The Good Earth - Literature Kit Gr. 9-12 Jun 02 2022 Experience the hardships and tribulations of a Chinese family living in poverty prior to World War II. Our resource acts as a great supplement to the novel in order to help students comprehend it deeper. Set the tone by brainstorming the traditional ways people celebrate the birth of babies. Analyze the actions of Wang Lung's uncle to describe his true character. Identify what is being described from the metaphors and similes in the text. Understand key vocabulary words prior to reading with fill-in-the-blank paragraphs. Research the meaning of each form of literary irony, then identify the type of irony used in the novel. Write a sensory poem to express the many representations of the land to Wang Lung. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: *The Good Earth* is a Pulitzer Prize-winning story about family life in a Chinese village before World War II. Wang Lung and his new wife O-Lan buy land from the Hwang family in the hopes of starting a modest farm. During this time, O-Lan gives birth to three sons and three daughters. The first daughter becomes mentally handicapped due to severe malnutrition and famine, causing O-Lan to kill the second daughter and sell the third to a merchant. Famine and drought force the family to leave for a large city in the South to find work. Arriving in the city, Wang Lung finds a job pulling a rickshaw, while his family turns to begging. Things get better when armies approach the city and a food riot erupts. Wang Lung receives enough money to return home and have a prosperous life.

Fahrenheit 451 - Literature Kit Gr. 9-12 Jul 03 2022 Get drawn into a dystopian world to witness the struggle between one's self and their society. Students imagine what themes might be present in a dystopian future as perceived during the early 1950s. Predict what will happen to the woman whose books were hidden in the attic. Complete a paragraph from the novel with their missing vocabulary words. Answer multiple choice questions about the character Faber. Students reflect on the women's discussion of the two presidential candidates, and whether a person's name and appearance plays any factor in today's politics. Depict an alternate reality where Beatty and Montag join forces concerning their interest with books and the information they contain. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: *Fahrenheit 451*, written by Ray Bradbury, is the story of a man's struggle with his society and himself. The story begins with Guy Montag, a "fireman" charged with the job of burning books that have

become outlawed. In this society, books have been deemed to have no value with new media and sports accommodating short attention spans. His struggle begins when he meets his neighbor Clarisse McClellan, a free-thinker that begins to open his mind. From there, he soon finds himself stealing the books he was tasked to destroy. Montag's struggle culminates in an attempt to discover the value of books himself, putting him in the very same danger as those he once persecuted.

**Answer for Cancer Mar 31 2022** Answer for Cancer Death came knocking on his door -- but Anderson refused to open. Stage 4 inoperable cancer crept away in defeat. Answer for Cancer: 9 Keys invites you also to triumph over this cruel invader. In Part One, Anderson tells the story of his trauma, his near-death experiences, his ignorance and naivete regarding medical treatments, his foray into alternatives, and finally his happy outcome. Through it all, Anderson's "funny bone" survived intact. (Have you ever heard of this home remedy for cancer? Drink your own urine! Seriously!) Part Two relates nine keys that anyone can use to overcome most cancers. Some keys may surprise you. "Get a health coach, but not your doctor." (Chapter 1) "Chew your way to recovery." (Chapter 8) "Diet without detox is deception." (Chapter 9) In Part Three, Anderson credits meditation on God and the healing portions of the Bible as a primary reason he is alive today. He outlines eight parallels between natural medicine and the medicine of God's Word. "Just take your medicine and faith will be there when you need it." "God's very nature is healing. Fish

swim, birds fly, God heals," asserts Anderson. (Chapter 16) "Healing is not only God's will -- it is His pleasure." (Chapter 17) Answer to Cancer: 9 Keys tells more than one man's story. No matter where you are on the road to health (or even if you're not on the road, but helpless and hopeless by the roadside), here's the practical information you need to overcome this killer disease. Cancer is not a death sentence. Get the book. Get the keys. And get the inspiration you need to succeed on your quest for life."
