Salt, Fat, Acid, Heat Aug 31 2019 Now a Netflix series New York Times Bestseller and Winner of the 2018 James Beard Award for Best General Cookbook and multiple IACP Cookbook Awards Named one of the Best Books of 2017 by: NPR, BuzzFeed, The Atlantic, The Washington Post, Chicago Tribune, Rachel Ray Every Day, San Francisco Chronicle, Vice Munchies, Elle.com, Glamour, Eater, Newsday, Minneapolis Star Tribune, The Seattle Times, Tampa Bay Times, Tasting Table, Modern Farmer, Publishers Weekly, and more. A visionary new master class in cooking that distills decades of professional experience into just four simple elements, from the woman declared "America's next great cooking teacher" by Alice Waters. In the tradition of *The Joy of Cooking* and *How to Cook Everything* comes *Salt, Fat, Acid, Heat*, an ambitious new approach to cooking by a major new culinary voice. Chef and writer Samin Nosrat has taught everyone from professional chefs to middle school kids to author Michael Pollan to cook using her revolutionary, yet simple, philosophy. Master the use of just four elements--Salt, which enhances flavor; Fat, which delivers flavor and generates texture; Acid, which balances flavor; and Heat, which ultimately determines the texture of food--and anything you cook will be delicious. By explaining the hows and whys of good cooking, *Salt, Fat, Acid, Heat* will teach and inspire a new generation of cooks how to confidently make better decisions in the kitchen and cook delicious meals with any ingredients, anywhere, at any time. Echoing Samin's own journey from

culinary novice to award-winning chef, Salt, Fat Acid, Heat immediately bridges the gap between home and professional kitchens. With charming narrative, illustrated walkthroughs, and a lighthearted approach to kitchen science, Samin demystifies the four elements of good cooking for everyone. Refer to the canon of 100 essential recipes--and dozens of variations--to put the lessons into practice and make bright, balanced vinaigrettes, perfectly caramelized roast vegetables, tender braised meats, and light, flaky pastry doughs. Featuring 150 illustrations and infographics that reveal an atlas to the world of flavor by renowned illustrator Wendy MacNaughton, Salt, Fat, Acid, Heat will be your compass in the kitchen. Destined to be a classic, it just might be the last cookbook you'll ever need. With a foreword by Michael Pollan.

¡Vamos!: Let's Go Eat Mar 19 2021 Little Lobo returns to share his love of food and wrestling in this delicious follow-up to *Vamos! Let'sGo to the Market* from Pura Belpré Medal-winning illustrator Raúl the Third. In this new *Vamos!* title, *Let's Go Eat*, Little Lobo is excited to take in a show with wrestling star El Toro in his bustling border town. After getting lunch orders from The Bull and his friends to help prepare for the event, Little Lobo takes readers on a tour of food trucks that sell his favorite foods, like quesadillas with red peppers and Mexican-Korean tacos. Peppered with easy-to-remember Latin-American Spanish vocabulary, this glorious celebration of food is sure to leave every reader hungry for lunch! Jam-packed with fun details and things to see, the *Vamos!* books are perfect for fans of Richard Scarry and *Where's Waldo?*

The Spanish Love Deception May 01 2022 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic--from NYC and all the way to Spain--for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

The Science Book May 09 2020 Did the Universe start with a Big Bang? Is light a wave, a particle - or both? Are we the cause of global warming? Science has made it possible to comprehend the world we live in and the theoretical multiverses beyond, offering technological advances and extending the frontiers of knowledge. Written in plain English, *The Science Book* presents 80 of the most trailblazing ideas in physics, chemistry, and biology. It is packed with short, pithy explanations that cut through the jargon, step-by-step diagrams that untangle knotty theories, classic quotes that make scientific discoveries memorable, and witty illustrations that enhance and play with our understanding of science. Whatever your grasp of the subject, whether you're a keen student or an armchair expert, you'll find plenty to stimulate you within this book. Part of the popular "Big Ideas" series, *The Science Book* is the perfect way to explore this fascinating subject.

