**Miss Seeton Sings** Apr 09 2021 When a flood of perfectly faked banknotes hits the market, retired art teacher Miss Emily Seeton, the Yard's famed 'MissEss', is chosen to investigate a respected Geneva bank. Somehow, the forger is also mixed up in the theft of valuable paintings, so it's 'set an artist to catch an artist'. But Miss S. is new to air travel - surely the names Geneva and 'Genova' must be the same place? Bamboozling both the crooks and the police who vainly try to keep tabs on her, innocently humming the fraudsters' musical password, she trips gaily along the dangerous trail. Serene amidst every kind of skullduggery, this eccentric English spinster steps in where Scotland Yard stumbles, armed with nothing more than her sketchpad and umbrella! What people are saying about Miss Seeton: “Miss Seeton is a hoot! I was torn between laughter and eye rolling with each page turn. The characters are loveable and thoroughly British. This is a perfect specimen of classic British mystery.” “What a joy Miss Seeton is. Why did I wait so long to read them? Splashy characters, lovely setting, and just plain funny.” “I've become a Miss Ess addict. Great characters that get better with each book. A must for anyone who loves a good British cozy with a twist, and surprising revelations of what a good brollie can do in a pinch.” “What a great series. This is one of the best in English light reading mysteries.” “Miss Seeton is a delightful sendup of the amateur sleuth. If your doctor has prescribed laughter as the best medicine, run and buy the entire series as fast as you can.” Editorial reviews: “A most beguiling protagonist!” *New York Times* “Miss Seeton gets into wild drama with fine touches of farce . . . This is a lovely mixture of the funny and the exciting.” *San Francisco Chronicle* “This is not so much black comedy as black-currant comedy . . .

You can't stop reading. Or laughing." The Sun "Depth of description and lively characters bring this English village to life." Publishers Weekly "Fun to be had with a full cast of endearingly zany villagers . . . and the ever gently intuitive Miss Seeton." Kirkus Reviews "Miss Seeton is the most delightfully satisfactory character since Miss Marple." Ogden Nash "I think, on the whole, Miss Seeton is the most loveable and entertaining of any of today's fiction detectives. May she live forever." London Mystery Selection

**Joseph E. Yoakum** Jun 11 2021 The extraordinary life of a captivating American artist, beautifully illustrated with his dreamlike drawings Much of Joseph Elmer Yoakum's story comes from the artist himself—and is almost too fantastic to believe. At a young age, Yoakum (1891-1972) traveled the globe with numerous circuses; he later served in a segregated noncombat regiment during World War I before settling in Chicago. There, inspired by a dream, he began his artistic career at age

seventy-one, producing some two thousand drawings over a decade. How did Yoakum gain representation in major museum collections in Chicago and New York? What fueled his process, which he described as a "spiritual unfoldment"? This volume delves into the friendships Yoakum forged with the Chicago Imagists that secured his place in art history, explores the religious outlook that may have helped him cope with a racially fractured city, and examines his complicated relationship to African American and Native American identities. With hundreds of beautiful color reproductions of his dreamlike drawings, it offers the most comprehensive study of the artist's work, illuminating his vivid and imaginative creativity and giving definition and dimension to his remarkable biography.

Full of first-hand, never before investigated, and elsewhere unavailable information, *Animation: A World History* encompasses the history of animation production on every continent over the span of three centuries. Volume III catches you up to speed on the state of animation from 1991 to present. Although characterized by such trends as economic globalization, the expansion of television series, emerging markets in countries like China and India, and the consolidation of elitist auteur animation, the story of contemporary animation is still open to interpretation. With an abundance of first-hand research and topics ranging from Nickelodeon and Pixar to modern Estonian animation, this book is the most complete record of modern animation on the market and is essential reading for all serious students of animation history.

*Temerity & Gall* Jul 12 2021 "[Metcalf's] talent is generous, hectoring, huge, and remarkable."—Washington Post In *Temerity & Gall*, Metcalf looks back on a lifetime spent in letters; surveys, with no punches pulled, the current state of CanLit; and offers a passionate defense of the promise and potential of Canadian writing. In a 1983 editorial letter to the *Globe and Mail*, celebrated Canadian novelist W.P. Kinsella railed that "Mr. Metcalf—an immigrant—continually and in the most galling manner has the temerity to preach to Canadians about their own literature." Forty years later, in spite of Kinsella's effort to discredit him in the name of a misguided nationalism both embarrassing and familiar, John Metcalf still has the temerity and gall to preach, to teach, and to write passionately (and uproariously) about literature in Canada. Part memoir, meditation, and apologia, part criticism and pure Metcalf, the present volume distills a lifetime of reading and writing, thinking and collecting, and continues his necessary work kicking against the ever-present pricks. As is the case with all of his critical work, *Temerity & Gall* will challenge, delight, anger, and inspire in equal measure, and is essential reading for anyone interested in literature in Canada and its place within the wider tradition of writing in English. *Temerity & Gall* is printed in a limited paperback edition of 750 copies signed and numbered by the author.
