Fairy Tales Sep 26 2019 Artist Petra Collins and actress Alexa Demie create nine erotic stories in a contemporary reimagining of a fairy tale book. Fairy Tales is an erotic folklore of short stories shot by Petra Collins starring Alexa Demie. The pair created the concept and text collaboratively. Alexa portrays nine characters that embody new stories they would have liked to see. As children, Petra and Alexa were both enamored with fairy tales, which provided an escape from their own painful realities. Each of the nine tales are set in unique spaces, ranging from suburban homes and parking lots to fantastical sets. Petra and Alexa's chapters of elves, mermaids, sirens, water

sprites, fallen angels, fairies, witches, and banshees blend their own stories with retold fairy tales. The photos combine elements of camp, prosthetics, and shibari in a surreal update to the imagery of the Brothers Grimm, Hans Christian Anderson, Charles Perrault, and others.

The Betrayals Feb 09 2021 International Bestseller! “Dizzily wonderful . . . a perfectly constructed work of fiction, with audacious twists . . . Collins plays her own game here with perfect skill.” — The Times (UK) An intricate and utterly spellbinding literary epic brimming with enchantment, mystery, and dark secrets from the highly acclaimed author of the #1 international bestseller *The Binding*. If your life was based on a lie, would you risk it all to tell the truth? At Montverre, an ancient and elite academy hidden high in the mountains, society’s best and brightest are trained for excellence in the grand jeu—the great game—an arcane and mysterious competition that combines music, art, math, poetry, and philosophy. Léo Martin once excelled at Montverre but lost his passion for scholarly pursuits after a violent tragedy. He turned to politics instead and became a rising star in the ruling party, until a small act of conscience cost him his career. Now he has been exiled back to Montverre, his fate uncertain. But this rarified world of learning Léo once loved is not the same place he remembers. Once the exclusive bastion of men, Montverre’s most prestigious post is now held by a woman: Claire Dryden, also known as the Magister Ludi, the head of the great game. At first, Léo feels an odd attraction to the magister—a mysterious, eerily familiar connection—though he’s sure they’ve never met before. As the legendary Midsummer Game approaches—the climax of the academy’s year—long-buried secrets rise to the surface and centuries-old traditions are shockingly overturned. A highly imaginative and intricately crafted literary epic, *The Betrayals* confirms Bridget Collins as one of the most inventive and exquisite new voices in speculative fiction.