National 5 Spanish: Includes support for National 3 and 4 Aug 12 2020 Rely on resources for Scotland, from Scotland, to meet the needs of every student. With differentiation at its core, this course provides appropriate support, structure and challenge for all learners. Students will enjoy developing their skills, knowledge and appreciation of the Spanish language and the culture of Spanish-speaking countries. Trust Scotland's No.1 educational publisher. Written specifically for the Scottish curriculum, this book covers the specified contexts of society, learning, employability and culture, with each double-page spread containing the content for one lesson. Practise and strengthen skills. Every lesson includes high-quality reading, writing, speaking, listening and grammar exercises. Vocabulary lists for each context and a 30-page grammar chapter help students to build from a strong foundation. Four 'magazines' offer extra insight and reading practice. Ensure access for everyone. The content is differentiated into three difficulty levels, enabling students to work independently, follow a clear pathway and feel confident in their progress. The first two difficulty levels are also suitable for N3 and N4, so you have a single, cost-effective resource for all stages. Prepare for assessment success. Each section ends with a 'revision corner', which comprises exam-style questions, model answers and advice on the N5 exam, written assignment and performance. Please note: The audio files to accompany the listening tasks are not included with this book.

El Chupacabras Jul 03 2022 From the bestselling author of *Dragons Love Tacos* comes a whimsical re-telling of the chupacabra folktale, written in a blend of English and Spanish A long time ago, a girl named Carla lived on a goat farm with her father, Hector. One night, a goat disappeared from the farm and turned up flat as a pancake. Only one creature could do that--El Chupacabras, the goatsucker! Legend has it that El Chupacabras is a fearsome beast, but you can't believe everything you hear...and sometimes the truth is even more interesting. Told in equal parts English and Spanish by bestselling author Adam Rubin, and cinematically illustrated by acclaimed Hollywood creature creator Crash McCreery, this lighthearted take on a modern legend is not told in the traditional bilingual style. Each sentence is half-Spanish/half-English followed by a repetition of the same line translated the other way around. This mirroring technique allows the languages to intermingle equally. A fun and unique way to introduce either Spanish or English to new readers. A note from author Adam Rubin: "I decided to tell this story in an unusual way to explore the beauty of harmony. It's easy to dismiss the unfamiliar, but compassion takes a little more effort. With so many people trumpeting divisiveness right now, it's more important than ever to teach kids that there is more than one way to understand the world."

Dragons Love Tacos, Mini Doll Set Aug 24 2021 From the NY Times bestselling smash about a bunch of dragons who really love tacos, by Adam Rubin and Daniel Salmieri.

SYSTEMATIC INSTRUCTION IN READING FOR SPANISH-SPEAKING STUDENTS Jun 21 2021 Students whose first language is not English are the fastest-growing group in public schools in all regions of the United States. Almost 10 million children between the ages of five and 17 live in the homes and communities in which a language other than English is spoken and presently most schools in the U.S. are under-educating many English learners. The achievement of Hispanic students needs to improve dramatically over the next five years and this book describes the cornerstone elements for bringing about this change. The initial chapter introduces direct instruction to be used with reading and literacy programs. Chapters 2 and 3 provide excellent review of the literature in language development and address developing language instruction, listening, and speaking with Spanish-speaking students and offers what a comprehensive language development program should look like. Chapter 4 reviews academic language and literacy instruction while the next addresses the components of instruction in Spanish. Chapter 6 offers lesson plan suggestions for Spanish-speaking students, while the following two sections discuss components that

transfer and do not transfer in Spanish to English reading instruction. Chapter 9 reviews English language development and provides lesson plans for implementing SDAIE programs. Finally, Chapter 10 discusses two-way bilingual immersion and shares actual classroom schedules and lessons. This unique text will help in the preparation of primary grade teachers throughout the U.S. so that they may be successful with Hispanic students entering the public schools with little or no English background. It will also be a useful tool for school districts' staff development in addressing school improvement goals for increasing the achievement of Hispanic students.

Round Is a Tortilla May 21 2021 In this lively picture book, children discover a world of shapes all around them: rectangles are ice-cream carts and stone metates, triangles are slices of watermelon and quesadillas. Many of the featured objects are Latino in origin, and all are universal in appeal. With rich, boisterous illustrations, a fun-to-read rhyming text, and an informative glossary, this playful concept book will reinforce the shapes found in every child's day! Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

A Song of Frutas Apr 07 2020 From Pura Belpré Award-winning author Margarita Engle comes a lively, rhythmic picture book about a little girl visiting her grandfather who is a *pregonero*—a singing street vendor in Cuba—and helping him sell his *frutas*. When we visit *mi abuelo*, I help him sell *frutas*, singing the names of each fruit as we walk, our footsteps like drumbeats, our hands like *maracas*, shaking... The little girl loves visiting her grandfather in Cuba and singing his special songs to sell all kinds of fruit: mango, *limón*, *naranja*, *piña*, and more! Even when they're apart, grandfather and granddaughter can share rhymes between their countries like *un abrazo*—a hug—made of words carried on letters that soar across the distance like songbirds.

