**BESTSELLER** • Don't miss Janet Evanovich's short story "Pros and Cons" in the back of the book. Catch a professional assassin: top priority. Find a failure-to-appear and collect big bucks: top score. How she'll pull it all off: top secret. Trenton, New Jersey's favorite used-car dealer, Jimmy Poletti, was caught selling a lot more than used cars out of his dealerships. Now he's out on bail and has missed his date in court, and bounty hunter Stephanie Plum is looking to bring him in. Leads are quickly turning into dead ends, and all too frequently into dead bodies. Even Joe Morelli, the city's hottest cop, is struggling to find a clue to the suspected killer's whereabouts. These are desperate times, and they call for desperate measures. So Stephanie is going to have to do something she really doesn't want to do: protect former hospital security guard and general pain in her behind Randy Briggs. Briggs was picking up quick cash as Poletti's bookkeeper and knows all his boss's dirty secrets. Now Briggs is next on Poletti's list of people to put six feet under. To top things off, Ranger—resident security expert and Stephanie's greatest temptation—has been the target of an assassination plot. He's dodged the bullet this time, but if Ranger wants to survive the next attempt on his life, he'll have to enlist Stephanie's help and reveal a bit more of his mysterious past. Death threats, highly trained assassins, highly untrained assassins, and Stark Street being overrun by a pack of feral Chihuahuas are all in a day's work for Stephanie Plum. The real challenge is dealing with her Grandma Mazur's wild bucket list. A boob job and getting revenge on Joe Morelli's Grandma Bella can barely hold a candle to what's number one on the list—but that's top secret. Praise for Top Secret Twenty-One "The combination of biting dialogue, outrageous characters and intense story lines are consistent throughout. And [Janet Evanovich] novels are the true definition of a guilty pleasure."—Associated Press "Evanovich doesn't disappoint. . . . Top Secret Dec 17 2021 Foreword by Julia Sweeney America may be the land of plenty, but in the midst of our Walmarts, enormous supermarkets, and other signs of material surfeit, it seems that many are experiencing a gnawing spiritual hunger. New religions, spiritualities, and religious therapies attract throngs of believers to megachurches, Yoga classes, and the bestseller bookshelves. The latest popular fad in spirituality is Rhonda Byrne's *The Secret*, which promises both success and spiritual fulfillment, and is endorsed by no less than Oprah Winfrey. If you're trying to make sense of all the offerings in this confusing spiritual wonderland, *Top Secret* is just the book for you. Noted religion scholar Robert M. Price examines the historical roots and the current appeal of today's pop mysticisms. Critical and appreciative at the same time, Price applies his impressive background in theology and biblical criticism to put these trends in perspective. Among other popular movements and books, Price discusses: Rhonda Byrne's *The Secret* and *New Thought*; Helen Schucman's *A Course in Miracles* and the popular works of Marianne Williamson; Deepak Chopra's *How to Know God*; James Redfield's *The Celestine Prophecy*; The Jewish Kabbalah, recently made popular by Madonna; Joel Osteen's *Prosperity Gospel* and his popular *Your Best Life Now*; Diedre Blomfield Brown (AKA Pema Chödrön) and American-style Buddhism. Whether you're a skeptic looking for a rational approach to understanding current religion or a seeker in search of a deeper, more informed understanding of popular spiritualities, *Top Secret* has much to offer. Robert M. Price, Ph.D. (Selma, NC), professor of scriptural studies at the Johnnie Colemon Theological Seminary, is the editor (with Jeffery Jay Lowder) of *The Empty Tomb: Jesus Beyond the Grave* and the *Journal of Higher Criticism*. He is also the author of *Top Secret: The Truth Behind Today's Pop Mysticisms*; *The Paperback Apocalypse: How the Christian Church Was Left Behind*; *The Reason-Driven Life: What Am I Here on Earth For?*

**Images from the Stasi archives** Mar 28 2020 Almost 300,000 people worked for the East German secret police, per capita far more than were employed by agencies such as the CIA or the KGB. Not quite fifty years after the Berlin Wall was built, Simon Menner (\*1978 in Emmendingen) discovered spectacular photographs in the Stasi archives that document the agency's surveillance work. Formerly secret, highly official photographs show officers and employees putting on professional uniforms, gluing on fake beards, or signalling to each other with their hands. Top Secret America Mar 20 2022 A shocking examination of the extreme national security apparatus built in response to the terrorist attacks of September 11th After 9/11, the United States government embarked on an unprecedented effort to protect America. The result has been calamitous: Eleven years of unparalleled spending and growth have produced a system to keep America safe that may in fact be putting us in even greater danger--but we don't know because it's all top secret. In this acclaimed bestseller, award-winning journalists Dana Priest and William M. Arkin lift the curtain on this clandestine universe. From the agencies and private companies keeping track of American citizens, to the military commanders building America's first "top secret city," to a hidden army within the U.S. military more secret than the CIA, this new national security octopus has become a self-sustaining "fourth branch" of government. Top Secret America is a tour de force of investigative journalism that reveals government run amok and a war on terrorism gone wrong.

**Project Blue Book** Sep 21 2019 A new edition of the blockbuster book that revealed the top-secret findings of the US government about UFOs. Throughout the 1950s and 1960s, while publicly dismissing the existence of UFOs, the United States Air Force was engaged in a secret program for evaluating every report of unidentified flying objects. Under the code name, Project Blue Book, the Air Force analyzed over 13,000 incidents. The goal of this enterprise was threefold: To determine the cause for each UFO sighting, to assess the security threat for each incident, and to determine how the United States could obtain or create the technology used by UFOs. This book, based on secret files obtained through the Freedom of Information Act, includes accounts of seven of the most important USAF enquiries-- among them the story of the nights the White House was buzzed by UFOs, the mystery of the Lubbock Lights, the full story of Captain Mantell--Ufology's first martyr, and the startling conversion of the prominent astronomer, J. Alan Hynek from UFO skeptic to believer. This is startling and fascinating book that uncovers not only the anatomy of a government cover-up, but also provides stark and chilling evidence that we are not alone. It is all here, government documents, the testimony of scientists, the military, pilots and citizens all over the country who have witnessed UFOs.
