History (UGC-NET/JRF) Sep 28 2022 2022-23 UGC-NET/JRF History Solved Papers

A Hidden Sicilian History Mar 30 2020 Is there life after death? A Hidden Sicilian History: Second Edition presents an intriguing and easy-to-read historical novel that starts with the investigation of a mysterious death. While doing research in the public library in Enna, Sicily, a young man notices an ancient scroll has drifted from a shelf onto the floor. It appears to have slipped from a gap between two volumes about the Spanish Inquisition. Though he expects it to be related to life in Sicily at the time of Spanish rule, instead the handwritten scroll reports a singular drama that was performed on the stage of the deconsecrated Church of Santa Croce in Enna some time ago. The young man decides to translate the fascinating lost manuscript from Italian into English and publish it. Historical facts flow freely from the document, as well as its descriptions of traditional feasts and processions, the way to remove hexes and roundworms from children, and life in Enna's public

warehouse. It also touches on other societies bound together by a common thread: the yearning to understand the meaning of life. The novel's theme becomes a journey into the innermost recesses of the soul.

Enquiring History: The Vietnam War in Context Aug 15 2021 Exam Board: AQA, Edexcel, OCR & WJEC Level: AS/A-level Subject: History First Teaching: September 2015 First Exam: June 2016 Think more deeply and work more independently at A level History through a carefully thought-out enquiry approach from SHP. Enquiring History: It makes you think! The OFSTED report on school history suggests that the current generation of A Level students have been poorly served by exam-based textbooks which spoon-feed students while failing to enthuse them or develop deeper understandings of studying History The Schools History Project has risen to this challenge with a new series for the next generation. Enquiring History is SHP's fresh approach to Advanced Level History that aims: - To motivate and engage readers - To help readers think and gain independence as learners - To encourage enquiry, and deeper understanding of periods and the people of the past - To engage with current scholarship - To prepare A Level students for university Key features of each Student book - Clear compelling narrative - books are designed to be read cover to cover - Structured enquiries - that explore the core content and issues of each period - 'Insight' panels between

enquiries provide context, overview, and extension - Full colour illustrations throughout The Vietnam War in context The Vietnam War was much more than just a war. As a conflict it was drawn out and deadly, but in the history of the 20th century its significance goes well beyond those jungle encounters that have been represented in so many feature films. The Vietnam War was also a watershed event in the story of American foreign policy and their attempt to contain Communism. This book examines how and why the Americans got so involved in Vietnam and with what consequences. It also examines its relationship to the Korean War and to World War Two; and how the Vietnam experience shaped US foreign policy over the following decades and into the present. Web-based support includes: - Lesson planning tools and guidance for teachers available from the SHP website <http://www.schoolhistoryproject.org.uk/Publishing/BooksSHP/BooksALvlEHS.html> - eBooks for whole class teaching or individual student reading available from eBook retailers