The Ice Cream Machine Jan 29 2022 Don't miss the #1 New York Times bestseller everyone is raving about! From the wild and wonderful imagination of the author of *Dragons Love Tacos* comes this hilarious, irresistible middle grade debut, a collection of six totally different stories with the same exact name. In these six stories, set in six distinct worlds, you'll meet a boy and his robot nanny traveling the globe in search of the world's tastiest treat, a child mechanical prodigy who invents the freshest dessert ever, and an evil ice cream truck driver who strikes fear in the heart of every kid in town. You'll be transported to a beachside boardwalk with an ice cream stand run by a penguin, a hilltop realm ruled by a king with a sweet tooth, and a giant alien space lab with a lone human subject who longs for a taste of home. Each story features black-and-white interior illustrations from a different artist, including Daniel Salmieri, Charles Santoso, Liniers, Emily Hughes, Nicole Miles, and Seaerra Miller, making this book unlike any you've ever seen. So grab a cup or a cone, and watch out for brain freeze! You'll definitely want to save room for this treat.

Dragons Love Tacos 2: The Sequel Nov 07 2022 The hilarious sequel to the smokin' hot New York Times best seller, perfect for story time News alert! It has just been discovered that there are NO MORE TACOS left anywhere in the world. This is a huge problem because, as you know, dragons love tacos. If only there was a way for the dragons to travel back in time, to before tacos went extinct. Then they could grab lots of tacos and bring them back! It's the perfect plan, as long as there's no spicy salsa. You remember what happened last time . . . The award-winning creators of *Robo-Sauce* and *Secret Pizza Party* return with a gut-bustingly hilarious companion to the bestselling phenomenon *Dragons Love Tacos*.

Ramón and Julieta Jul 23 2021 As seen in *People en Español!* A PopSugar and BookBub Most Anticipated Romance of 2022! When fate and tacos bring Ramón and Julieta together

on the Day of the Dead, the star-crossed pair must make a choice: accept the bitter food rivalry that drives them apart or surrender to a love that consumes them—perfect for fans of Jane the Virgin! Ramón Montez always achieves his goals. Whether that means collecting Ivy League degrees or growing his father’s fast-food empire, nothing sets Ramón off course. So when the sexy señorita who kissed him on the Day of the Dead runs off into the night with his heart, he determines to do whatever it takes to find her again. Celebrity chef Julieta Campos has sacrificed everything to save her sea-to-table taqueria from closing. To her horror, she discovers that her new landlord is none other than the magnetic mariachi she hooked up with on Día de los Muertos. Even worse, it was his father who stole her mother’s taco recipe decades ago. Julieta has no choice but to work with Ramón, the man who destroyed her life’s work—and the one man who tempts and inspires her. As San Diego’s outraged community protests against the Taco King takeover and the divide between their families grows, Ramón and Julieta struggle to balance the rising tensions. But Ramón knows that true love is priceless and despite all of his successes, this is the one battle he refuses to lose.

Dragones y tacos Oct 06 2022 Si quieres ser amigo con un dragón, los tacos son la clave. Todo el mundo sabe que solo hay una cosa que a los dragones les gusta más que las fiestas y los tacos y es una fiesta de tacos. Pero hay algunos detalles que hay que tener en cuenta si das una fiesta de tacos: a los dragones les encantan los tacos de pollo, los de carne, los tacos gigantes y los pequeñitos. Para decidir cuántos tacos vas a necesitar para la fiesta, llena un barco de tacos y esa será la cantidad adecuada. Pero ten muy presente que no debe haber ninguna salsa picante, porque, si no, ¡la cosa se pone verdaderamente en llamas! Everyone knows that there is only one thing that dragons like more than parties and tacos and it is a party of tacos. But there are some details to keep in mind if you give a party of tacos: dragons love chicken tacos, meat tacos, giant tacos and little ones. To decide how many tacos you will need for the party, fill a boat with tacos and that will be the right amount. But keep in mind that there should not be any hot sauce, because otherwise the thing is really on fire! The award-winning team behind *Those Darn Squirrels!* has created an unforgettable, laugh-until-salsa-comes-out-of-your-nose tale of new friends and the perfect snack. * “Off-kilter fun for those who like their picture books (and salsa) zesty and fresh.”—Publishers Weekly, starred review

This is a Taco! Dec 04 2019 This is a squirrel . . . “Hey, I may be a squirrel, but my name is Taco! And I don't eat nuts and tree bark—blech—I prefer tacos!” The natural predator of squirrels is . . . “Whoa, whoa, whoa! Who is writing this book? I do not like where this is going.” This hilarious send-up of a children's nature primer teaches kids that the most important story is the one you write yourself.

