'virtue' came to English from Latin, via Old French, and while it has acquired a moral valence, the word in its earliest uses gestured toward a magical or transcendental power, a power that might be embodied by any particular substance or act. With vices I am not concerned. Unlike the short-term history of taste, which is fueled by reprimand or correction, the history of art moves from achievement to achievement. Contemporary embodiments of poetry's virtues abound, and only our devotion to a long history of excellence allows us to recognize them." -from James Longenbach's preface *The Virtues of Poetry* is a resplendent and ultimately moving work of twelve interconnected essays, each of which describes the way in which a particular excellence is enacted in poetry. Longenbach closely reads poems by Shakespeare, Donne, Blake, Keats, Dickinson, Yeats, Pound, Bishop, and Ashbery (among others), sometimes exploring the ways in which

these writers transmuted the material of their lives into art, and always emphasizing that the notions of excellence we derive from art are fluid, never fixed. Provocative, funny, and astute, *The Virtues of Poetry* is indispensable for readers, teachers, and writers.

Longenbach reminds us that poetry delivers meaning in exacting ways, and that it is through its precision that we experience this art's lasting virtues.

The Strength of Poetry Mar 28 2020 A major account of modern poetry, from one of its leading figures. James Fenton examines issues of creativity and the 'earning' of success, of judgement, tutorage, rivalry, and ambition. He considers the juvenilia of Wilfred Owen, the 'scarred' lines of Philip Larkin, the inheritance of imperialism, and issues of 'constituency' in Seamus Heaney. The book contains insights into the work of Marianne Moore, Elizabeth Bishop, Sylvia Plath, D. H. Lawrence, and W. H. Auden.

A Little Book of Poetry Dec 17 2021 *A Little Book of Poetry: For When Night Seems Dark* is a collection of powerful and moving poems which remind us that although we will have difficulties in this world, we are not alone, unseen, or forgotten. That although at times we may feel like a small, insignificant being in this giant universe, we are of great importance to the One who created us. That in this world, we will experience joy and sorrow, tears and laughter, beginnings and endings, but with God at our side, we need never be without hope. This Little book is made up of 26 poems, each accompanied by a Bible verse and an original, full-color illustration.

Sidney's 'The Defence of Poesy' and Selected Renaissance Literary Criticism Jul 24 2022 Controversy raged through England during the 1570-80s as Puritans denounced all manner of games & pastimes as a danger to public morals. Writers quickly turned their attention to their own art and the first & most influential response came with Philip Sidney's *Defense*. Here he set out to answer contemporary critics &, with reference to Classical models of criticism, formulated a manifesto for English literature. Also includes George Puttenham's *Art of English Poesy*, Samuel Daniel's *Defence of Rhyme*, & passages by writers such as Ben Jonson, Francis Bacon & George Gascoigne.

[The Vintage Book of African American Poetry](#) Nov 04 2020 In *The Vintage Book of African American Poetry*, editors Michael S. Harper and Anthony Walton present the definitive collection of black verse in the United States--200 years of vision, struggle, power, beauty,

and triumph from 52 outstanding poets. From the neoclassical stylings of slave-born Phillis Wheatley to the wistful lyricism of Paul Lawrence Dunbar . . . the rigorous wisdom of Gwendolyn Brooks...the chiseled modernism of Robert Hayden...the extraordinary prosody of Sterling A. Brown...the breathtaking, expansive narratives of Rita Dove...the plaintive rhapsodies of an imprisoned Elderidge Knight . . . The postmodern artistry of Yusef Komunyakha. Here, too, is a landmark exploration of lesser-known artists whose efforts birthed the Harlem Renaissance and the Black Arts movements--and changed forever our national literature and the course of America itself. Meticulously researched, thoughtfully structured, *The Vintage Book of African-American Poetry* is a collection of inestimable value to students, educators, and all those interested in the ever-evolving tradition that is American poetry.

