Understanding Pharmacology Dec 30 2019 This pharmacology handbook combines a "master systems" approach -- the interaction of the nervous, endocrine, and immune systems -- with illustrations for a unique, physiological presentation of basic pharmacological concepts. Instead of treating drugs as remedies for dysfunctional body tissues, this book presents drugs as chemicals mimicking the molecular languages of the body. The cartoon-like illustrations which accompany the molecular actions of drugs aid students in drug action recall and can help in patient teaching. This book covers cell language and pharmacology and the whole spectrum of drug types including Aldosterone and Diuretics, Insulin, Opiates, drugs to treat clotting disorders, drugs to treat allergies, and drugs to treat Cancer. Middle School Mayhem Box Set Books 1-4 Jan 11 2021 Middle School Mayhem: Down with the Dance is the first book in this action-packed, hilarious series. Meet Austin Davenport, whose fabulous luck landed him on this earth only eleven short months after his brother, Derek, putting them in the same grade. While Austin's brain power is unmatched, it appears as if his brother got all the athletic gifts and the family butt-chin, meaning their parents love Derek more than Austin, or so it seems. Join Austin on his journey through the tumultuous waters of middle school as he navigates the swampy and undeodorized hallways and explores the depths of the cafeteria's seafood surprise. Oh, and someone is plotting to take down the Halloween Dance, the one that Austin has his sights set on, so he can take Sophie Rodriguez, a girl way out of his league, but who doesn't seem to know it. Can he stay one step ahead of the new principal who has it out for

him? Will Austin figure out who the perpetrators are? Will he save the dance in time? Will he wear a diaper on a stakeout? The funny and fast-paced nature of this series is meant for middle grade and early young adult readers. Beware! This series has the tendency to turn reluctant readers into eager ones. Middle School Mayhem: Santukkah! Austin Davenport is back! With new characters and a new villain; the only guarantee is more mayhem! Middle School Mayhem: Santukkah! is the second installment of this planned twelve-book series. This fast-paced and gut-busting series is designed for middle grade and younger YA readers. After his brother wins a big sports award, Austin is jealous and wants his time to shine in the spotlight. With the school holiday musical just around the corner, Austin wonders if he's good enough for the lead role but also scared he might fart during a solo. Amplifying the problem is a new kid in town: the golden-voiced, dark-hearted Randy Warblemacher, who will stop at nothing to destroy Austin's chances at fame and fortune, while attempting to steal his girlfriend in the process. Oh, and following the chaos from the Halloween Dance, Cherry Avenue's overbearing principal is gunning even harder than before to get Austin expelled. Will Austin win the lead and steal the show? Will he gain his parents' affection even though he doesn't have the family butt chin? Can he juggle all of the mayhem that middle school throws at him or will his klutzery destroy all that he holds dear? What are you waiting for? I'm not going to answer the questions for you. You have to read the book! I mean, seriously... Middle School Mayhem: The Science (Un)Fair Thanks for tuning your station to Nerd Nation! Austin Davenport returns in Middle School Mayhem: Science (Un)Fair, the third installment of a planned twelve-book series. And this time, he's playing for keeps. Whatever that means. But seriously though, the stakes have never been higher for Austin, whose principal is salivating at the chance to get him expelled. A new website that bashes the overbearing principal surfaces and after no investigation whatsoever, Austin is the one and only suspect. To make matters worse, Randy Warblemacher, notorious cheater and Austin's chief nemesis, offers Austin a wager on the outcome of the science fair and it's an offer too good to refuse, but after a communication mix-up, the lovable underdog finds himself going head

to head with his own girlfriend. Will the competition be too much for their relationship? Will Austin's design for a fart-suppression device save the environment and the institution of marriage by reducing toxic fume emissions by 40%? Or will his human catapult design transform long-distance travel, rendering the airline industry obsolete? Will Austin be expelled for a crime he didn't commit? Can Austin beat Randy? Will Randy play fair (I know, dumb question.) What will Austin do when the love of his life, Sophie Rodriguez, gets caught up in a cheating scandal? Questions. Questions. Questions. To find the answers, join Austin Davenport as the misadventures and mayhem continue with nonstop laughs! Middle School Mayhem: Battle of the Bands Austin Davenport is back in the mayhemiest adventure yet! Austin's world is forever changed when he learns that nerds have one chance to transform themselves into cool kids. And that's by starting a band. When Austin and his crew get fed up at being even less popular than the kid in the marching band who wears his shoes on the wrong feet, they decide to take matters into their own hands. When Randy Warblemacher, already a popular kid (and Austin's nemesis) starts his own band that overshadows Austin's, the battle is on! And it's not just with Randy! Some of the area's best bands are in on the action: Goat Turd; 64 Farts, and Cold Sore are all looking to come out on top! Join Austin and the gang as they search for and express their badditude. Will the nerds rise to superstardom? Will fame and greed tear the band's friendship apart when half the band falls for the same girl? Will Austin's best friend, Ben, overcome his horrific stage fright? Will Austin split his leather pants and forever scar the youth of America?