Those Darn Squirrels! Mar 31 2022 Little ones and grown-ups will giggle through multiple reads of *Those Darn Squirrels!* From the creators of *Dragons Love Tacos* comes the story of what happens when a grumpy old man and some mischievous squirrels match wits—with hilarious results. Old Man Fookwire is a grump. The only thing he likes to do is paint pictures of the birds that visit his backyard. The problem is, they fly south every winter, leaving him sad and lonely. So he decides to get them to stay by putting up beautiful bird feeders filled with seeds and berries. Unfortunately, the squirrels like the treats, too, and make a daring raid on the feeders. The conflict escalates—until the birds depart (as usual), and the squirrels come up with a plan that completely charms the old grump. The three funny picture books in this series from Adam Rubin and Daniel Salmieri: *Those Darn Squirrels* *Those Darn Squirrels* and the *Cat Next Door* *Those Darn Squirrels* *Fly South*

Una vez fui tú (Once I Was You Spanish Edition) Oct 02 2019 “El punto de vista de María es poderoso y vital. Hace años, cuando In the Heights empezaba a presentarse en teatros off-

Broadway, María corrió la voz en nuestra comunidad para que apoyáramos este nuevo musical que trataba sobre nuestros vecindarios. Ella ha sido una campeona de nuestros triunfos, una crítica de nuestros detractores y una fuerza clave para enfrentar y corregir los errores de nuestra sociedad. Cuando María habla, estoy listo para escuchar y aprender de ella.” —Lin-Manuel Miranda La periodista ganadora de cuatro premios Emmy y presentadora de Latino USA de NPR, María Hinojosa, cuenta la historia de la inmigración en los Estados Unidos a través de las experiencias de su familia y décadas de hacer reportajes, con lo cual crea un riguroso retrato de un país en crisis. María Hinojosa es una periodista galardonada que ha colaborado con las cadenas más respetadas y se ha distinguido por realizar reportajes con un toque humano. En estas memorias escritas con gran belleza, nos relata la historia de la política de inmigración de los EE.UU. que nos ha llevado al punto en que estamos hoy, al mismo tiempo que nos comparte su historia profundamente personal. Durante treinta años, María Hinojosa ha informado sobre historias y comunidades en los Estados Unidos que a menudo son ignoradas por los principales medios de comunicación. La autora de bestsellers Julia Álvarez la ha llamado “una de las líderes culturales más importantes, respetadas y queridas de la comunidad Latinx”. En *Una vez fui tú*, María nos comparte su experiencia personal de haber crecido como mexicanoamericana en el sur de Chicago y documentar el páramo existencial de los campos de detención de inmigrantes para los medios de comunicación que a menudo cuestionaban su trabajo. En estas páginas, María ofrece un relato personal y revelador de cómo la retórica en torno a la inmigración no solo ha influido en las actitudes de los estadounidenses hacia los extranjeros, sino que también ha permitido la negligencia intencional y el lucro a expensas de las poblaciones más vulnerables de nuestro país, lo que ha propiciado el sistema resquebrajado que tenemos hoy en día. Estas memorias honestas y estremecedoras crean un vívido retrato de cómo llegamos aquí y lo que significa ser una superviviente, una feminista, una ciudadana y una periodista que hace valer su propia voz mientras lucha por la verdad. *Una vez fui tú* es un llamado urgente a los compatriotas estadounidenses para que abran los ojos a la crisis de la inmigración y entiendan que nos afecta a todos. También disponible en inglés como *Once I Was You*.