The Philosophy of Poetry Jun 11 2021 In recent years philosophers have produced important books on nearly all the major arts: the novel and painting, music and theatre, dance and architecture, conceptual art and even gardening. Poetry is the sole exception. This is an astonishing omission, one this collection of original essays will correct. If contemporary philosophy still regards metaphors such as 'Juliet is the sun' as a serious problem, one has an acute sense of how prepared it is to make philosophical and aesthetic sense of poems such as W. B. Yeats's 'The Second Coming', Sylvia Plath's 'Daddy', or Paul Celan's 'Todesfuge'. *The Philosophy of Poetry* brings together philosophers of art, language, and mind to expose and address the array of problems poetry raises for philosophy. In doing so it lays the foundation for a proper philosophy of poetry, setting out the various puzzles and paradoxes that future work in the field will have to address. Given its breadth of approach, the volume is relevant not only to aesthetics but to all areas of philosophy concerned with meaning, truth, and the communicative and expressive powers of language more generally. Poetry is the last unexplored frontier in contemporary analytic aesthetics, and this volume offers a powerful demonstration of how central poetry should be to philosophy.

Prose Poetry Sep 21 2019 An engaging and authoritative introduction to an increasingly important and popular literary genre *Prose Poetry* is the first book of its kind—an engaging and authoritative introduction to the history, development, and features of English-language prose poetry, an increasingly important and popular literary form that is still too little understood and appreciated. Poets and scholars Paul Hetherington and Cassandra Atherton introduce prose poetry's key characteristics, chart its evolution from the nineteenth century to the present, and discuss many historical and contemporary prose poems that both demonstrate their great diversity around the Anglophone world and show why they represent some of today's most inventive writing. A prose poem looks like prose but reads like poetry: it lacks the line breaks of other poetic forms but employs poetic techniques, such as internal rhyme, repetition, and compression. *Prose Poetry* explains how this form opens new spaces for writers to create riveting works that reshape the resources of prose while redefining the poetic. Discussing prose poetry's precursors, including William Wordsworth and Walt Whitman, and prose poets such as Charles Simic, Russell Edson, Lydia Davis, and Claudia Rankine, the book pays equal attention to male and female prose poets, documenting women's essential but frequently unacknowledged contributions to the genre. Revealing how prose poetry tests boundaries and challenges conventions to open up new imaginative vistas, this is an essential book for all readers, students, teachers, and writers of prose poetry.

Sir Philip Sidney Aug 01 2020 Sir Philip Sidney, whose life was tragically cut short at thirty-one, is now regarded as one of the most important poets of the Elizabethan era. A contemporary of Shakespeare, he was an influential figure at court where his reputation was won largely through his skills as a courtier rather than as a poet, poetry being an activity he indulged himself in privately. This new selection of Sidney's verse represents the full range of his remarkable poetic gifts, and includes *Astrophil and Stella*, and *The New Arcadia*, *The Defence of Poesy*--his most substantial works--as well as a number of shorter lyrics. Selected and edited by the leading Sidney scholar and biographer Katherine Duncan-Jones, this collection reveals that beneath the often dazzling verbal assurance lurked a vein of profound melancholy.

A Book of Luminous Things: An International Anthology of Poetry Jun 18 2019 For *A Book of Luminous Things* Nobel laureate poet Czeslaw Milosz has selected 300 of the world's greatest poems written throughout the ages, poems memorable for how they render the realities of the world palpable and immediate. They are organized under eleven headings - including "Epiphany, " "Nature, " "The Secret of a Thing, " "Travel, " "Places, " and "The Moment." In addition to his introduction, Milosz contributes brief, penetrating commentary on each poet. Among the poets included are Elizabeth Bishop William Blake, Joseph Brodsky, Constantinos Cavafy, Emily Dickinson, Robert Frost, Allen Ginsberg, Linda Gregg, Seamus Heaney, Zbigniew Herbert, Jane Hirshfield, Robinson Jeffers, D. H. Lawrence, Denise Levertov, Philip Levine, Li Po, Antonio Machado, Thomas Merton, W. S. Merwin, Sharon Olds, Mary Oliver, Po Chu-I, Rainer Maria Rilke, Theodore Roethke, Charles Simic, Gary Snyder, Wallace Stevens, May Swenson, Anna Swir, Wislawa Szymborska, Tu Fu, Wang Wei, Walt Whitman, and William Carlos Williams.