Secret Pizza Party Aug 04 2022 Shhhh! Don't tell anyone about this mouth-watering book from the New York Times bestselling creators of *Dragons Love Tacos*! How does Raccoon love pizza? Oh, let him count the ways. He loves the gooey cheesy-ness, salty pepperoni-ness, sweet sweet tomato-ness, and of course the crispity crunchity crust. But someone is always chasing poor Raccoon away from his favorite food with a broom! What's a hungry raccoon to do? Plan an elaborate secret pizza party, of course! But shhh! It's a secret! In fact, you should probably just forget I told you. Nope, no secret pizza party happening here. You didn't already tell all your friends, did you? Uh oh . . . Fans of Jon Klassen and Mo Willems's humor will gobble up this quirky ode to the lengths we will go to for our heart's desire. Praise for *Dragons Love Tacos*: New York Times bestseller A New York Times Notable Children's Book of 2012 "Rubin and Salmieri are two of the weirdest, funniest guys working in kids' lit today. The team lets its geek flag fly in an obsessive how-to guide for would-be dragon taco party hosts. Why a taco party? As Rubin explains, 'The only things dragons love more than parties or tacos, is taco parties.' If further proof is required, Salmieri—whose poker-faced watercolor, gouache, and color pencil drawings set a benchmark for oddball observational humor—shows one odd, scaly creature with a carryout bag from 'Taco Cave' and another beaming with anticipation as it eagerly circles the date for a taco party on its taco-themed calendar. But beware: even if all the tips and rules are followed to the letter (on quantity: 'The best way to judge is to get a boat and fill the boat with tacos'), all will be for naught if spicy salsa makes its way into the taco filling. In fact, the dragons will bring a whole new meaning to 'housewarming.' Off-kilter fun for those who like their picture books (and salsa) zesty and fresh."—Publishers Weekly, starred review "*Dragons Love Tacos* is a heaping helping of silly. Little kids will relate to the anti-spicy bias and chuckle over Salmieri's watercolor and gouache cartoon illustrations showing literally boatloads of tacos and all sizes of dragons enjoying their favorite food at pool parties, costume parties and, well, taco parties."—San Francisco Chronicle "The perfect book for kids who love dragons and mild tacos."—Kirkus Reviews "The watercolor, gouache, and colored pencil cartoon illustrations are the real stars here. Regardless of, or perhaps because of, the absurdity of the story, this tale should be a big hit with anyone with an affinity for dragons."—School Library Journal

Stef Soto, Taco Queen Feb 27 2022 A heartwarming and charming debut novel about family, friends, and finding your voice all wrapped up in a warm tortilla. Estefania "Stef" Soto is itching to shake off the onion-and-cilantro embrace of Tia Perla, her family's taco truck. She wants nothing more than for Papi to get a normal job and for Tia Perla to be a distant memory. Then maybe everyone at school will stop seeing her as the Taco Queen. But when her family's livelihood is threatened, and it looks like her wish will finally come true, Stef surprises everyone (including herself) by becoming the truck's unlikely champion. In this fun and heartfelt novel, Stef will discover what matters most and ultimately embrace an identity that even includes old Tia Perla.

Represented Discourse, Resonance and Stance in Joking Interaction in Mexican Spanish Jun 29 2019 The book provides a new angle for the study of otherwise amply discussed discourse and interactional phenomena. The new perspective consists in addressing the interconnections between resonance, stance, represented discourse and joking in Mexican conversational discourse. In so doing, it contributes to a better understanding of the interplay between collaboration, intersubjectivity and emergence, among other relevant issues.

Scholars and advanced students concerned with dialogic syntax theory, stance theory and Spanish, will find the present analysis interesting and innovative. However, the writing and methodology, based on clearly discussed and presented examples from selected conversational excerpts, including graphic representations of linguistic and discourse data, makes the analysis easy to follow also to non-specialists. The book is thus interesting to a broad circle of readers, whether they are concerned with any of the issues dealt with or with their mutual connections, whether they are specialists or not.

Spanish and English in U.S. Service Encounters Oct 26 2021 Service encounters involve communication between strangers. Communication - or, at times, miscommunication - between strangers who come from different groups can foster the formation of stereotypes. This is therefore an area of particular relevance for investigation. Using service encounters as a vehicle, Callahan examines Spanish as social capital in the United States, focusing on who may use this language and under what circumstances. This book contributes to an examination of Spanish in the United States as a language of selected uses and selected users, along with the factors that can influence United States Latinos acceptance of its use by other Latinos and by non-Latinos.

The Tacos of Texas Jul 11 2020 Rooted in tradición mexicana and infused with Texas food culture, tacos are some of Texans' all-time favorite foods. In *The Tacos of Texas*, the taco journalists Mando Rayo and Jarod Neece take us on a muy sabroso taco tour around the state as they discover the traditions, recipes, stories, and personalities behind puffy tacos in San Antonio, trompo tacos in Dallas, breakfast tacos in Austin, carnitas tacos in El Paso, fish tacos in Corpus Christi, barbacoa in the Rio Grande Valley, and much more. Starting with the basics—tortillas, fillings, and salsas—and how to make, order, and eat tacos, the authors highlight ten taco cities/regions of Texas. For each place, they describe what makes the tacos distinctive, name their top five places to eat, and listen to the locals tell their taco stories. They hear from restaurant owners, taqueros, abuelitas, chefs, and patrons—both well-known and everyday folks—who talk about their local taco history and culture while sharing authentic recipes and recommendations for the best taco purveyors. Whether you can't imagine a day without tacos or you're just learning your way around the trailers, trucks, and taqueros that make tacos happen, *The Tacos of Texas* is the indispensable guidebook, cookbook, and testimonio.
